Disappointment With God Three Questions No One Asks Aloud:

Disappointment with God Philip Yancey, 1988 Is God listening Can he be trusted In this book Yancey tackles the questions caused by a God who doesn't always do what we think he's supposed to do Imagine the God of Heaven John Burke, 2023 Millions of people around the world have reported a near death experience Do they prove the existence of a loving God Never in history until now have we been able to hear from so many people around the world who have been brought back from clinical death Modern medical resuscitation and digital communication have revealed a goldmine of intriguing near death experiences NDEs that show us the character of God John Burke has spent the last three decades studying the commonalities of more than 1000 NDEs His investigative journey started as a skeptical agnostic when his own father was dying from cancer When he first read these eyewitness accounts he couldn't help asking himself Could this be real evidence even possible proof of God's existence John Burke unveils the love story and characteristics of this God of all nations revealed throughout history and in Scripture now illustrated by these thrilling encounters You will realize God's love power compassion friendship and guidance are closer than you could ever imagine And for such a time as this people need to know a loving God is within their reach **Can God Be Trusted?** John G. Stackhouse Jr., 2008-12-30 In a world riddled with disappointment malice and tragedy what rationale do we have for believing in a benevolent God In this book John Stackhouse explores how great thinkers have grappled with this question from Buddha Confucius Augustine Hume and Luther to C S Lewis eventually finding the best answer in the Christian promise of transformation *Can God be Trusted?* John G. Stackhouse, 2000 Why does an all powerful all good God allow evil to happen This book offers a lucid and accessible overview of this intractable problem It presents the reflections of classical and contemporary thinkers and gives clues as to how God governs the cosmos while arguing that a comprehensive explanation is not available Instead it asks whether God can be trusted in spite of evil and suggests why the reply can ultimately be Yes *Grace Gone Wild!* Robert Jeffress, 2013-08-07 Gain a biblical understanding of grace to discover the true freedom of living obediently Amazing grace how sweet the sound we sing For by grace you have been saved by faith we recite We live under grace we preach But do we really understand grace Grace has become a part of the basic vocabulary of every Christian Unfortunately many believers are abusing God's amazing gift of grace They have perverted God's undeserved gift of forgiveness making it a license for immorality self indulgence and minimal involvement in God's kingdom In the process they are robbing themselves of the joy that comes from obedience to God In this provocative book pastor and author Dr Robert Jeffress challenges you to gain a biblical understanding of grace and reveals how good grace can protect your marriage church and relationships from confusion and even abuse Start experiencing the true freedom of living obediently in God's good grace Discover *Grace Gone Wild* **The God Who Trusts** Wm. Curtis Holtzen, 2019-12-10 The Bible resounds with affirmations that God is faithful and trustworthy But might he also exhibit faith and trust Wm Curtis Holtzen contends that because God is a being of relational love and exists

