**Personal Discipleship** Benjamin Maira, 2013 The term discipleship comes from the word disciple What is discipleship Who is a disciple These are two key questions we must answer if we want to understand personal discipleship Discipleship is adherence to the Master and Lord's faith Discipleship has to do with two things following Christ and making disciples Discipleship happens when a person believes Jesus Christ for their Salvation and continues to grow to be like him daily A disciple on the other hand is a devoted person to the Lord Jesus Christ an adherent or follower of the Lord's faith Personal discipleship is for today Personal discipleship is of God The Holy Spirit wants you to be a disciple and make other people disciples of the Lord To be a disciple you need to have the following salvation the Holy Spirit the anointing devotions witnessing local church and pastoral ministry Personal discipleship is new life of total commitment to the Lord I have written Personal Discipleship book with one

aim to introduce to you the best thing in the world which is to know the Lord and make Him known to multitude of souls Making New Disciples Also like Jesus Christ brought to us two things apostleship and discipleship you too may be able to do these two things in your lifetime Notice Discipleship is to find and follow the Lord while Apostleship is sending away for the gospel and the work of the Lord      **The Activated Disciple** Jeff Cavins,2018-11-05 Are you ready to take your faith to the next level If you yearn for a life that moves beyond believing and practicing your faith if you want to radically live your faith if you want a more profound relationship with Jesus Christ then it is time for you to become an activated disciple The Foundation of discipleship is imitation True discipleship requires such a close relationship with God that every area of your life is transformed It is about opening yourself to God and inviting him to dwell within you becoming holy as he is holy loving as he is loving disciples of Christ become the instruments God employs to transform the world Move beyond simply believing and practicing your faith and begin radically living it Overcome obstacles that keep you from being the disciple you are made to be Be a positive influence and an instrument of transformation in the Church      **Mere Discipleship** Lee C. Camp,2008-08-01 What does it mean to be a disciple of Christ today And are Christians really prepared for the answers In Mere Discipleship Lee Camp sets forth his vision of what it means to truly follow Christ challenging Christians to put obedience to Jesus as Lord ahead of allegiances to all earthly authorities be they nationalistic political economic or cultural Camp clearly lays out a sound biblical framework of what disciples believe and therefore what they should do This substantially revised and expanded second edition updates examples adds chapter introductions and summaries and includes new study questions      **A Depth of Insight** James A. Eldred,2013-10 Personally compelling and relevant to every Christian life James Eldred s A Depth of Insight is a treasure trove of simple but powerful truths regarding what it is to be a disciple of Jesus Christ Exploring that which effectively defends the faith and the one thing in your life that shows the whole world that you serve Jesus this book sheds light on the reality of our individual relationships with our Savior Each nugget of wisdom is set in the context of actual events with real people as they go about life Every chapter brings to life how the power of God has worked to change the nature and character of one of His disciples Each new story tells how the Holy Spirit used Scripture other believers and every aspect of life to transform the author Do you struggle with stress or debilitating health issues Do you not hear from God no matter how hard you pursue Him Do you lack joy and fulfillment or struggle with family and relationships No matter how much you have does it seem inadequate or unsatisfying Eldred lays bare these issues and many more in A Depth of Insight If just one of these concepts speaks to your life you can be impacted by God s wisdom as it is presented in this book      *Being Jesus' Walking and Talking Disciple* Randy Michael Wendt,2013-12-27 Do you walk along the safe and shallow shoreline Or do you want to be in the deep waters where Jesus calls you Reading this book and following the Spirit's direction launch out into the deep and let down your net for a breaking catch Jesus calls equips and empowers you to be His daily disciple in ways greater than you can imagine      Disciple Me Dr. Pamela A. Russell,2021-05-13 DISCIPLE

