**Counting the Cost** Art Lindsley, 2017-08-08 If Christians want to accelerate the world's transition out of abject poverty they need to examine the role of capitalism Counting the Cost helps readers begin with the truth of Scripture It then relies on the economic realities that come from our God-given design as the foundation for enabling readers to think critically about capitalism We live in an unprecedented time in human history The number of people living in abject poverty is decreasing at an unprecedented rate Capitalism has played a major role in lifting people out of such poverty yet many raise legitimate concerns Does capitalism hurt the poor Promote materialism Harm the environment Allow the rich to get richer at the expense of everyone else Is capitalism really the best system for organizing societies and the economies that keep them running This edited volume of articles by noted economists and theologians takes an honest and empathetic look at capitalism and its critiques from a biblical perspective

*The Burden of Baggage* Roy Oksnevad, 2019-03-15 Overcoming Cultural Baggage One Generation at a Time This uncommon resource targets a little discussed but highly prevalent challenge that first generation churches face Specifically The Burden of Baggage explores how cultural upbringing can be both a strength and a weakness as it impacts expressions of church life as seen in the personal interpersonal family leadership styles and spiritual walk Every person coming to Christ has baggage but a first generation believer especially one coming from a background with little or no connection to Christianity has an uncommon amount of cultural baggage that they bring with them This book tackles common issues and sees specific examples played out in the Iranian church as a prime example of these challenges While the book focuses on Muslim background believers from Iran it has transferable insight for Other background believers from any oppressive regime and therefore is highly encouraging in the universality of the struggle that new believers face as they draw near to Christ Readers will walk away knowing they are not alone in their struggles as they deal with gut wrenching issues that often aren't able to be solved in one generation and yet gain hope from the redemptive stories within

*The Reformation Manifesto* Cindy Jacobs, C. Wagner, 2009-02 Bestselling author Cindy Jacobs calls individuals and the church to a new reformation that will transform communities and the nations

**The Missing Church** Robert H. Baldwin, 2010-08 Are

you working harder at church these days but enjoying it less Are you wondering why amid so much Christian church activity American life seems to be angrier and more fragmented and stressful Why isn't the Body of Christ more powerful in shaping culture Galen Blom and Bob Baldwin take a fresh approach to these questions in *The Missing Church The Power of Being the Body of Christ in the Family Neighborhood and Workplace* and the answer is profoundly simple the church has little influence on our society because it is missing from the people groups that actually exercise dominion in our culture our families our local neighborhoods our places of work and our schools But how can the church be present in the family and in a suburban neighborhood And isn't it illegal for Christians to be the church at work or at school Blom and Baldwin trace God's plan for human society from Genesis through the New Testament His Word has much to say about what Christians are to be together as Christ's Body within these strategic people groups The good news is God's call is not something additional we have to add to our already busy lives It is simply a call to live in community that adds wholeness and meaning to every part of life Let *The Missing Church* help you see church in a new way *A New Vision, a New Heart, a Renewed Call* David Claydon, 2005
