Discourse On Political Economy And The Social Contract Oxford Worlds Classics:

Discourse on Political Economy and The Social Contract Jean-Jacques Rousseau,1999-01-21 ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Discourse on Political Economy and The Social Contract Jean-Jacques Rousseau,2008-08-14 Censored in its own time the Social Contract 1762 remains a key source of democratic belief and is one of the classics of political theory This new translation is fully annotated and indexed The volume also contains the opening chapter of the manuscript version of the Contract together with the long article on Political Economy a work traditionally between the Contract and Rousseau s earlier masterpiece the Discourse on Inequality

Kant, Global Politics and Cosmopolitan Law Claudio Corradetti,2020-04-08 Why is there so much attention on Kant s global politics in present day law and philosophy This book highlights the potential fruitfulness of Kant s cosmopolitan thought for understanding the complexities of the contemporary political world It adopts a double methodological strategy by reconstructing a genealogical conceptual journey showing the development of international law as well as introducing an interpretation of cosmopolitanism centred on Kant s theory of a metaphysics of freedom The result is a novel focus on Kant s notion of the world republic The hypothesis here defended is that the world republic stands as a way of thinking about international politics where the possibility of progression towards peace results from its use as a regulative idea

Political Pluralism, Disagreement and Justice Julian F. Müller,2019-05-10 This book poses the question How can we organize society in such a way that our disagreement about facts and norms works to the benefit of everyone In response it makes the argument for polycentric democracy a political arrangement consisting of various political units that enjoy different degrees of independence It is argued that to progress towards justice we first need to change our attitude towards reasonable disagreement Theorists have always viewed reasonable disagreement as nuisance if not as a threat However this work puts forward that the diversity of perspectives which underlie reasonable disagreement should be viewed as a resource to be harvested rather than a threat to be tamed Resting on two key arguments the author proposes the idea of polycentric democracy as the most capable method of making pluralism productive The book explores what such a political order might look like and concludes that only an institutional system which is capable of profiting from diversity such as polycentric democracy might reasonably be expected to generate an overlapping consensus Continuing in the tradition of Karl Popper and Friedrich August von Hayek this book lies at the intersection of philosophy political economy and political theory It will be of great interest to academics and scholars working in philosophy politics and economics

Fictions of Home Martin Mühlheim,2018-04-23 This study aims to counter right wing discourses of belonging It discusses key theoretical concepts for

the study of home focusing in particular on Marxist feminist postcolonial and psychoanalytic contributions The book also maintains that postmodern celebrations of nomadism and exile tend to be incapable of providing an alternative to conservative xenophobic appropriations of home In detailed readings of one film and six novels a view is developed according to which home as a spatio temporal imaginary is rooted in our species being and as such constitutes the inevitable starting point for any progressive politics

Reading Political Philosophy Derek Matravers,Jonathan Pike,Nigel

Warburton,2014-05-01 This clear and thorough introduction provides students with the skills necessary to understand the main thinkers texts and arguments of political philosophy and thought Each chapter comprises a brief overview of a major political thinker followed by an introduction to one or more of their most influential works and an introduction to key secondary readings Key features include exercises reading notes guides for further reading The book introduces and assesses Machiavelli s Prince Hobbes Leviathan Locke s Second Treatise on Government Rousseau s Social Contract Marx and Engels German Ideology Part 1 Mill s On Liberty and The Subjection of Women Reading Political Philosophy requires no previous knowledge of philosophy or politics and is ideal for newcomers to political philosophy and political thought

A New History of Western Philosophy Anthony Kenny,2012-08-16 This book is no less than a guide to the whole of Western philosophy the ideas that have undergirded our civilization for two and a half thousand years Anthony Kenny tells the story of philosophy from ancient Greece through the Middle Ages and the Enlightenment into the modern world He introduces us to the great thinkers and their ideas starting with Plato Aristotle and the other founders of Western thought In the second part of the book he takes us through a thousand years of medieval philosophy and shows us the rich intellectual legacy of Christian thinkers like Augustine Aquinas and Ockham Moving into the early modern period we explore the great works of Descartes Hobbes Locke Leibniz Spinoza Hume and Kant which remain essential reading today In the nineteenth and twentieth centuries Hegel Mill Nietzsche Freud and Wittgenstein again transformed the way we see the world Running through the book are certain themes which have been constant concerns of philosophy since its early beginnings the fundamental questions of what exists and how we can know about it the nature of humanity the mind truth and meaning the place of God in the universe how we should live and how society should be ordered Anthony Kenny traces the development of these themes through the centuries we see how the questions asked and answers offered by the great philosophers of the past remain vividly alive today Anyone interested in ideas and their history will find this a fascinating and stimulating read