ME BY DR PAMELA A RUSSELL As a disciple of Christ you want to come to terms with the ultimate life God designed you to live and live it No course can answer all the questions that you will ever have But the wonderful thing is you will learn how to go to The One who has all the answers Then as the Bible says you would not have any need for anyone to teach you You will position yourself for God to teach you Himself This is not any self help book where you try to fix yourself by yourself This is a guided tour where you learn who you are from your creator Our Father and God You then submit to the Father to get instructions on how to live His best life for you This self study will help you identify scriptures that will provide answers to spiritual questions and share insight into things you may not have even thought to ask yet The Call to Discipleship and What It Means to Follow Jesus John K Hulett,2020-10-19 The Call to Discipleship and What It Means to Follow Jesus is based on sound biblical truths Every Scripture verse is inspired by God and given to the Holy Spirit for teaching disciples of Jesus Christ how to live holy and godly lives For some the Truth was made known early on in childhood by the Holy Spirit giving wisdom that leads to salvation through faith which is in Christ Jesus 2 Timothy 3 15 New American Standard Bible NASB

The Imperfect Disciple Jared C. Wilson,2017-05-02 Too many discipleship books are written for clean perfect people who know all the right Sunday school answers The Imperfect Disciple is for the rest of us people who screw up people who are weary people who are wondering if it s safe to say what they re really thinking For the believer who is tired of quasi spiritual lifehacks being passed off as true down and dirty discipleship here is a discipleship book that isn t afraid to be honest about the mess we call real life With incisive wit warm humor and moving stories Jared Wilson shows readers how the gospel works in them and in their lives when they can t get their act together they think God is giving them the silent treatment they think church would be better without all the people they re not happy with the person in the mirror and much more Wilson frees readers from the self doubt and even the misplaced self confidence they may feel as they walk with Jesus down the often difficult road of life The result is a faith that weathers storms lifts burdens and goes forth to make more imperfect disciples

Joining Jesus on the Way Phil Mayo,2019-12-10 What does it mean to take up your cross daily Sell your possessions and give to the poor really Deny yourself Jesus says How does all of this fit together in a world two thousand years removed Joining Jesus on the Way takes a look at the discipleship teachings of Jesus through the lens of the Gospel of Luke Luke s unique emphasis on discipleship has long been recognized among the Gospel traditions One might even call Luke s Gospel a discipleship manual In Luke Jesus prepares his disciples for the power packed ministry they will live out in Luke s second volume Acts Jesus teaches his disciples about self denial obedience to his commands proper attitude toward possessions faith and prayer and after his resurrection promises them the presence and power of the Holy Spirit to continue the ministry he began Most of Jesus discipleship teachings are found in the travel narrative portion of the Gospel of Luke In these ten chapters Jesus is traveling up to Jerusalem and his ultimate destiny the cross This is a journey on which Jesus invites all would be disciples to join him On the way we learn what it means to be true followers of Jesus The ultimate goal of the

journey is the cross which every disciple must bear but the journey does not end here Death to self means resurrection to new life in Christ Two thousand years later Jesus is still calling his followers to join him on the way but we don't always know how to answer that call It's not necessarily our fault as we seem to hear very little these days about true discipleship Some are answering the call but don't know what to do next Their pursuit of Jesus is avid but they need someone to help them along the way This book is written to be that help In *Joining Jesus on the Way* Mayo considers the implications of Jesus' discipleship teachings for would-be disciples both then and now This book is written to challenge 21st century believers to deepen their walk with Jesus and to choose to take up that proverbial cross and follow him daily **Disciple Gate** Tim Sutton, 2024-05-17 Jesus invites people to a life pulsing with love purpose and the promise of unending joy He calls this narrow road journey discipleship and says Follow me The first generations to believe in Jesus knew that following him and his ways was an essential part of their faith They self-identified as disciples Today many people are disconnected from this journey or unsure of where to start *Disciple Gate* is a thoughtful practical and down-to-earth guide to discipleship that can help change that Through Scripture story and personal testimony readers explore five key moments in this adventure with Jesus Stepping through seasons of beauty and struggle they learn to develop a resilient and reproductive faith They move into life with Jesus and friendship with God Enter through the narrow gate For wide is the gate and broad is the road that leads to destruction and many enter through it But small is the gate and narrow the road that leads to life and only a few find it Jesus Matt 7:13-14 **What Is a Disciple and How Do You Make One?** Mark Swiger, 2015-09 In many ways the church has become more adept at adding members than preparing true Christian disciples Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ-like maturity requires an approach that is different from the methods often employed today Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity Adding to this problem sometimes pastors struggle with knowing how to equip others for the work of the ministry Swiger has developed a Spirit-led manual for disciples and those who lead them Part I of his book is for everyone since every believer is first and foremost a disciple of Jesus Part II speaks to the particular needs of pastors and leaders who are charged with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God's Word still has the power to transform ordinary believers into disciples who can turn the world upside down *Disciple Beyond Mediocrity* Brian Byrne, 2020-08-27 *Disciple Beyond Mediocrity* addresses the problem of mediocrity found in many churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr Byrne's examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr Byrne explores the seven

