## **Crowning A Warrior King:**

Crowning a Warrior King Diana Castilleja,2008      **Crown of the Warrior King** Henry O Arnold,2021-11-10 The desire of Israel the first to wear the crown is the warrior king For decades the nation of Israel had no rest from her enemies The people cried out Give us a king to lead us to go out before us to fight our battles And Yahweh hears the cries of the chosen He plucks a king out of the tribe of Benjamin the smallest of the tribes Saul son of a herdsman The prophet Samuel anoints him as Israel s first warrior king Under the banner of the wolf the symbol of his tribe Saul rises to prominence winning the hearts and minds of the people of Israel with his success on the battlefield and benevolent leadership But when the nation of Israel cries out For the love of Israel For the glory of Yahweh For the honor of the king the praises of the people turn the humble heart of the warrior king into one filled with pride a pride that has fatal consequences In this tale of triumph and tribulation deepest love and burning rivalries the new epoch is given a voice and it is a Song of Prophets and Kings      The Crown, the Sages and Supreme Morality Robert E. Ball,2025-07-31 First published in 1983 in *The Crown the Sages and Supreme Morality* the first account of the universal science of Supreme Morality or Moralogy to be published in the West Robert Ball shows how it is based on the moral teaching of Christ Buddha Confucius and Socrates and is influenced by ancient Chinese thought He shows that morality stresses the lines of authority national spiritual and family that are inherent in all relationships As a former Master of the Supreme Court closely involved in the organization and supervision of legal process Mr Ball is much concerned to reinforce the position of the British Crown on a theoretical basis and he therefore examines in detail monarchy and its possible future role in a changing world The discussion also extends to other matters such as commerce politics and religion in an evolutionary context The author concludes by identifying morality as the key to Britain s self restoration and the necessary thread in human evolution This is an interesting work for students and scholars of philosophy religion philosophy of religion and social anthropology      *Crowning Glory* Matthew Allen,2024-07-19 As a nation we like to think we know everything about our Kings and Queens William I conquered in 1066 Henry VIII had six wives and Queen Victoria was not amused But do these pub quiz facts provide a genuine picture of what our monarchs were really like as living breathing people As the reader shall find there is a treasure trove of wit wisdom and wonder waiting to be discovered *Crowning Glory* wipes away the cobwebs of fuddy duddy facts and breathes new life into this surprisingly addictive aspect of history It challenges our basic understanding of the subject by introducing readers to a colourful cast of characters and revealing little known insights This book reminds us that behind the formality of the crown are real human beings Like you and me they have known success failure sorrow and laughter The lives of our kings and queens are so much more vivid than boring old dates figures and facts      **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1895      Publishers' circular and general record of British and foreign literature, and booksellers' record ,1895      The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1895      Publishers'

circular and booksellers' record ,1896      **Reference Catalogue of Current Literature** ,1902      **Black Critics and Kings** Andrew Apter,1992-04-15 How can we account for the power of ritual This is the guiding question of Black Critics and Kings which examines how Yoruba forms of ritual and knowledge shape politics history and resistance against the state Focusing on deep knowledge in Yoruba cosmology as an interpretive space for configuring difference Andrew Apter analyzes ritual empowerment as an essentially critical practice one that revises authoritative discourses of space time gender and sovereignty to promote political and even violent change Documenting the development of a Yoruba kingdom from its nineteenth century genesis to Nigeria s 1983 elections and subsequent military coup Apter identifies the central role of ritual in reconfiguring power relations both internally and in relation to wider political arenas What emerges is an ethnography of an interpretive vision that has broadened the horizons of local knowledge to embrace Christianity colonialism class formation and the contemporary Nigerian state In this capacity Yoruba r s worship remains a critical site of response to hegemonic interventions With sustained theoretical argument and empirical rigor Apter answers critical anthropologists who interrogate the possibility of ethnography He reveals how an indigenous hermeneutics of power is put into ritual practice with multiple voices self reflexive awareness and concrete political results Black Critics and Kings eloquently illustrates the ethnographic value of listening to the voice of the other with implications extending beyond anthropology to engage leading debates in black critical theory      **Lady's Realm** ,1902      *The Crown* Nancy Bilyeau,2012-09-04 Leaving her Dominican Order to stand by a cousin who has been condemned to death by Henry VIII novice Joanna Stafford and her father are arrested and ordered by the Bishop of Winchester to recover a religious artifact believed to hold a sacred power      **Bookseller** ,1895 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series      Dragon's Crown Leah E.
