Dirty Meredith Maran, 2009-10-13 Venturing into uncharted territory mother and award winning journalist Meredith Maran takes us inside teenagers hearts minds and central nervous systems to explore the causes and consequences of our nation s drug crisis In these pages we get to know the kids the parents the therapists and the drug treatment programs at their best and worst We re face to face with seventeen year old Mike whose life revolves around selling smoking and snorting speed fifteen year old Tristan the boy next door who can t get enough pot pills or vodka and sixteen year old Zalika a runaway crack dealer and prostitute since the age of twelve Combining powerful on the street reporting and groundbreaking research *Dirty* is essential reading for every parent and professional who works with or cares about children or teenagers

Mom, everyone else does! Sharon Hersh, 2010-08-11 Help Your Daughter Resist Peer Pressure Even When You re Not Around A national survey in 2001 indicated that in the U S one fourth of the high school seniors have problems with drugs and alcohol nearly two thirds of teenagers experiment with drugs before finishing high school and fifty six percent of seventeen year olds know at least one drug dealer at school Studies also indicate that when a girl chooses to use substances peer pressure is the biggest reason why Many parents believe the best they can do is to teach their daughters right from wrong and hope for the best But there is more that you can do Because while peer pressure may be the biggest influence for girls who choose to use substances parental involvement is the single most important factor for those who decide not to The dangers of substance abuse can actually bring you and your daughter closer Whether you want to help your daughter resist the overwhelming pressures to drink smoke and use drugs have discovered or suspect that your daughter may be using substances or want to help her develop a strong and positive identity in response to negative peer pressure this book shows how the lure of today s teen party culture puts you in your most powerful position ever to connect with and influence your daughter

Drug Abuse and Society Joan Axelrod-Contrada, 2008 Presents an overview of the use of legal and illegal drugs its history its legal status its impact on society as well as the treatment and prevention of drug abuse

Smoke Signals Martin A. Lee, 2013-08-13 In this book the author an investigative journalist traces the social history of marijuana from its origins to its emergence in the 1960s as a defining force in an ongoing culture war He describes how the illicit marijuana subculture overcame government opposition and morphed into a multibillion dollar industry In 1996 Californians voted to legalize marijuana for medicinal purposes Similar laws have followed in several other states but not without antagonistic responses from federal state and local law enforcement The author draws attention to underreported scientific breakthroughs that are reshaping the therapeutic landscape medical researchers have developed promising treatments for cancer heart disease Alzheimer s diabetes chronic pain and many other conditions that are beyond the reach of conventional cures This book is an examination of the medical recreational scientific and economic dimensions of the world s most controversial plant

Teenage Sex and Pregnancy Mike A. Males, 2010-07-15 This detailed exhaustively documented

account shows how and why just about everyone in today's teen pregnancy debate is wrong often disastrously so Teenage Sex and Pregnancy Modern Myths Unsexy Realities presents a unique view of its subject by analyzing the extensive myths and fears that surround discussion of teenage sex and pregnancy including their relationship to popular culture poverty adult sexual behaviors and anxieties toward the increasingly public roles of young women Award winning author Mike Males argues that today's discussions rely largely on falsehoods and the suppression of crucial realities His work details a new view of popular culture as a largely beneficial feature of teens lives and presents a carefully documented analysis demolishing destructive myths about the new girl Debunking popular arguments he shows that the teen sex debate is mired in interest group talking points that ignore difficult realities to advance politically attuned agendas It's time he writes to modernize the discussion recognizing that teens act in ways consistent with their interests with the sexual behaviors of adults and with the school and job opportunities afforded them

Roar Softly and Carry a Great Lipstick Autumn Stephens, 2011-02-09 The title of this anthology riffs on Teddy Roosevelt's phallogocentric motto Speak softly and carry a big stick Few American women today are interested in cultivating a Teddyesque machismo but in Roar Softly women writers recount witty and poignant tales of modern day survival from finding love and sex as a single mom to overcoming anorexia to adopting a child Not only do their stories offer reassurance that no woman is alone in her struggles but they also suggest better battle strategies more womanly battle strategies if you will for those who shrink from the muscle your way through approach As each essay demonstrates women can overcome the challenges of their lives not only with strength but also with grace Contributors include Anne Lamott Edwidge Danticat Mary Roach Elizabeth Fishel Laura Fraser and Anneli Rufus

Are We Born Racist? Jeremy A. Smith, Jason Marsh, Rodolfo Mendoza-Denton, 2010-10-13 Where do our prejudices come from Why are some people more biased than others Is it possible for individuals and society as a whole to truly defeat prejudice In these pages leading scientists psychologists educators activists and many others offer answers drawing from new scientific discoveries that shed light on why and how our brains form prejudices how racism hurts our health steps we can take to mitigate prejudiced instincts and what a post prejudice society might actually look like Bringing a diverse range of disciplines into conversation for the first time Are We Born Racist offers a straightforward overview of the new science of prejudice and showcases the abundant practical research based steps that can be taken in all areas of our lives to overcome prejudice

The Compassionate Instinct: The Science of Human Goodness Dacher Keltner, Jason Marsh, Jeremy Adam Smith, 2010 Leading scientists and science writers reflect on the life changing perspective changing new science of human goodness Where once science painted humans as self seeking and warlike today scientists of many disciplines are uncovering the deep roots of human goodness At the forefront of this revolution in scientific understanding is the Greater Good Science Center based at the University of California Berkeley The center fuses its cutting edge research with inspiring stories of compassion in action in Greater Good magazine The best of these writings are collected here and contributions from Steven

Pinker Robert Sapolsky Paul Ekman Michael Pollan and the Dalai Lama among others will make you think not only about what it means to be happy and fulfilled but also what it means to lead an ethical and compassionate life **Dirty** Meredith Maran,2005-06-01 Why do teenagers use drugs what happens to them when they do what can we do about it Venturing into uncharted territory Maran takes us inside teenagers hearts minds central nervous systems to explore the causes consequences of our nation s drug crisis In these pages we get to know the kids the parents the therapists the drug treatment programs at their best In their relapses rebounds we witness the anguish resilience of teenagers in trouble a fact of life for far too many American families today Combining powerful on the street reporting groundbreaking research Maran s own story this book is essential reading for every parent professional who works with or cares about children or teenagers
