**Philosophy on Bamboo** Dirk Meyer,2011-11-14 Scholarship on early Chinese thought has long tended to treat texts as mere repositories of ideas rather than as meaningful objects in their own right Not only does this approach present an idealised account of China s intellectual past but it also imposes artificial boundaries between textual and philosophical traditions As the first study to treat text as a cultural phenomenon during the Warring States period this book demonstrates the interplay among the material conditions of text and manuscript culture writing and thought Through close readings of philosophical texts excavated at Gu di n it analyses crucial strategies of meaning construction and casts light on the ways in which different communities used texts to philosophical ends Meyer thus establishes new understandings of the correlation between ideas their material carrier and the production of meaning in early China      **The Freedom of Emma Herwegh** Dirk Kurbjuweit,2023-11-28 A gripping novel based on the life of the 19th century revolutionary Emma Herwegh As the daughter of a well regarded family Emma Siegmund causes a scandal by marrying the revolutionary poet Georg Herwegh Committed to the socialist cause she becomes the only woman to join the armed troops that bring the revolution from France to Germany in 1848 But when Georg falls madly in love with Natalie the wife of his comrade Alexander Herzen Emma finds her ideals challenged setting off a private battle of fidelity and betrayal In this compelling intimate novel Dirk Kurbjuweit tells the story of a woman who does not bow to the prejudices of her time In doing so he shows us just how relevant her struggles are to contemporary life in her contradictions her ambitions and her quest for freedom and happiness Dirk Kurbjuweit is a journalist at Der Spiegel and lives in Berlin He has received numerous awards for his writing including the Egon Erwin Kisch Prize for journalism and is the author of ten critically acclaimed novels many of which have been adapted for film television theatre and radio Imogen Taylor is literary translator based in Berlin who also translated Fear Twins and The Missing by Dirk Kurbjuweit Her translation of Sasha Marianna Salzmann s Beside Myself was shortlisted for the 2021 Helen Kurt Wolff Translator s Prize and the Schlegel Tieck Prize 2020 More recent work includes Alfred D blin s Two Women and a Poisoning and Dana Grigorcea s Dracula Park A well rounded historical novel Rheinische Post Emma Herwegh will stay with the reader long after the book is closed Neue Zürcher Zeitung      **Queer Friendship** George E. Haggerty,2018-03-29 Friendship in the classical world was celebrated as among the highest human achievements nothing was more likely to lead to the divine than looking for it in the eyes of a friend In exploring the complexities of male male relations beyond the simple labels of sexuality Queer Friendship shows how love between men has a rich and varied history in English literature The friend could offer a reflection of one s own worth and a celebration of a kind of mutuality that was not connected to family or

home These same sex friendships are memorable because they give shape to the novels of which they are a part and question the assumption that the love between friends is different from the love between lovers Queer Friendship explores English literary friendship in three ways the elegiac the erotic and the platonic by considering a myriad of works including Sterne's Tristram Shandy Tennyson's In Memoriam A H H and Dickens' Great Expectations *The Spaewife* Paul Peppergrass, 1853
