Disciplined By His Landlady:

Pennsylvania Journal of Prison Discipline and Philanthropy ,1886 Disciplined by His Landlady H.

Tanhide,2015-08-16 Tom Franklyn an attractive ponytailed guy in his late 30 s is an Engineering Operations Manager who has recently been transferred to another of his employers locations which means he s on the lookout for a place nearer to where he ll be working Naturally his firm will cover his moving expenses and recommended a particular letting agent to assist in his search for a suitable property to rent Cue Becky Stuart a very attractive blonde haired woman in her early 30 s highly experienced in finding places to her clients specifications no matter how long it takes she s persistent charming and won t give up easily After a couple of weeks searching Becky finds the perfect property for Tom but they also find an attraction to one another that blossoms very quickly into a relationship that feeds both their desires for obedience and discipline in their lives she likes to dominate men whilst he prefers to be dominated by a woman and it doesn t take long before their appetites are fed from the things they love the most Once she realises that Tom wants her to be in charge of their relationship Becky takes full advantage of the situation steering her new toy through a series of challenges to test his loyalty and obedience to her whims tasks that Tom isn t used to but which he performs all the same if it makes his mistress happy What he doesn t realise at first is that these are the very things he s always wanted and it s only after doing them that his reservations are quashed There are some surprises along the way but these too are mere tests to see if Tom really is the right man for Becky **The Curate's Discipline** Elizabeth Eiloart,1867 A Discipline on Foot Alan Christy,2012-08-17

Exploring the fundamental question of how a new discipline comes into being this groundbreaking book tells the story of the emergence of native ethnology in Imperial Japan a one nation social science devoted to the study of the Japanese people Roughly corresponding to folklore studies or ethnography in the West this social science was developed outside the academy over the first half of the twentieth century by a diverse group of intellectuals local dignitaries and hobbyists Alan Christy traces the paths of the distinctive individuals who founded minzokugaku how theory and practice developed and how many previously unknown figures contributed to the growth of the discipline Despite its humble beginnings native ethnology today is a fixture in Japanese intellectual life offering arguments and evidence about the popular as opposed to elite foundations of Japanese culture Speaking directly to fundamental questions in anthropology this authoritative and engaging book will become a standard not only for the field of native ethnology but also as a major work in broader modern Japanese cultural and intellectual history *The Journal of Prison Discipline and Philanthropy* ,1886 The Curate's Discipline Mrs. Eiloart (Elizabeth),1867

The Pennsylvania Journal of Prison Discipline and Philanthropy ,1850 **Punished by His Love** Suzie, She was a destitute woman whose life was dependent on others She was forced to be a scapegoat and traded herself which resulted in her pregnancy He considered that she was the ultimate embodiment of evil as she was greed and deceitful She tried all her efforts to win his heart but failed Her departure made him so furious that he searched through the ends of the

