Clearly Kelvin Armstrong,2017-08-21 This book is written to help Christians discern between the voice of God amidst other voices There are basically three major voices in the universe the voice of man the voice of the devil and the voice of God The importance of recognizing God s voice as a Christian when we yearn to hear from Him cannot be overemphasized The question now is is it possible for God to speak without you recognizing His voice The answer is a resounding yes God can actually speak and you won t recognize His voice or hear Him speak We hear different voices within us most of the times our mind speaking the devil speaking or God speaking It is very important that we recognize God s voice when He speaks so that we will not deviate from his plans for us It was that voice that allows us to come through the darkest hours of our life That is what this book is about It is about going from hearing a barely discernible voice to hearing a clear voice It is about going from I think God is saying to I know God is saying because when you know what really happened and what is really available to you you will find a renewed sense of faith an insatiable new inspiration and a new path to a deeper relationship with God This book also reveals what causes us to vacillate in our hearing experience You will come away from this book knowing how to hear God clearly and what it means when you don t **How Does God Speak to Us?** Nicole Murray,2021-05-14 Hearing the Voice of God Most people would love to hear the voice of God however there is this belief that this is a gift that is given to some people and not others This is simply not true We can all hear God s voice if we know how He speaks when He speaks and how to discern His voice different from my own or the enemy In this book you will learn The different ways in which God speaks through our Spiritual Senses Hindrances to hearing clearly How to steward God s Voice How to grow in hearing God s Voice There are also personal reflection exercises activation prayers and activities included to help you along this journey
