her up for anything With surgeon precision he repositioned Claire s hand so as not to remove it from her crotch but to allow him to open his shorts He released the button that closed the garment and pulled the soft fabric from the underwear to one side His erect cock poked out eagerly wet and hard eager he started stroking intensely doing his best not to groan as loud as he wanted Jackson was about to cum when the young woman s index finger touched the base of it and a smile escaped from the tickling He put her left hand to his glans and began to stroke himself moving the skin back and forth He knew he shouldn t do it too quickly or she might wake up but there was no problem with that he did it just by moving his wrist sliding his wet slippery skin and fuck he WET AND WILD What are you doing He said between angry and disoriented Teach you how to fuck a girl I said Finally I took off my mask and let out the little whore in me That had been fun at times but now the best was going to start Come on I said as I came out of the showers naked I leaned over one of the benches in the changing room where people usually change I lowered my head arching my back and leaving my ass in display I rested my hands on the bench getting on all fours My hair fell covering my face he wanted to put it in when I quickly noticed how his cock rubbed against my pussy begging to go back inside I grabbed him with my fingers and led it in trying to bring my legs together to make my pussy tighter He kept moaning in leasure and that exited me even more Come on Miss Johanson I locked the door I have done what you told me I have not put on my underwear Nobody has seen me come up here Perfect I d like it to go up At least to 9 5 Do you remember where we stayed the other day Yes she said and nodded at the same time She took off her blouse and skirt Naked as her mother brought her into the world she was even more beautiful like that Her face was beautiful but combined with her body she was completely stunning I lowered my pants and briefs and put them aside I took off my shirt too My already erect cock was pointing to her belly button She blushed when she saw me like that I sat in the chair and she knelt in front of me Now I told her to open her mouth she looked scared I told her to pretend she is sucking a lollypop Think about the flavor that you like best and imagine that you are tasting it She grabbed my cock with her right hand and put it in her mouth She began to suck slowly carefully Every And more      *Dirty Sex Collection* Vivienne