characteristics of being a disciple based on the Lord's own words Denying oneself taking up his cross following the Lord forsaking attachments to all he has abiding in His word bearing much fruit and loving one another Central to his study of the life of a disciple are the twin spiritual skills living by faith and living in the Spirit with the subject that is central to both being able to hear what the Spirit is saying to the churches Dr Byrne then presents his readers with a step by step instruction on how to live by faith and includes a memorable parable that reflects his own relationship with the Lord the Garden of My Heart The final part of the book takes a leap into the future with Dr Byrne exploring four events in the life of a disciple in the end of days being caught up to meet the Lord in the air and being transformed in a brief moment of time into His immortal image giving account at the judgment seat the marriage of the bride of Christ with the Lord and the return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years The book concludes with an examination of the destiny of the Lord's disciples in the New Jerusalem that descends to the earth at the end of time There can be no doubt that Dr Byrne knows what he is writing about Each chapter bears the distinctive stamp of personal knowledge and experience This book should be required reading for all Christians for those who lead churches and for those who train leaders in colleges and universities round the world Disciple Making in a Culture of Power, Comfort, and Fear Matthew T.

Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ's command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul's Second Epistle to Timothy viewed as a reflection on Jesus' great disciple making commission as well as on Dickerson's own experiences in disciple making ministry on college campuses and his local church Dickerson's writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years **Living Faith** Dr. Glenn Parkinson, 2007-09-27 Faith that is alive puts the truth into practice Christian faith rests upon divine truths woven throughout the Bible But to become living faith these truths must inspire a set of convictions that shape the way we live What are the central truths of the Bible What does a life shaped by those truths look like in the real world By sketching core biblical ideas and pairing them with corresponding character studies from the Old and New Testaments fourteen simple convictions emerge God is in control Esther Spiritual growth happens from the inside out Mary Magdalene Christ is worth it Stephen All I have to do is fear God Jehoshaphat And ten more With discussion questions this book serves well either as a beginning study or a spiritual refresher course **The Beloved Disciple** Beth

Moore,2003-08-01 John the apostle must have thought he had seen everything Having been with Jesus all the years of his ministry John witnessed more miracles than he could count saw more displays of power than he could comprehend and experienced more love than he could fathom And one unforgettable morning young John outran Peter to his Savior's empty tomb Just as Christ took John on a lifelong journey into the depths of His love He will do the same for you The bridegroom's love is unmatched and inexhaustible and He is waiting to lavish it on you His beloved **The Disciple Maker's Handbook**

Bobby Harrington,Josh Robert Patrick,2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts The Political Disciple

Vincent E. Bacote,2015-05-05 What might it mean for public and political life to be understood as an important dimension of following Jesus As a part of Zondervan's Ordinary Theology series Vincent E Bacote's The Political Disciple addresses this question by considering not only whether Christians have or need permission to engage the public square but also what it means to reflect Christlikeness in our public practice as well as what to make of the typically slow rate of social change and the tension between relative allegiance to a nation and or a political party and ultimate allegiance to Christ Pastors laypeople and college students will find this concise volume a handy primer on Christianity and public life **The Disciple's Journey**
