Got Questions? S. Michael Houdmann, 2014-04-24. Everyone has questions. Young children ask why. Teenagers ask why not. Adults sometimes lament what if. The God who created us and who loves us has given us the answers to life's most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on www.GotQuestions.org, the source for this book. Sadly, many individuals and ministries who offer advice are not biblically and theologically solid. That's why *Got Questions* is crucially needed: a resource that answers questions explicitly from a biblical perspective with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, *Got Questions* will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real-life issues who received solid practical answers from the Bible. The articles in this volume are compiled from the more than 3,800 frequently asked questions on our website, which are read over 7 million times each month. Some of the articles have been translated into 150 languages. Many books present teaching in a question-and-answer format, but few have delved into the questions that people are actually asking. Having received and answered more than 380,000 questions, *Got Questions Ministries* has a unique understanding of what questions are truly on people's minds.

Divided Nation Ken Ham, 2021-06-15. *Divided Nation: Cultures in Chaos*. A conflicted church provides families and their churches biblical mandates to awaken and arise as influencers in today's turbulent times. As Christian persecution increases, the Body of Christ needs to prepare to take a bold stand. Ken Ham, CEO and founder of Answers in Genesis US, the highly acclaimed Creation Museum, and the world-renowned Ark Encounter, sounds the call for Reformation, bringing God's people back to the authority of the Word of God, beginning in Genesis. Can the church regain a position of influence among this generation of truth seekers who reject God and His Word? To combat today's chaotic culture and the conflicted church, Ham addresses five specific issues: There is no neutral position. There is no non-religious position. There are ultimately only two religions: Creation apologetics. How to think foundationally to develop a truly Christian worldview. Make a stand for the soul of this generation. *Divided Nation* shines an empowering light on the struggle of the church to retain young believers. Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church. *Divided Nation* is

an excellent call to Christians pastors and thinkers alike to return to the supreme authority of God's Word and the God of all truth Jack Hibbs Calvary Chapel Chino Hills CA
