Directing For Animation Everything You Didn't Learn In Art School:

Directing for Animation Tony Bancroft, 2013-10-01 There's no class in art school that can teach you this. Believe it or not, there's a lot more to directing a great animated film than beautiful illustrations and cool characters. You need to bring out your inner creative visionary and take your savvy leadership skills to the front lines, being great with a pencil brush or stylus is not enough. Tony Bancroft released his inner creative visionary when creating *Mulan*. In *Directing for Animation*, he shows you exactly how to pull the right strings to bring your characters to life and center your story by developing the visual cues that lend to your audience's understanding of the plot, place, and purpose. Tony walks you through the process, bringing you behind the scenes of real, well-known projects with a little help from some famous friends. Learn from the directors of *Aladdin*, *The Little Mermaid*, *Ice Age*, *Chicken Run*, and *Kung Fu Panda* and see how they developed stories and created characters that have endured for generations. Get the inside scoop behind these major features, pitfalls, and all. *Directing for Animation*

Mike Jungbluth, 2024-03-15 The best character animation has a strong creative intent driving a compelling performance. With the addition of interactivity, game animation adds complexity to the craft of how best to balance art, design, and technology to realize a character's performance. As a director, you are responsible for not only defining a vision for how those should balance but also being a leader, mentor, and advocate for your team. But in a field of rapid iteration of ideas and techniques, that strong creative intent can be easily lost or sacrificed if not properly fostered and defined. *Directing Game Animation: Building a Vision and a Team with Intent* breaks down the process of creating an intentional animation vision that can be both unique and flexible. From defining the high-level experience to breaking down tech needs, projecting a team size, and empowering everyone to work together, this book will help you to wrap your mind around a project's animation needs. Animation, like every part of a game, cannot succeed let alone function in a vacuum. This book looks to foster a discussion around the process, needs, and benefits of an empowered animation team and its vision as a universal benefit for the entire industry. This book is a guide to answer some of the most common questions people encounter when engaging with the

overlap between creative and project leadership What is your role Learn how to establish expectations and needs specific to the project and team How do you establish a vision Learn how to better define and communicate creative topics such as a cohesive character performance and animation style How do you build a team Learn how to establish early on the team structure skills and workflows needed to deliver on the needs of the project How do you balance creative and production needs Learn how to define quality reviews and approvals in a way that empowers creativity and decision making

Hollywood Heroines Laura L. S. Bauer, 2018-12-07 This is a topical resource that provides a comprehensive look at the most influential women in Hollywood cinema across a wide range of occupations rarely found together in a single volume Unlike other anthologies Hollywood Heroines The Most Influential Women in Film History is a hybrid of film history and industry information with an exclusive focus on prominent women This reference work includes more commonly discussed categories of important women in Hollywood film history such as directors and actresses and reaches beyond them to encompass women working as cinematographers casting directors studio heads musical composers and visual and special effects supervisors Dive into interviews with industry legends such as Sherry Lansing the first woman to run major Hollywood studios like 20th Century Fox and Paramount Studios Jodie Foster acclaimed actress and director Zo Bell renowned stuntwoman Donna Gigliotti Academy Award winning producer Vicky Jenson animation director of Shrek Ve Neill makeup artist behind The Hunger Games and Pirates of the Caribbean and a host of other influential women in visual effects editing casting costume cinematography and sound each of whom has left their mark in film history The wide range of filmmaking crafts covered in the book provides an acute view of the industry and increases the visibility of and quality of representation for women working in Hollywood By bringing the experience of these influential women to light Hollywood Heroines joins a growing movement that endeavors to dismantle harmful long standing industry myths that perpetuate the systemic underrepresentation of women and the devaluation of women s stories in the Hollywood film industry

On Animation Ron Diamond, 2019-09-24 Be a fly on the wall as industry leaders Bill Kroyer and Tom Sito take us through insightful face to face interviews revealing in these two volumes the journeys of 23 world class directors as they candidly share their experiences and personal views on the process of making feature animated films The interviews were produced and edited by Ron Diamond Your job is not to be the one with the answers You should be the one that gets the answers That s your job You need to make friends and get to know your crew These folks are your talent your bag of tricks And that s where you re going to find answers to the big problems Andrew Stanton It s hard Yet the pain you go through to get what you need for your film enriches you and it enriches the film Brenda Chapman Frank and Ollie always used to say that great character animation contains movement that is generated by the character s thought process It can t be plain movement John Lasseter The beauty of clay is that it doesn t have to be too polished or too smooth and sophisticated You don t want it to be mechanical and lifeless Nick Park The good thing about animation is that tape is very cheap Let the actor try things This is

where animation gets to play with spontaneity You want to capture that line as it has never been said before And most likely if you asked the actor to do it again he or she just can't repeat that exact performance But you got it Ron Clements **The Art of The Creator** James Mottram,2023-11-14 Dive into the making of The Creator an original science fiction adventure from director Gareth Edwards Rogue One A Star Wars Story Godzilla with this deluxe behind the scenes book Amid a war between humankind and rampant artificial intelligence in the not too distant future Joshua John David Washington is recruited to hunt down and kill the Creator the elusive architect of the advanced AI In his efforts to defeat the AI Joshua discovers that the world ending weapon he's been instructed to destroy is an AI in the form of a young child Featuring commentary from Gareth Edwards and his crew including production designer James Clyne plus the extraordinary cast including John David Washington Gemma Chan Allison Janney and Ken Watanabe this exclusive volume tells the full story of the film's creation Illustrated with stunning visuals from the production of the movie including remarkable concept art that charts the film's evolution this book is the ultimate companion to one of the most original and innovative films of 2023