world and managed to recapture her The whole city knew that she would be shredded into a million pieces She asked him in desperation I left our marriage with nothing so why won't you let me go In a domineering tone he answered You've stolen my heart and given birth to my child and you wish to escape from me **Eleanor's discipline** Janet Brown,1892 *Discipline* Olivia Murphy,2018-03-14 *Discipline* the second novel by the Scottish writer Mary Brunton 1778-1818 was published in 1814 While less well known than its predecessor *Self Control* 1811 it is nonetheless equally deserving of a central place in the canon of Romantic era fiction A wide ranging novel it shares many themes with contemporary fiction such as women's difficulties in earning money and the horror of being falsely imprisoned in an insane asylum However it is *Discipline*'s innovative attempt at psychological realism that sets it apart from its contemporaries Through the moral growth of its heroine Ellen Percy *Discipline* insists on women's self-determination and their ability to become rational agents in a world that treats them as objects merely of desire or contempt This edition is edited by Olivia Murphy who has added careful editorial notes and an insightful new introduction to the text *A Thematic Exploration of Twentieth-Century Western Literature* Jiang Chengyong,Wu Yuesu,Shi Yongxia,Gao Maohua,Wang Yiping,2021-12-28 The twentieth century witnessed dramatic changes in terms of the structure of society economics politics science and technology driving a change in Western literature from traditional to modern old value systems were shattered writing approaches and aesthetics changed writers began to explore the psychological world and expand the discussion of humankind and modern civilization This title takes classic literature by European and American authors of the twentieth century as research objects in order to comprehensively explore their thoughts values aesthetics and narratives Six major themes are used as units for analysis existential meaning self-identity war and human nature growing confusion love and marriage and anti-utopia The authors argue that the six themes extend the themes of traditional literature and epitomize the unique characteristics of twentieth century Western literature The book will be of interest to students and scholars of literature especially Western literature and twentieth century literature **Discipline: a novel. By the author of "Self-control" i.e. Mary Brunton . Third edition** Mary BRUNTON (Novelist),1832 *The Eagle Magazine* ,1919 *Public Drinking in the Early Modern World Vol 3* Thomas E Brennan,B Ann Tlusty,Beat Kumin,David Hancock,Michelle McDonald,2024-08-01 This four volume reset edition presents a wide ranging collection of primary sources which uncover the language and behaviour of local and state authorities of peasants and town dwellers and of drinking companions and irate wives *Discipline* Mary Brunton,1832 *Weatherley Parade* Richmal Crompton,2017-04-20 *Weatherley Parade* is the compelling saga of the lives and loves of the Weatherley family spanning the years 1902 to 1940 The story begins with Arthur Weatherley returning tired and broken from the Boer War to his wife and three children and closes with his grandchildren facing the Battle of Britain In the years between are births and death public triumphs and private tragedies all wrought against a backdrop of British history As the Weatherley's lives are marked by infidelity alcoholism and scandal Edwardian England fades into the First World War and

the young men and women damaged by war and caught in the wake of a rapidly changing society strive for a future in the shadow of the rise of Nazi Germany A sumptuous multi generational saga and immaculately rendered period piece Weatherley Parade s sprawling cast of children and eccentrics is full of all the charm and character of Just William **The Dictionary Historical and Critical of Mr. Peter Bayle** Pierre Bayle,1737 Wilberforce H. S. Cross,2015-09-15 At St Stephen s Academy the students are on the verge of revolt While the younger boys plot an insurrection the older ones are preoccupied with sneaking out of bounds thrashing each other tearing each other s clothes off or some combination of the three Morgan Wilberforce for one can t take it any longer Everything Wilberforce touches turns to disaster in his desperate attempts to fight off desire boredom and angst He knocks himself unconscious tackling the unattainable Spaulding on the rugby pitch his headmaster detests him for crimes committed years ago and even his closest friends are subjecting him to physical tortures normally reserved for juniors When an accident at the boarding school leaves him with more suffering than he could have fathomed he finds himself alone and adrift And the workaday charms of cricket practice Victorian pornography canings from classmates and fumbling with the pub keeper s daughter can only do so much to mend a broken body and a restless heart Stylishly inventive H S Cross has crafted an imaginative ritualistic world of men and boys narrowly confined by tradition and authority Wilberforce is an indelible portrait of a young man caught between lust and cruelty grief and God frustrated love and abject longing and a tour de force that heralds the arrival of a brilliant new novelist **The Phoney War on the Home Front** E. S. Turner,2012-04-17 One of the strangest periods in the social history of Britain was that of the Phoney War of 1939 40 when the nation did not know quite whether it was at war or peace E S Turner s marvellous study first published in 1961 offers a none too reverent account of how Britons tried to adjust themselves to the uncertainties of those days What was a woman to do if the air raid siren sounded while she was curling her hair Were the police required to open fire through jewellers windows at un extinguished light bulbs What was more patriotic to buy War Bonds or to drink as much whisky as possible Turner further explores the difficulties posed by blackouts to private detectives and prostitutes the impact of the moment upon morals and on fashions and the bureaucracy s blundering seizure of the nation s spa hotels The story is carried entertainingly all the way to the Blitz the darkening moment at which Britain realized there was indeed a war on **Punished and Pardoned; Or, How Does it End? A Tale of the Nineteenth Century** Mrs. Alexander S. Orr,1873
