*Refreshing Words for Busy Women* Darlene Sala,2010-08-01 Escaping the platitudes and avoiding the just trust admonitions bestselling author and popular speaker Darlene Sala speaks to on the go women offering real life advice and solutions for issues they face constantly including feeling overwhelmed by schedules and responsibilities Peter walked on water until he took his focus off Jesus handling guilt over missing morning devotions employ continuous strategies praying while preparing meals talking with God on the way to meetings praising Jesus while watching the kids dealing with uncomfortable and awkward situations Jesus reached out to the poor the down trodden the ill and the outcasts with love and compassion Sit down with Darlene enjoy a cup of refreshing hope and relax in the companionship of someone who knows what real life is and who will help you discover more about the only way to true peace and joy daily Jesus Christ      **Journey to Love** Janeen Michael-Lanier,2009-04 Abused The Preacher's Wife Divorced These were not my character traits or career choice yet these associations and marks on my life gave me my public identity This identity's influence was so strong it broke my personal courage Could I break the silence and confess my pain to God Would He hear my prayers and heal me if I walked away from ministry Would He discard me if I got a divorce After taking an honest look at my life I truly wondered if He even loved me at all For years I lived with the disconnection between the truth of God's Word which proclaimed His Love

for me and my ability to dwell daily in the confident security that truth inspires The distress in my heart was so great and securing God's love seemed so elusive that I made attempts to cure myself Unfortunately I wound up causing myself greater injury as I sought out alternatives that I could intellectually grasp and measure up to Each substitute for His love that I gathered failed me miserably til finally I answered God's question to me Janeen will you let me love you After many hills valleys scrapes and falls I placed my hand in His and made the discovery of a lifetime He created me to Love me I didn't have to beg barter or steal for love The Love that I so desperately longed for was inside of me All I had to do was accept and receive the awesome gift But the twists and turns of the pathways travelled to arrive at the place of clarity and wholeness was an absolutely incredible Journey to Love I am so glad that God is Love He miraculously loves me and you in the midst of and through each of our life's pathways

**The Fat Jesus** Lisa Isherwood, 2008 We are living in a food and body image obsessed culture We are encouraged to over consume by the marketing and media that surround us and then berated by those same forces for doing so At the same time we are bombarded with images of unnaturally thin celebrities who go to enormous lengths to retain an unrealistic body image either by extremes of dieting or through plastic surgery or both The spiritual realm is not immune from these pressures as can be seen in the flourishing of biblically and

faith based weight loss programs that encourage women to lose weight physically and gain spiritually Isherwood examines this environment in light of Christian tradition which has often had a difficult relationship with sexuality and embodiment and which has promoted ideals of restraint and asceticism She argues that part of the reason for our current obsession and bizarre treatment of issues around weight size and looks is that secular society has unknowingly absorbed many of its negative attitudes towards the body from its Christian heritage Isherwood argues powerfully that there are resources within Christianity that can free us from this thinking and lead us towards a more holistic incarnational view of what it is to be human The Fat Jesus provides a fascinating study of the complex ways that food women and religion interconnect and proposes a theology of embrace and expansion emphasizing the fullness of our incarnation [Order in the Court](#) Sherry Hutson Camperson,2000-08 *Divine Discipline* Rhonda Harrington Kelley,2014-07-14 Self discipline is essential to success in all areas of life Making the conscious choice to do what is morally right takes a great deal of strength The source of this strength comes from God Having learned the hard way that discipline requires training Dr Rhonda Harrington Kelley suggests a system of checks and balances for self control Noting her personal journey toward spiritual discipline Kelley offers this thought provoking inspirational guide Through self motivation and control the author encourages you to reap the rewards of leading a disciplined life After years of struggling with her weight and other negative aspects of her life Kelley concluded that she had the motivation for change but not a sincere desire to gain self control Her belief in God s power to bring calm and purpose to some of life s most uncontrollable situations helped change her life More than just a self help book *Divine Discipline How to Develop and Maintain Self Control* offers specific guidelines for making positive lifestyle changes toward personal growth Kelley provides valuable guidelines for nutrition fitness time management and goal planning that highlight the importance of one s internal resources by employing inner strengths This second edition provides new information and encouragement for those seeking divine self control The biblical quotes come from the New American Standard Bible published by Lockman Through discipline introspection and spiritual belief Dr Kelley leads the wayward soul to the bounty of the Holy Spirit Esther Burroughs provides the foreword A well known Christian speaker and author she is on the staff of the Southern Baptist Convention Home Mission Board in the evangelism division [Catalog of Copyright Entries.
