Dear Board Chairs, Public Post-Secondary Institutions:

Please find attached a draft of the 2015/16 Mandate Letter for all public post-secondary institutions for your input and discussion with your Board.

An annual Mandate Letter signed by all Board members is an accountability under the Taxpayer Accountability Principles, and replaces the Government's Letter of Expectations. The Mandate Letter is based on a template from the Crown Agencies Response Office, and is simplified to align with the Principles and to focus on Government's strategic mandates. Other key commitments previously formalized in the Government's Letter of Expectations will be communicated through other means.

I appreciate the work of all Boards to sign the Addendum to the 2014/15 Letter of Expectations. I am sharing a draft of the 2015/16 Mandate Letter to continue the conversation about the implementation of the Principles, and to request your input on the strategic priorities. Please provide your feedback directly to my Deputy Minister, Mrs. Sandra Carroll, at Sandra.Carroll@info.ca by February 4, 2015.

The final Letter will be informed by your feedback and my discussions with each of you about the Principles, the Mandate Letter and our shared strategic priorities. I anticipate sharing the final Letter in late March/early April. In order for all Board members to sign the Letter shortly thereafter, I would ask that this request be considered as you schedule the Board meetings for the upcoming year.

Thank you for your participation in this process and your commitment to collaborating with the Ministry on the Taxpayer Accountability Principles. I look forward to receiving your comments on the draft Mandate Letter.

Sincerely,

Aurika Vink

worldwide of these an estimated 12.6 million are in 37 of Africa's 55 countries. Written by a team of fifteen scholars across four continents, this book uses both quantitative and qualitative data to analyze the causes and consequences of this displacement, the role of the state in creating and mitigating these situations, and potential policy solutions. The volume is divided into three sections. Chapters in Section 1 discuss the causes of displacement. Chapters in Section 2 discuss refugees in their regional context. Chapters in Section 3 discuss IDP camps in Kenya, Nigeria, and Ghana. Bringing scholarly analysis to address two humanitarian crises, this book will be useful to students and researchers interested in African politics, forced migration, and policy, as well as members of the diplomatic corps, governmental and non-governmental organizations actively working towards solving these challenges.

Business to Business Marketing: An African Perspective How to Understand and Succeed in Business Marketing in an Emerging Africa is a comprehensive application of the most current research results, concepts, and frameworks to the African business-to-business (B to B) context. The chapters are designed to provide the reader with a thorough analysis of B to B. Important aspects like competitive strategy in B to B marketing, mix strategies, relationship management, and collaboration business services, big data analysis, and emerging issues in B to B are discussed with African examples and cases. As a result, the book is easy to read and pedagogical. It is suitable for courses at universities and other tertiary levels, undergraduate and graduate courses, MBA, and professional B to B marketing programmes. Working managers will find it a useful reference for practical insights, and as a useful resource to develop and implement successful strategies. The Authors Collectively: the four authors have over 60 years of teaching and research in B to B marketing and management in and outside Africa. They have the managerial and consulting experience that has enabled them to combine theory with practice. Their experience and knowledge provide the needed background to uniquely integrate teaching and research with the realities of the African B to B market. Their command of and insight into the subject are unparalleled.
