Robert J. Higgs, Michael Braswell

Crossing Boundaries An International Anthology Of Womens Experiences In Sport:

Crossing Boundaries Susan J. Bandy, Anne S. Darden, 1999 An international anthology of poetry short stories drama memoirs and journalism describes the experiences of women in sports *The Sporting Muse* Don Johnson, 2004-04-02 This study analyzes contemporary American sports poetry demonstrating that poems about sports express common attitudes and showing what the respective sports poems say about American culture of the last fifty years While placing particular emphasis on the hero in American sports poetry the study proves that a considerable body of sports poetry exists in American culture and that it is worthy of serious analysis The study opens with the analysis done so far on sports poetry articulates methods of approach and gives a brief history of sports poetry beginning with victory chants around the tribal campfire From Thayer s Casey at the Bat to Gibb s Listening to the Ballgame the body of the work is organized thematically by sport baseball football basketball women s sports and minor sports such as golf racquet sports and boxing The study concludes with a chapter on poems about fans and spectators and a summary of the study s arguments Each section gives detailed readings of many poems

A Contemporary History of Women's Sport, Part One Jean Williams, 2014-04-24 This book is an historical survey of women s sport from 1850 1960 It looks at some of the more recent methodological approaches to writing sports history and raises questions about how the history of women s sport has so far been shaped by academic writers Questions explored in this text include What are the fresh perspectives and newly available sources for the historian of women s sport How do these take forward established debates on women s place in sporting culture and what novel approaches do they suggest How can our appreciation of fashion travel food and medical history be advanced by looking at women s involvement in sport How can we use some of the current ideas and methodologies in the recent literature on the history and sociology of sport in order to look afresh at women s participation Jean Williams s original research on these topics and more will be a useful resource for scholars in the fields of sports women s studies history and sociology

Routledge Handbook of the Sociology of Sport Richard Giulianotti, 2015-07-24 The sociology of sport is a core discipline within the academic study of sport It helps us to understand what sport is and why it matters Sociological knowledge implicit or explicit therefore underpins scholarly enquiry into sport in every aspect The Routledge Handbook of the Sociology of Sport is a landmark publication that brings together the most important themes theories and issues within the sociology of sport tracing the contours of the discipline and surveying the state of the art Part One explores the main theories and analytical approaches that define contemporary sport sociology and introduces the most important methodological issues confronting researchers working in the social scientific study of sport Part Two examines the connections and divisions between sociology and cognate disciplines within sport studies including history anthropology economics leisure and tourism studies philosophy politics and psychology Part Three investigates how the most important social divisions within sport and in wider society are addressed in sport sociology including race gender class sexuality and

disability Part Four explores a wide range of pressing contemporary issues associated with sport including sport and the body social problems associated with sport sport places and settings and the global aspects of sport Written by a team of leading international sport scholars including many of the most well known respected and innovative thinkers working in the discipline the Routledge Handbook of the Sociology of Sport is an essential reference for any student researcher or professional with an interest in sport

International Sport Richard William Cox,2004 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new

Making Sense of Sports Ellis Cashmore,Ernest Cashmore,2005 This lively and entertaining textbook is an indispensable guide for undergraduates in sports studies and for students taking courses in the sociology of sports

Sport and Democracy in the Ancient and Modern Worlds Paul Christesen,2012-10-15 This book explores the relationship between sport and democratization Drawing on sociological and historical methodologies it provides a framework for understanding how sport affects the level of egalitarianism in the society in which it is played The author distinguishes between horizontal sport which embodies and fosters egalitarian relations and vertical sport which embodies and fosters hierarchical relations Christesen also differentiates between societies in which sport is played and watched on a mass scale and those in which it is an ancillary activity Using ancient Greece and nineteenth century Britain as case studies Christesen analyzes how these variables interact and finds that horizontal mass sport has the capacity to both promote and inhibit democratization at a societal level He concludes that horizontal mass sport tends to reinforce and extend democratization

Feminist Sport Studies Pirkko Markula,2005-08-18 Uses personal narratives to highlight the development of feminist sport studies

An Unholy Alliance Robert J. Higgs,Michael Braswell,2004 An Unholy Alliance offers a dissenting view to the claim by a growing number of scholars that Sports are a new religion The last few years have seen a spate of books that might be classified by a genre called Sports Apologetics that is arguments defending or celebrating in one way or another the familiar and ongoing alliance in America between sports and religion Recently claims have been made by scholars that sports are an authentic religion in and of themselves They make this startling assertion not by showing connections with the teachings of Buddha Jesus Mohammed or Moses but by parallels between the rites of modern games and those of preliterate man that were religious in nature because they were designed to propitiate powers and to ward off evil for the tribes employing them In this evocative book Higgs and Braswell suggest that while sports may

often be good things they are not inherently divine They do not focus on wide spread abuse in sports as evidence for their counterargument Rather they question the use of mythological parallels from prehistory as justification for viewing sports as a religion

International Sport: A Bibliography, 2000 Richard William Cox,2013-10-23 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new

Freeing the Female Body Fan Hong,2013-01-11 This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention custom and prejudice to free women from the ranks of the sexualized controlled and oppressed

