**Engaging the Passion** Oliver Larry Yarbrough, 2015-09-01 Engaging the Passion gathers an impressive array of scholars to survey how the death of Jesus has been portrayed and represented in Scripture liturgy and music literature art and film and theology and ethics from the first to the twenty first centuries The contributors approach the passion from a variety of perspectives diversely Christian Jewish Muslim and secular Their voices differ as well from the challenging to the comforting and from the academic to the confessional They address the faithful the skeptical and the curious *The watches of the sacred Passion, with before and after* Peter Gallwey, 1895 **The Hour of the Passion** Compiled and edited by a priest of the English church, 2022-04-06 Reprint of the original first published in 1864 Including in full The daily office for morning and night chiefly after the ancient English use of Salisbury with other devotional forms for private and household use *The Saving Cross of the Suffering Christ* Benjamin R. Wilson, 2016-07-25 What is the place of the cross in the thought of the third evangelist This book seeks to show the central significance of the death of Jesus for Luke's understanding of 1 how salvation is accomplished and 2 what it means for Jesus to be the messiah Whereas previous authors have helpfully attended to individual motifs within Luke's account of the passion this book takes more of a wide angle approach to the topic moving from the very first allusions to Jesus rejection at the beginning of Luke's gospel all the way through to the retrospective references to Jesus death that occur throughout the speeches of Acts By focusing on the inter relationship of the various parts that form the whole of the Lukan portrayal of Jesus death Wilson proposes fresh solutions to several of the intractable exegetical disputes related to the place of the cross in Lukan theology thereby helping to situate Lukan soteriology within the broader context of Jewish and Christian belief and practice in the first century The Theological Intentions of Mark's Literary Devices Dean B. Deppe, 2015-10-22 What sets The Theological Intentions of Mark's Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day The Moral Disciple Kent A. Van Til, 2012-08-13 The ability to judge good from bad right from wrong is a uniquely human characteristic However given the complexity of life it is often difficult to discern which choice to make where our responsibilities lie or what the consequences of an action or of a nonaction will be In The Moral Disciple Kent Van Til surveys the skills and dispositions that we need to address moral issues responsibly This basic introduction to Christian ethics the systematic evaluation of morality highlights the centrality of Christ and the Christian faith in moral

formation and it offers an ethical framework to guide Christians as they engage a host of moral dilemmas including those surrounding wealth sexuality and the end of life Using easy to read prose and defining terms carefully Van Til provides an accessible introduction to this crucial and practical subject The Making of a Mature Disciple Kenneth S. Todd,2017-08-16 Some of the key issues that make up the content of this book are 1 why God expects obedience from his children 2 how acknowledging our sinful nature helps to maintain a right relationship with God 3 being aware of and taming the power of our tongue and 4 how we act out the love of God that shows we are indeed a true believer These issues and several others in this book will help a Christian become the mature Christians that God expects his children to be Slave of All Narry Santos,2003-06-01 The Gospel of Mark is often described as a paradoxical gospel a riddle that teases its readers response and a narrative that possesses an enigmatic and puzzling character Santos argues that this puzzling character is seen clearly in the paradox of authority and servanthood in the gospel In tracing and analyzing this paradox throughout the Markan narrative he first develops a literary method for the study of paradox and having applied the results to authority and servanthood in Mark he discusses key contributions of the paradox to the three Markan issues of the disciples role in the Gospel the Messianic Secret and a profile of the Markan community *the DNA of a Disciple* chad lynn,2010-12-17 The DNA of a Disciple is a book about how to be the type of disciple Jesus intended us to be The book conveys with passion and intensity the shortcomings of modern discipleship and communicates a powerful alternative to seeing lives changed The DNA of a Disciple was never intended to be a how to book Instead the author believes that the Life of Christ is transferred when someone decides to be like Jesus Written in new language and with a new perspective The DNA of a Disciple will challenge you to look at discipleship through a brand new eyes **The Bible in the Works of Thomas More** Germain Marc'hadour,2024-04-08 A full list of Biblical quotes in More with context and occasional comments on sources parallels etc I Old Testament II The Four Gospels III Acts Epistles Apocalypse IV Elements of Synthesis V Indexes Supplements Concordances The print edition is available as a set of five volumes 9789060041079 **Entering the Kingdom of Heaven** Petri Luomanen,1998 Voltaire's disciple Christopher Todd,1972 **A Synopsis of the Gospels** Hedley F. D. Sparks,2000-04-01 The primary purpose of this Synopsis is to enable the student of the gospels without Greek to read through any one of them continuously in English with parallel passages in the other three printed in parallel columns alongside *Passion* Yarbrough, Oliver Larry ,2015-02-01 **The Watches of the Sacred Passion** Peter Gallwey,1896 The Passion of Jesus in the Gospel of Luke Donald Senior,1992 The Passion is the climactic event in each of the gospels These volumes elucidate the passion in its historical background and explore its theological breadth and depth Back cover Reading Minjung Theology in the Twenty-First Century Yung Suk Kim,Jin-Ho Kim,2013-09-16 This edited volume brings Ahn Byung Mu s minjung theology into dialogue with twenty first century readers Ahn Byung Mu was one of the pioneers of Korean minjung theology The centerpiece of his minjung theology is focused on the Greek word ochlos understood as the

