Student Engagement in Higher Education Stephen John Quaye, Shaun R. Harper, 2014-08-15 Student Engagement in Higher Education fills a longstanding void in the higher education and student affairs literature In the fully revised and updated edition of this important volume the editors and chapter contributors explore how diverse populations of students experience college differently and encounter group specific barriers to success Informed by relevant theories each chapter focuses on engaging a different student population including low income students students of color international students students with disabilities LGBT students religious minority students student athletes homeless students transfer students commuter and part time students adult learners student veterans and graduate students The forward thinking practical strategies offered throughout the book are based on research and the collected professional wisdom of experienced educators and scholars at two year and four year institutions of higher education Current and future faculty administrators and student affairs staff will undoubtedly find this book complete with fresh ideas to reverse troubling engagement trends among various college student populations

Disability in Higher Education Nancy J. Evans, Ellen M. Broido, Kirsten R. Brown, Autumn K. Wilke, 2017-02-15 Create campuses inclusive and supportive of disabled students staff and faculty Disability in Higher Education A Social Justice Approach examines how disability is conceptualized in higher education and ways in which students faculty and staff with disabilities are viewed and served on college campuses Drawing on multiple theoretical frameworks research and experience creating inclusive campuses this text offers a new framework for understanding disability using a social justice lens Many institutions focus solely on legal access and accommodation enabling a system of exclusion and oppression However using principles of universal design social justice and other inclusive practices campus environments can be transformed into more inclusive and equitable settings for all constituents The authors consider the experiences of students faculty and staff with disabilities and offer strategies for addressing ableism within a variety of

settings including classrooms residence halls admissions and orientation student organizations career development and counseling They also expand traditional student affairs understandings of disability issues by including chapters on technology law theory and disability services Using social justice principles the discussion spans the entire college experience of individuals with disabilities and avoids any single issue focus such as physical accessibility or classroom accommodations The book will help readers Consider issues in addition to access and accommodation Use principles of universal design to benefit students and employees in academic cocurricular and employment settings Understand how disability interacts with multiple aspects of identity and experience Despite their best intentions college personnel frequently approach disability from the singular perspective of access to the exclusion of other important issues This book provides strategies for addressing ableism in the assumptions policies and practices organizational structures attitudes and physical structures of higher education Higher Education: Handbook of Theory and Research Michael B. Paulsen, 2016-04-12

Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Each chapter provides a comprehensive review of research findings on a selected topic critiques the research literature in terms of its conceptual and methodological rigor and sets forth an agenda for future research intended to advance knowledge on the chosen topic The Handbook focuses on a comprehensive set of central areas of study in higher education that encompasses the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community Each annual volume contains chapters on such diverse topics as research on college students and faculty organization and administration curriculum and instruction policy diversity issues economics and finance history and philosophy community colleges advances in research methodology and more The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world **Developing and Assessing Personal and Social Responsibility in**

College Robert D. Reason, 2013-12-05 In 2007 wanting to expand higher education's civic engagement conversation the Association of American Colleges and Universities launched the Core Commitments Initiative That initiative focused attention on personal and social responsibility as outcomes of a college education with the understanding that such a focus would return American higher education to its historical purpose of preparing active and engaged citizens Expanding the conversation this way leaves room for behavioral measures like voting or hours spent in community service but also opens our understanding of citizenship to include issues of civic identity civic attitudes personal integrity and ethics This volume explores the research and practice related to the development of personal and social responsibility in college drawing data directly from institutions that were part of the Core Commitments Initiative and providing instructive examples of good practice at both the programmatic and institutional levels This volume is the 164th volume of the Jossey Bass quarterly report series New Directions for Higher Education Addressed to presidents vice presidents deans and other higher education

decision makers on all kinds of campuses it provides timely information and authoritative advice about major issues and administrative problems confronting every institution