in relationship with humans then God is a God who trusts Holtzen argues that understanding the relationship between divine trust and human faith can give us a fuller truer picture of who God is and who we are **I Beg to Differ** Tim Muehlhoff,2014-02-28 Communications expert Tim Muehlhoff provides a strategy for having difficult conversations helping us move from contentious debate to constructive dialogue Insights from Scripture and communication theory provide practical ways to manage disagreements and resolve conflicts **Imagine the God of Heaven Study Guide** John Burke,2023-12 Millions of people around the world have reported a near death experience Do these accounts prove the existence of a loving God Never in history until now have we been able to hear from so many people around the world who have been brought back from clinical death Modern medical resuscitation and digital communication have revealed a gold mine of intriguing near death experiences NDEs John Burke has spent the last three decades studying the commonalities of more than one thousand NDEs He started his investigative journey as a skeptical agnostic when his own father was dying from cancer After he first read these eyewitness accounts he couldn't help asking himself Could this be real evidence even possible proof of God's existence Imagine the God of Heaven Study Guide is a five session workbook designed to be used with the companion DVD experience sold separately This study guide will introduce you to people from all ethnicities who experience the same loving God Within the five sessions which can be explored with a group or individually John Burke discusses the character traits of this God who has been revealed throughout history and in Scripture God's love power compassion friendship and guidance are closer than you could ever imagine Designed for use with Imagine the God of Heaven book and DVD experience Gratitude Cornelius Plantinga,2024-02-06 Outreach 2025 Resource of the Year Christian Living This worthy meditation on an essential state of being uplifts without sugarcoating Publishers Weekly What is gratitude Where does it come from Why do we need it How does it change us In Gratitude award winning author Cornelius Plantinga explores these questions and more Celebrating the role of gratitude in our lives Plantinga makes the case that it is the very key to understanding our relationships with one another the world around us and God Going deeper than mindfulness and positive psychology Plantinga explores gratitude in a theologically informed and pastorally sensitive way He shows that being grateful to God is not only our righteous duty but also the single best predictor of our well being Gratitude makes us more faithful joyful generous healthy and content While it's easy to focus on the suffering fear and worries that surround us Plantinga places all of that in the larger context of provision abundance and delight empowering readers to experience the deep joy of giving thanks *In Plain Sight* Dr. R. Curtis Royal,2013-02-15 IN PLAIN SIGHT SEARCHING FOR A MORE EXCELLENT WAY addresses the ongoing exodus from western churches Census records remind us there are two to three times more Christians than go to church Interestingly the increase of Christianity in third world countries is remarkable Western churches are suffering a massive dislocation from both society and from Christianity in general What is suggested in this book is exactly the sort of process God enables allows while preparing the next stage of a grand plan in the

drama of human redemption We must search for a more excellent way Tolerant Spirit is paramount in hearing the voice of the Spirit along the spiritual journey IN PLAIN SIGHT extends the sacred conversation to all fellow travelers aspiring to discover or regain their spiritual compasses in being faithful to a true and living God who rules and reigns beyond our many fallible conceptions of divine governance in the world and the interaction of divine initiative and human responsibility The problem of forging a new paradigm in the churches for a new age is a sacred conversation about rethinking divine activity and personal and corporate faithfulness We must become much more intentional about developing a theology of grace which thoroughly encompasses serious crises and problems of all spiritual pilgrims travelers and persons of sincere faith

When You Don't Like Your Story Sharon Jaynes, 2021-01-26 Bestselling author cofounder of Girlfriends in God and writer for Proverbs 31 Ministries Sharon Jaynes reveals the secret to living a better story understanding that the worst parts of our past are the very things God uses most Many people don't like the story God is writing in their lives The mistakes failures tragedies and circumstances outside of our control linger in our minds and hold us back How do we come to grips with the pieces of our stories that we wish weren't there How do we silence the pain of what has been done to us and the shame of what we've allowed to be done through us In When You Don't Like Your Story Bible teacher Sharon Jaynes shows us how God untangles our most painful emotions with the fingers of grace putting his redemption on display In the hardest parts of our narratives we get to see God's greatest work and this changes the ending of our stories As we overcome shame offer forgiveness and use our stories to help others we find freedom from the past and learn to live in the restoration of the present

Divine Frustrations Jason L.

Moore,2023-11-21 The Bible encourages believers to love God with all their hearts Interestingly enough there is no command to like God Is the admonition to like God conspicuously absent due to its inherent difficulty If we are honest we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God However there is a lack of awareness regarding alternative ways to understand such realities Divine Frustrations is an attempt to bridge that gap by providing a balanced engaging approach to revisiting the unpleasant aspects of God s dealings with humanity Drawing on decades of interactions with students atheists critics inmates and church members as well as people from all walks of life Moore offers reflections on both sides of the most common complaints leveled against God Whether you are a believer or a skeptic your approach to various topics will be challenged If you are open to considering alternatives to what you believe as well as new insights into your own views read on **Dangers Men Face, 25th**

