

Protective Behaviours Training Courses offered by PBTP

2 or 3 hour Protective Behaviours workshop

Whets the appetite and gives participants a basic idea of what Protective Behaviours is

I have an overview of the Protective Behaviours Process and may want to attend a 1 or 2 day course to learn more

1 day Introduction to Protective Behaviours

Introduces people to the full Protective Behaviours Process and enables them to begin to consider how they may use it

I have had time to learn about all parts of the Protective Behaviours Process. I am unlikely to be able to make links between parts of the process or put it into practice without resources or support

2 day Foundation Practitioner Protective Behaviours Course

Introduces people to the full Protective Behaviours Process and equips them to use the process with people they live and work with

I understand the Protective Behaviours Process & can see how I can use it in my work

1 or 2 day PB+ course

A bespoke course designed by an experienced PB trainer for a specific staff group who **have completed** Foundation training and would like to develop practice further

I am on my way to being a more expert practitioner in Protective Behaviours and will be able to use the process more competently in my work

4 day Specialist Practitioner Protective Behaviours course

Equips people who **have completed** Foundation training to become a more 'expert' practitioner & a resource for staff trained to use PBs at a more basic level

I've got Protective Behaviours at my fingertips & can use, understand & explain the Process and links between its parts. I am not a trainer but can support staff & design and evaluate resources to ensure PB consistency

Train the Protective Behaviours Trainer

Enables someone trained as a Specialist Practitioner to progress to becoming a Protective Behaviours Trainer

I am being mentored and supported by a very experienced PBTP trainer to become a Protective Behaviours trainer

Approaches for Intellectual and Developmental Disabilities provides an up to date comprehensive assessment of OBM IDD. This edited volume not only provides an overview of the area of OBM IDD it also summarizes the extant literature, offers research to practice recommendations and includes operational strategies for building successful service settings.

Organizational Behavior Management Approaches for Intellectual and Developmental Disabilities synthesizes the published literature and directs practice and research in the areas of assessment and evaluation, training, supervision and performance improvement systems, interventions and organizational development. By providing the most contemporary and effective OBM practices derived from evidence based research findings and recommendations from experienced scientist practitioners, this book is an integral aid for professionals looking to improve different aspects of service delivery. The book is intended principally for professionals within educational, human services and behavioral healthcare settings serving persons with IDD comprised of psychologists, educators, program administrators, organizational consultants, behavior analysts and evaluation specialists. In particular, the book should appeal to practicing behavior analysts who hold the Behavior Analyst Certification Board (BACB) credential and are seeking professional development within OBM as well as academic instructors and researchers, graduate students and trainees completing doctoral internships and post doctoral fellowships.

Handbook of Positive Psychology in Intellectual and Developmental Disabilities Karrie A. Shogren, Michael L. Wehmeyer, Nirbhay N. Singh, 2017-09-21. This handbook examines the wide ranging applications of positive psychology in the field of intellectual and developmental disabilities. It discusses the change in perceptions of disability and the shifting use of traditional deficit based treatments. It presents evidence based approaches and strategies that promote individuals' strengths and capacities and as well as provide supports and services to enhance quality of life. Chapters address medical and psychological aspects in intellectual and developmental disabilities such as mindfulness, motivation, physical well being and self regulation. The book also discusses uses of assessment practices in evaluating interventions and client outcomes. In addition, it explores ways practitioners with positive psychology can focus on what a person is capable of achieving thereby leading to more effective approaches to care and treatment. Topics featured in the Handbook include Translating the quality of life concept into practice, The Casual Agency Theory and its implications for understanding self determination, The Mindfulness Based Individualized Support Plan (MBISP) and its use in providing support to people with intellectual and developmental disabilities, The unique role that friendship plays to people's lives and social well being, Supported Decision Making (SDM) as an alternative to guardianship, A positive psychology approach to aging and retirement. The Handbook of Positive Psychology in Intellectual and Developmental Disabilities is a must have resource for researchers, professors and graduate students as well as clinicians and related professionals in clinical child and school psychology, behavioral therapy, social work, applied behavioral analysis, recreational therapy, occupational therapy, education, speech and language pathology, psychiatry, clinical medicine and nursing.

Disability Training Program Protective Behaviours Introduction

In the digital age, access to information has become easier than ever before. The ability to download Disability Training Program Protective Behaviours has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Disability Training Program Protective Behaviours has opened up a world of possibilities. Downloading Disability Training Program Protective Behaviours provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Disability Training Program Protective Behaviours has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Disability Training Program Protective Behaviours. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Disability Training Program Protective Behaviours. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Disability Training Program Protective Behaviours, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Disability Training Program Protective Behaviours has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