Religion Matters: Volume 2 P. T. Babie,Rick Sarre,2024-07-19 This book constitutes the second volume of Religion Matters The Contemporary Relevance of Religion Springer 2020 Offering a fresh and much needed perspective it explores the role of religion in the modern neo liberal world The book acclaims that religion is a contextual and contested term which is extensively discussed in the Introduction Designed to be read selectively this book allows readers to delve into topics and traditions of specific interest without the necessity of reading the entire volume In contrast to volume 1 where contributors

critically engaged with religion and various disciplines this book poses a fundamental question Can religion contribute to the discipline under consideration Authors were selected based on their ability to address this question Some chapters concluded that religion may offer very little to the discipline under consideration highlighting the value of volume 1 s critical stance on the place of religion in contemporary society However the project s overall aim remained somewhat unfulfilled leading to the creation of this second volume The primary omission from the first book was a comprehensive exploration of the sciences and health sciences which this second volume aims to rectify Furthermore additional authors were chosen to investigate the nature of connectedness facilitated by religion horizontally through membership within wider communities societies cultures or religious traditions and vertically by examining historical relationships within a particular faith tradition culture community or society This volume also broadens its focus to include non Christian perspectives Indigenous perspectives and an increased representation of female contributors

The Oxford Guide to Literature in English Translation Peter France, 2000 The Guide offers both an essential reference work for students of English and comparative literature and a stimulating overview of literary translation in English

BOOK JACKET Prehistoric Myths in Modern Political Philosophy Karl Widerquist, 2016-12-07 How modern philosophers use and perpetuate myths about prehistory The state of nature the origin of property the origin of government the primordial nature of inequality and war why do political philosophers talk so much about the Stone Age And are they talking about a Stone Age that really happened or is it just a convenient thought experiment to illustrate their points Karl Widerquist and Grant S McCall take a philosophical look at the origin of civilisation examining political theories to show how claims about prehistory are used Drawing on the best available evidence from archaeology and anthropology they show that much of what we think we know about human origins comes from philosophers imagination not scientific investigation

Key Features Shows how modern political theories employ ambiguous factual claims about prehistory Brings archaeological and anthropological evidence to bear on those claims Tells the story of human origins in a way that reveals many commonly held misconceptions

Outlines of the Philosophy of Right G. W. F. Hegel, 2008-07-10 What is rational is actual and what is actual is rational Hegel s Outlines of the Philosophy of Right is one of the greatest works of moral social and political philosophy It contains significant ideas on justice moral responsibility family life economic activity and the political structure of the state all matters of profound interest to us today Hegel s aim is to lay out the various forms that human freedom must take on if it is to be true freedom He seeks to show that genuine human freedom does not consist in doing whatever we please but involves living with others in accordance with publicly recognized rights and laws Hegel demonstrates that institutions such as the family and the state provide the context in which individuals can flourish and enjoy full freedom He also demonstrates that misunderstanding the true nature of freedom can lead to crime evil and poverty His penetrating analysis of the causes of poverty in modern civil society was to be a great influence on Karl Marx Hegel s study remains one of the most subtle and perceptive accounts of freedom that we

possess This new edition combines a revised translation with a cogent introduction to his work ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Rights of Man, Common Sense, and Other Political Writings Thomas Paine,2008-11-13 Paine was the first international revolutionary His Common Sense was the most widely read pamphlet of the American Revolution his Rights of Man was the most famous defence of the French He was an exemplary democrat whose ideas still capture broadly the beliefs behind liberal welfare states today