Anniversary Edition Jerry White,2023-04-04 Stress work identity anger sexuality Discover the subtle dangers that confront men and learn strategies for safely traveling around them Men face particular peculiar challenges as they move through life Nature nurture and cultural norms conspire to draw men into broken approaches to their work their relationships their spirituality their identity And the pace of life makes it difficult to not be swept along by the brokenness Jerry White takes careful aim at the big dangers and point to ways of managing and mitigating them and experiencing victory Topics include loss of identity career crisis sexual sin Includes a Bible study to help men be more resilient and sure footed as they face these common dangers in everyday life Makes a great discipleship or study resource for mentoring or group use **I'd Like You**

More If You Were More like Me John Ortberg,2017 I d Like You More If You Were More like Me takes on one of life s most important questions How can I get closer to God and other people We were created for deep connections When people have deep connections says John Ortberg they win in life When they don t have deep connections they cannot win in life I d Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections the fact that we re so different Different from God and different from each other The good news is that connectedness is not based on similarity but on shared experiences When one person invites another to share an experience they re connected It can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing somebody And when we share those same experiences with God we get closer to him too God wants to connect with us so much that he sent his son to live as a human being God took on flesh and shared every human experience So we don t have to wonder what a close relationship with God looks like anymore An intimate relationship with God and other people doesn t have to be a cliché it can be a daily way of life **America's Four Gods** Paul Froese,Christopher Bader,2010-10-07 Despite

all the hype surrounding the New Atheism the United States remains one of the most religious nations on Earth In fact 95% of Americans believe in God a level of agreement rarely seen in American life The greatest divisions in America are not between atheists and believers or even between people of different faiths What divides us this groundbreaking book shows is

how we conceive of God and the role He plays in our daily lives America's Four Gods draws on the most wide ranging comprehensive and illuminating survey of American's religious beliefs ever conducted to offer a systematic exploration of how Americans view God Paul Froese and Christopher Bader argue that many of America's most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed Drawing upon original survey data from thousands of Americans and a wealth of in depth interviews from all parts of the country Froese and Bader trace America's cultural and political diversity to its ultimate source differing opinions about God They show that regardless of our religious tradition or lack thereof Americans worship four distinct types of God The Authoritative God who is both engaged in the world and judgmental The Benevolent God who loves and helps us in spite of our failings The Critical God who catalogs our sins but does not punish them at least not in this life and The Distant God who stands apart from the world He created The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life Accessible insightful and filled with the voices of ordinary Americans discussing their most personal religious beliefs America's Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else

God and the Problem of Evil Tolly Kizilos, 2008 God and the Problem of Evil Socratic Dialogues on Theodicy Why does a loving omnipotent God allow evil to exist This question arises when we witness evil or when evil is debated by theists and atheists as they defend or attack faith in God The answer for believers is called a theodicy i.e. justification of God The book explores all the major theodicies proposed by great Christian theologians and others It distills the main points of each Theodicy and presents them in the enlightening and enjoyable way of Socratic dialogues The crime is evil in the world God's power and love are called to question A courtroom investigation is set up where Apologists for theodicies defend God's ways and members of a Truth Commission interrogate them probing for strengths and weaknesses The objective is to offer a primer on Theodicy and make it exciting for the reader In addition the book is presented as a set of scripted dialogues ready to be performed by a few volunteers

Why? Carmen DiCello, 2007-01-01 Nothing so baffles the mind or staggers the soul than the reality and sheer intensity of human suffering How can we explain such widespread malevolence in a world ruled by a benevolent God What is the proper response to such pain and puzzlement Skeptics and believers alike are compelled to ask Why Some have advocated an overly confident and simplistic theodicy while others have retreated to a place of doubt or even unbelief But neither of these options will do Carmen DiCello urges that we reject both unwarranted confidence and outright skepticism favoring an approach in which human knowledge and human ignorance are held in tension Providing a helpful framework for thinking through these issues DiCello balances what we can know with what we can't showing that there is reason enough to believe along with ample cause to rest our hearts and minds in a good sovereign but also mystifying God Why provides spiritual and intellectual guidance for all who are willing to venture into these troubling waters and who desire to emerge

with a realistic faith and a sustaining hope
