**Authentic Discipleship** Edward Michael Gross, 2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna's studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every Christian needs to live a fruitful abundant Christian life Special attention is given to having assurance at three levels Promise Assurance from the guarantees of God's Word Proof Assurance from the evidences salvation gives in your life and Personal Assurance from the Holy Spirit Author Bio Dr Edward Michael Gross is President of Vanguard Global Network a pastoral training mission in Columbia SC which helps to equip the world's churches to fulfill the Great Commission in disciple making Ed was a pastor for 22 years and has served in world missions for the last 15 years Ed is married to Maxine they have 6 grown children and 11 grandchildren The Grosses live in Lexington SC keywords Church Growth Spiritual Growth Discipleship Bible Study Attributes Of God Holy Spirit Prayer Evangelism Church Leadership Church Workbook

Kohn, 2020-09-04 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow

that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today s disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church **Disciple Making in a Culture of Power, Comfort, and Fear** Matthew T. Dickerson,2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ s command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul s Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson s own experiences in disciple making ministry on college campuses and his local church Dickerson s writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years **Discipleship in Education** Joseph Allotta,2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential **An Examination of the Theme of Discipleship in The Seven Churches of Revelation** Steve L. Roy,2021-09-15 Go and make disciples Our command is clear our mission is given But what exactly is a disciple and what does discipleship really mean In An Examination of the Theme of Discipleship in the Seven Churches of Revelation Dr Steve Roy takes the reader to the book of Revelation and to the specific letters from Jesus Christ himself These letters help the reader to discover dramatically important conclusions as to what discipleship is and what it means to be a disciple Through each of the letters to the seven churches Jesus follows a particular pattern of discipleship and applies it to the specific churches in western Asia Minor These