**Disciples** Tony Evans, 2017-07-04 Where have all the disciples gone There is a missing force in Christianity today It's a critical one and its absence has led to weak believers disintegrating families ineffective churches and a decaying culture Without it we lack what we need to fully live as heaven's representatives on earth That missing force is discipleship In Kingdom Disciples Tony Evans outlines a simple actionable definition of discipleship to help the church fulfill its calling Readers will learn What a disciple is What a disciple cares about How to be a disciple and make disciples What discipleship looks like in community What the impact of discipleship on the world can be Kingdom disciples are in short supply and the result is a legion of powerless Christians attending powerless churches having a powerless presence in the world The power authority abundance victory and impact God has promised will only come about when we understand and align ourselves with His definition of discipleship Kingdom Disciples calls believers and churches back to our primary divinely ordained responsibility to be disciples and make disciples Only when we take seriously this assignment will the world see heaven at work on earth Will you accept the assignment Kingdom Disciples is useful as base material for a course on discipleship

**The Gospel of Mark in Context** Santiago Guisjarro, 2022-04-14 The short story that we now know as the Gospel according to Mark was written in Greek twenty centuries ago in the context of an agrarian society that had been developing its own characteristics in the circum Mediterranean region Mark's account presupposes the values institutions and relationships of the culture in which Jesus and his first followers lived Modern readers of the Gospels however especially those born and raised in the North Atlantic postindustrial societies have other values and institutions and relate to each other according to other cultural codes This temporal and cultural distance between the ancient texts and their present day readers makes necessary an exegetical effort whose purpose is to recover as far as possible the reading scenarios presupposed by these texts In order to reconstruct these scenarios exegesis has turned in recent years to the social sciences whose models permit us to imagine and describe the situations presupposed by these ancient texts This book aims to show how the use of these scenarios elaborated with the help of the social sciences can contribute to a more considered and respectful reading of Mark's story **Unmanly Men** Brittany E. Wilson, 2015 New Testament scholars typically assume that the men who pervade the pages of Luke's two volumes are models of an implied manliness Scholars rarely question how Lukan men measure up to ancient masculine mores even though masculinity is increasingly becoming a topic of inquiry in the field of New Testament and its related disciplines Drawing especially from gender critical work in classics Brittany Wilson

addresses this lacuna by examining key male characters in Luke Acts in relation to constructions of masculinity in the Greco Roman world Of all Luke s male characters Wilson maintains that four in particular problematize elite masculine norms namely Zechariah the father of John the Baptist the Ethiopian eunuch Paul and above all Jesus She further explains that these men do not protect their bodily boundaries nor do they embody corporeal control two interrelated male gender norms Indeed Zechariah loses his ability to speak the Ethiopian eunuch is castrated Paul loses his ability to see and Jesus is put to death on the cross With these bodily violations Wilson argues Luke points to the all powerful nature of God and in the process reconfigures or refigures men s own claims to power Luke however not only refigures the so called prerogative of male power but he refigures the parameters of power itself According to Luke God provides an alternative construal of power in the figure of Jesus and thus redefines what it means to be masculine Thus for Luke real men look manifestly unmanly Wilson s findings in *Unmanly Men* will shatter long held assumptions in scholarly circles and beyond about gendered interpretations of the New Testament and how they can be used to understand the roles of the Bible s key characters
