Broken and Divided: America and the Church Jocelyn Whitfield,2018-09-28 You may wonder what has happened to the Church's influence in our society today Why does Christ's Church appear weak and impotent Scripture says that we are Christ's Church His Body and the light and salt of the world When we look at our world communities the local church and even our lives the Light of Christ has dimmed People are asking this question Where is Christ's Church Why have we not invaded the world and the churches with the glorious Light of Christ Could it be that we are more interested in everything politics legislative issues profiting our agenda rather than proclaiming the gospel of Jesus Christ making disciples taking on Christ's agenda as ours and living righteous and holy lives Could it be that we are worshipping things and people more than we worship God Could it be that we have neglected the ministry of the Holy Spirit Could it be that we have forgotten our divine purpose and what we have been created for Our purpose is clear We have a mission to fulfill That is to turn this world upside down with the powerful gospel of Jesus Christ and to usher in His Kingdom of grace redemption righteousness love and justice This book identifies some of the hindrances that may have dimmed the light of the Church of Jesus Christ and what we can do reverse these It is also my hope that this book will also remind us that we have been called to be Christ's Ambassadors citizens of His Kingdom and government We are Christ's representatives We have been given a charge to introduce others to the loving grace of Christ then equip them to do the same thereby expanding His Kingdom of righteousness on earth
