Discourse And Politeness Ambivalent Face In Japanese Naomi Geyer:

Discourse and Politeness Naomi Geyer, 2008-01-06 *Discourse and Politeness* examines Japanese institutional discourse and attempts to clarify the relationship between politeness facework and speaker identity. The book seeks to establish an empirically grounded analysis of facework as the basis for evaluating politeness and describes facework in delicate situations such as disagreement, teasing, and talking about troubles, which have rarely been discussed in politeness studies. Insightful and cutting edge, this research monograph will be of interest to researchers in discourse analysis, sociolinguistics, and Japanese language.

The Cambridge Handbook of Japanese Linguistics Yoko Hasegawa, 2018-04-19 The linguistic study of Japanese with its rich syntactic and phonological structure, complex writing system, and diverse sociohistorical context is a rapidly growing research area. This book, designed to serve as a concise reference for researchers interested in the Japanese language and in typological studies of language in general, explores diverse characteristics of Japanese that are particularly intriguing when compared with English and other European languages. It pays equal attention to the theoretical aspects and empirical phenomena from theory-neutral perspectives and presents necessary theoretical terms in clear and easy language. It consists of five thematic parts including sound system and lexicon, grammatical foundation and constructions, and pragmatics. Sociolinguistics topics with chapters that survey critical discussions arising in Japanese linguistics. *The Cambridge Handbook of Japanese Linguistics* will be welcomed by general linguists and students and scholars working in linguistic typology, Japanese language, Japanese linguistics, and Asian Studies.

Interpersonal Pragmatics Miriam A. Locher, Sage L. Graham, 2010 This new landmark series of thirteen self-contained handbooks provides a comprehensive and up-to-date overview of the entire field of pragmatics. It is based on a wide conception of pragmatics as the study of intentional human interaction in social and cultural contexts. The series reflects, appraises, and structures a field that is exceptionally vast, unusually heterogeneous, and still rapidly expanding. In-depth articles by leading experts from around the world discuss the foundations, major theories, and most recent developments of pragmatics, including philosophical, sociocultural, and cognitive, as well as methodological, contrastive, and diachronic perspectives.

The Handbook of Intercultural Discourse and Communication Christina Bratt Paulston, Scott F. Kiesling, Elizabeth S. Rangel, 2014-09-15 *The Handbook of Intercultural Discourse and Communication* Intercultural discourse and communication is emerging as an important area of research in a highly globalized and connected world where language and culture contact is frequent and cultural misunderstandings and misconceptions abound. The handbook contains contributions from established scholars and up-and-coming researchers from a range of subfields to survey the theoretical perspectives and applied work in this burgeoning area of linguistics. This timely volume features first a part that introduces the background, detailing the scope and topics of the field, followed by one that describes four different theoretical approaches and their basic research questions from *Ethnography of Speaking* and John Gumperz's *Interactional Sociolinguistics* to *Critical Approaches and Postmodernism*.

The third part Interactional Discourse Features describes and explains the features of talk that are frequently studied in cross cultural research such as turn taking and politeness The volume also includes a section on Interactional Discourse sites examining cross cultural communication such as Greek Turkish discourse The final part considers a variety of domains in which interaction takes place such as Translation Business Law Medicine Education and Religion Japanese at Work Haruko Minegishi Cook, Janet S. Shibamoto-Smith, 2018-04-06 This book empirically explores how different linguistic resources are utilized to achieve appropriate workplace role inhabitation and to achieve work oriented communicative ends in a variety of workplaces in Japan Appropriate role inhabitation is seen to include considerations of gender and interpersonal familiarity along with speaker orientation to normative structures for marking power and politeness This uniquely researched edited collection will appeal to scholars of workplace discourse and Japanese sociolinguistics as well as Japanese language instructors and adult learners of Japanese It is sure to make a major contribution to the cross linguistic cultural study of workplace discourse in the globalized context of the twenty first century **Routledge Handbook of Japanese**