The Recognition of Sakuntala Kalidasa,2001-07-19 KING Yes I shall release you SAKUNTALA When KING When When like a bee I kiss the bud of your unbruised lip And flood my thirsting mouth with nectar Kalidasa s play about the love of King Dushyanta and Sakuntala a hermitage girl their separation by a curse and eventual reunion is the supreme work of Sanskrit drama by its greatest poet and playwright c 4th century CE Overwhelmingly erotic in tone in performance The Recognition of Sakuntala aimed to produce an experience of aesthetic rapture in the audience akin to certain types of mystical experience The pioneering English translation of Sakuntala in 1789 caused a sensation among European composers and writers including Goethe and it continues to be performed around the world This vibrant new verse translation includes the famous version of the story from the Mahabharata a poetic and dramatic text in its own right and a likely source for Kalidasa The introduction discusses the play in the aesthetic and cultural context of ancient India ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Individualism Zubin Meer,2011-05-26 Individualism The Cultural Logic of Modernity explores ideas of the modern sovereign individual in the western cultural tradition Divided into two sections this volume surveys the history of western individualism in both its early and later forms chiefly from the sixteenth to the eighteenth centuries and then individualism in the twentieth century These essays boldly challenge not only the exclusionary framework and self assured teleology but also the metaphysical certainty of that remarkably tenacious narrative on the rise of the individual Some essays question the correlation of realist characterization to the eighteenth century British novel while others champion the continuing political relevance of selfhood in modernist fiction over and against postmodern nihilism Yet others move to the foreground underappreciated topics such as the role of courtly cultures in the development of individualism Taken together the essays provocatively revise and enrich our understanding of individualism as the generative premise of modernity itself Authors especially considered include Locke Defoe Freud and Adorno The essays in this volume first began as papers presented at a conference of the American

Comparative Literature Association held at Princeton University Among the contributors are Nancy Armstrong Deborah Cook James Cruise David Jenemann Lucy McNeece Vivasvan Soni Frederick Turner and Philip Weinstein The Consolation of Philosophy Boethius, 2008-07-10 First published as an Oxford world s classics paperback 2000 Reissued 2008 Copyright page

A Vindication of the Rights of Men; A Vindication of the Rights of Woman; An Historical and Moral View of the French Revolution Mary Wollstonecraft, 2008-12-11 This volume brings together the major political writings of Mary Wollstonecraft in the order in which they appeared in the revolutionary 1790s It traces her passionate and indignant response to the excitement of the early days of the French Revolution and then her uneasiness at its later bloody phase It reveals her developing understanding of women s involvement in the political and social life of the nation and her growing awareness of the relationship between politics and economics and between political institutions and the individual In personal terms the works show her struggling with a belief in the perfectibility of human nature through rational education a doctrine that became weaker under the onslaught of her own miserable experience and the revolutionary massacres Janet Todd s introduction illuminates the progress of Wollstonecraft s thought showing that a reading of all three works allows her to emerge as a more substantial political writer than a study of *The Rights of Woman* alone can reveal ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Principles of Human Knowledge and Three Dialogues* George Berkeley, 2009-02-26 Berkeley s idealism started a revolution in philosophy As one of the great empiricist thinkers he not only influenced British philosophers from Hume to Russell and the logical positivists in the twentieth century he also set the scene for the continental idealism of Hegel and even the philosophy of Marx There has never been such a radical critique of common sense and perception as that given in Berkeley s *Principles of Human Knowledge* 1710 His views were met with disfavour and his response to his critics was the *Three Dialogues between Hylas and Philonous* This edition of Berkeley s two key works has an introduction which examines and in part defends his arguments for idealism as well as offering a detailed analytical contents list extensive philosophical notes and an index ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Upanisads** , 2008-04-17 The Upanisads are the central scriptures of Hinduism representing some of the most important literary products in the history of Indian culture and religion This is the first major English translation of the ancient Upanisads for over 50 years its up to date introduction and detailed notes make the edition ideal for non specialists

as well as students of Indian religions **Pañcatantra** Patrick Olivelle, 2009-08-27 The Pa catantra is the most famous collection of fables in India and was one of the earliest Indian books to be translated into Western languages It teaches the principles of good government and public policy through the medium of animal stories providing a window onto ancient Indian society This new translation vividly reveals the story telling powers of the original author while detailed notes illuminate aspects of ancient Indian society and religion to the non specialist reader *The Library of Greek Mythology* Apollodorus, 1998 A new translation of an important text for Greek mythology used as a source book by classicists from antiquity to Robert Graves The Library of Greek Mythology is a complete summary of early Greek myth telling the story of each of the great families of heroic mythology and the various adventures associated with the main heroes and heroines from Jason and Perseus to Heracles and Helen of Troy Using the ancient system of detailed histories of the great families it contains invaluable genealogical diagrams for maximum clarity