Sports Donald L. Deardorff,2000-09-30 This guide to the available literature on sports in American culture during the last two decades of the 20th century is a companion to Jack Higg s Sports A Reference Guide Greenwood 1982 The types of individual or team sports included in this volume include those that are viewed as physical contests engaged in for physical emotional spiritual or psychological fulfillment With a focus on books alone chapters review the available literature regarding sports and each concludes with a bibliography Academic journals likely to contain articles on the topics discussed are listed at the end of each chapter Twelve chapters discuss sports and American history business and law education ethnicity and race gender literature philosophy and religion popular culture psychology science and technology sociology and world history This reference and guide to further research will appeal to scholars of popular culture and sports An index and two appendixes are included one listing important dates in American sports from 1980 through 2000 and one listing sports halls of fame museums periodicals and websites

Books and Beyond Kenneth Womack,2008-10-30 There s a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey s Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction GLBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography

Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

The Politics of the Olympics Alan Bairner, Gyoza Molnar, 2010-03-09 With the ever-increasing global significance of the Olympic Games, it has never been more topical to address the political issues that surround influence and emanate from this quadrennial sporting mega-event. In terms of the most recent evidence of the politics of the Olympics, the 2008 Beijing Games were riddled with political messages and content from the outset and provided a global stage for protesters with numerous agendas. These included to name but a few proposed boycotts, potential terrorist attacks, the question of open media access, protests against China's political practices, and attempts to interrupt the traditional torch rally. Essays in this collection focus on numerous political aspects of the Olympics from a variety of different perspectives, with a Glossary that contains a range of politically relevant entries relating to famous and infamous Olympic athletes, Olympic movement personnel and events, and broader political issues and developments which have affected the modern Games. The purpose of this anthology is not to perpetuate hatred towards the concept and practices of Olympism or to regurgitate a celebratory party line. Instead, in addition to being informative, the book offers critical engagement with the Olympics by raising awareness of the movement's political significance. Consequently, the essays in this anthology illustrate the strong but changing links between the modern Olympic Games and politics in general and address and discuss the key political aspects and issues with regard to the Games themselves, to national and international sport organisations, and to specific countries' attitudes to abusing the idea/ideal of the Olympics for their own political ends.

The Viking Tradition Susan J. Bandy, 2003 In 1902 Martha Berry founded the Industrial School for Boys to educate the children of the Southern Appalachian Mountains, and in 1909 the school admitted women. The institution grew from a mountain industrial school to a two-year college; in its first twenty-four years, it became a four-year college in 1930 and has since become one of the leading liberal arts colleges in the South. This volume portrays in word and image the role of sports at Berry College throughout its 100-year history. Situating athletics within the social and cultural life of the college, the book includes both intramural and intercollegiate sport and traces the evolution of the Viking tradition as it both parallels and reflects the development of sport in the United States. The story begins with the recreational

and leisure activities of the early years of the school and traces the continuation of the sporting spirit from the days of the Silver and the Blue through the post war Blue Jacket tradition and ends with the Viking years of the last four decades Of notable interest in the book is the development of the women s sports program which has brought four national titles to the college the importance of soccer to the college the well rounded intercollegiate program which currently fields teams in seven sports and an excellent intramural program

Handbook of the Arts in Qualitative Research ,2022 Transformative Change Laura E. Reimer,Cathryne L. Schmitz,Emily M. Janke,Ali Askerov,, Barbara T. Strahl,Thomas G. Matyók,2015-08-21

This foundational Peace and Conflict Studies text is formatted to fit inside a 14 week college university term The chapters are designed to provide a succinct overview of research theory and practice that can be supplemented with material chosen by the professor The book introduces students to the core concepts of the field and provides an up to date alternative to the Peace and Conflict readers It will move from historical development of the field to the way forward into the future Each chapter will reflect current trends and research and contain up to date examples questions for discussion or for potential student research topics suggested reading and engaged teaching activities

International Perspectives on Sporting Women in Past and Present Annette R. Hofmann,Else Trangbaek,2005 **Britain's Olympic Women** Jean Williams,2020-07-26 Britain has a long and distinguished history as an Olympic nation However most Olympic histories have focused on men s sport This is the first book to tell the story of Britain s Olympic women how they changed Olympic spectacle and how in turn they have reinterpreted the Games Exploring the key themes of gender and nationalism and presenting a wealth of new empirical archival evidence the book explores the sporting culture produced by British women who aspired to become Olympians from the early years of the modern Olympic movement It shines new light on the frameworks imposed on female athletes individually and as a group by the International Olympic Committee IOC the British Olympic Association BOA and the various affiliated sporting international federations Using oral history and family history sources the book tells of the social processes through which British Olympic women have become both heroes and anti heroes in the public consciousness Exploring the hidden narratives around women such as Charlotte Cooper Lottie Dod Audrey Brown and Pat Smythe and bringing the story into the modern era of London 2012 Dina Asher Smith and Katarina Johnson Thompson the book helps us to better understand the complicated relationship between sport gender media and wider society This is fascinating reading for anybody with an interest in sport history Olympic history women s history British history or gender studies

Crossing Boundaries An International Anthology Of Womens Experiences In Sport Introduction

In today's digital age, the availability of Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Crossing Boundaries An International Anthology Of Womens Experiences In Sport versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals, several platforms offer an extensive collection of resources. One such platform is

Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Crossing Boundaries An International Anthology Of Womens Experiences In Sport books and manuals for download and embark on your journey of knowledge?

FAQs About Crossing Boundaries An International Anthology Of Womens Experiences In Sport Books

1. Where can I buy Crossing Boundaries An International Anthology Of Womens Experiences In Sport books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
