## **Dino And Nikki After Redemption:**

**Dino and Nikki: After Redemption** Teresa McClain-Watson, 2012-02-06 It was slated to be a marriage made in heaven when Nikki Lucas a former street hustler from the wrong side of the tracks captures the heart of the super fine Dino Cochran a former nightclub owning bad boy and now powerful church CEO But less than three hours after their heavenly nuptials hell goes in session and changes the game taking their happy union and thrusting it into a downward spiral of mistrust lust and pain First they postpone their honeymoon to the south of France for a detour to Detroit where Dino has to handle a series of devastating crisis that threatens to destroy everything he has worked years to build up Then Nikki is blind sided by female drama after female drama when beautiful successful women refuse to accept that Dino Cochran is no longer on the market and that a female with Nikki s obvious lack of sophistication and breeding could have succeeded where they had failed They scheme and connive and become so hellbent on ending a marriage that has only just begun that Nikki wonders if a life with Dino is worth it after all Soon Nikki herself develops an attraction to a bad boy whose jealousy of Dino makes him bound and determined to destroy everything Dino holds dear especially his most precious possession his young brand new bride It is a destruction that nearly costs Dino to lose all in a fit of rage and revenge that makes him question the kind of man he has allowed himself to become After Redemption is the story of an unlikely love affair that pits two very different people against a world of love lust and betrayal that will challenge them to the breaking point and will require every ounce of their faith and love to withstand the onslaught *Before Redemption* Teresa McClain-Watson, 2009 At age 20 Nikki Lewis had fallen for bad boy Dino Cochran and had become pregnant Now 16 years later Nikki struggles to raise her rebellious son and is shocked when Dino now the respected leader of a national church arrives in her town *Sight and Sound* ,2003

McClain-Watson,2012-01-03 Shaneka Neka McKinley was in love with Darryl Norris since high school He was flawed but she believed deep down that he was a good man They eventually moved in together started a family together and she thought for certain they were on track to soon be married together Until Darryl left her After Darryl s betrayal Neka is convinced that happiness for her was just a mirage and she wasn t interested in ever being tricked again And to make matters more painful than they already are Darryl reappears in her life some four months later flaunting his new love around their small town for all to see Now Neka not only feels betrayed by this very confused brother but she also feels humiliated She has two boys to think about two young boys Darryl fits into his schedule every now and then and her life it seems is destined to never be anything but hardship and struggle Bobby Cochran the newly minted head football coach at the local high school is the kind of sexy gorgeous man who attracts hordes of females just by walking into a room Although he appreciates the attention he knows it is all superficial and he is not a superficial man When he sees Neka who manages the diner he frequents he is intrigued Because Neka unlike most all of the other females in town doesn t give him the time of day and seems perfectly content in her own little world And although Neka is no beauty queen and no figure 8 like the females of his past he feels drawn to her But her shell is thick and her shattered self esteem is a seriously tough nut to penetrate But eventually he does penetrate it as Bobby and Neka develop a bond of trust that soon escalates into a full blown sex charged all encompassing romance with Neka feeling for the first time in her life like a queen not only in Bobby s bed but out of his bed as well But just when the couple catches their stride Darryl reemerges and becomes in serious need of Neka s love and the kind of help that will require her undivided attention Neka becomes torn between the man she loves and the father of her children a man she should hate But will love conquer all or will her loyalty and those unforeseen circumstances called life cause her to forget her own happiness and do what will make her boys by helping their father thrilled beyond compare **Redemption** Bob