Sociolinguistics Patrick Heinrich, Yumiko Ohara, 2019-06-05 Presenting new approaches and results previously inaccessible in English the Routledge Handbook of Japanese Sociolinguistics provides an insight into the language and society of contemporary Japan from a fresh perspective While it was once believed that Japan was a linguistically homogenous country research over the past two decades has shown Japan to be a multilingual and sociolinguistically diversifying country Building on this approach the contributors to this handbook take this further combining Japanese and western approaches alike and producing research which is relevant to twenty first century societies Organised into five parts the sections covered include The languages and language varieties of Japan The multilingual ecology Variation style and interaction Language problems and language planning Research overviews With contributions from across the field of Japanese sociolinguistics this handbook will prove very useful for students and scholars of Japanese Studies as well as sociolinguists more generally

Pragmatics of Japanese Mutsuko Endo Hudson, Yoshiko Matsumoto, Junko Mori, 2018-04-15 Bringing together the latest studies on Japanese pragmatics this edited volume showcases the breadth of research conducted in this ever expanding interdisciplinary field with the introductory chapter providing a useful summary of developments in the field in the past decades The twelve chapters address a variety of traditional and emerging topics by adopting diverse theoretical and methodological frameworks and presenting a range of perspectives on grammar interaction and culture They demonstrate a wide scope of pragmatics research informed by as well as informing usage based grammar cognitive linguistics conversation analysis sociolinguistics linguistic anthropology and literary and cultural studies Chapters also consider future directions as to how the study of Japanese language in use will continue to offer critical data and analyses to the field dominated by the study of English and other European languages This volume is certain to be of interest to students and scholars engaged in pragmatics in general and the Japanese language in particular **Handbook of Japanese Sociolinguistics** Yoshiyuki

Asahi, Mayumi Usami, Fumio Inoue, 2022-04-04 This volume is the first comprehensive survey of the sociolinguistic studies on Japanese. Japanese like other languages has developed a highly diverse linguistic system that is realized as variation shaped by interactions of linguistic and social factors. This volume primarily focuses on both classic and current topics of sociolinguistics that were first studied in Western languages and then subsequently examined in the Japanese language. The topics in this volume cover major issues in sociolinguistics that also characterize sociolinguistic features of Japanese. Such topics as gender honorifics and politeness are particularly pertinent to Japanese as is well known in general sociolinguistics. At the same time this volume includes studies on other topics such as social stratification, discourse contact and language policy which have been widely conducted in the Japanese context. In addition this volume introduces domestic approaches to sociolinguistics developed in Japan. They emerged a few decades before the development of the so called Labovian and Hymesian sociolinguistics in the US and they have shaped a unique development of sociolinguistic studies in Japan.

Contents

Part I History Chapter 1 Research methodology Florian Coulmas Chapter 2 Japan and the international sociolinguistic community Yoshiyuki Asahi and J K Chambers Chapter 3 Language life Takehiro Shioda

Part II Sociolinguistic patterns Chapter 4 Style, prestige and salience in language change in progress Fumio Inoue Chapter 5 Group language Shindō Taro Nakanishi Chapter 6 Male female differences in Japanese Yoshimitsu Ozaki

Understanding Politeness

Dániel Z. Kádár, Michael Haugh, 2013-08-29 Politeness is key to all of our relationships and plays a fundamental part in the way we communicate with each other and the way we define ourselves. It is not limited only to conventional aspects of linguistic etiquette but encompasses all types of interpersonal behaviour through which we explore and maintain our relationships. This groundbreaking exploration navigates the reader through this fascinating area and introduces them to a

variety of new insights The book is divided into three parts and is based on an innovative framework which relies on the concepts of social practice time and space In this multidisciplinary approach the authors capture a range of user and observer understandings and provide a variety of examples from different languages and cultures With its reader friendly style carefully constructed exercises and useful glossary Understanding Politeness will be welcomed by both researchers and postgraduate students working on politeness pragmatics and sociolinguistics more broadly *Language and Culture at Work* Stephanie Schnurr, Olga Zayts, 2017-01-20 This book provides an overview of the complex role that culture plays in workplace contexts In eight chapters the authors cover the core aspects of culture at work from making decisions and negotiating power to gender and identity Drawing on insights from a range of studies they propose a new integrated framework for researching culture at work from a sociolinguistic perspective and they apply it to the significant corpus of authentic workplace data they have collected from numerous settings in the UK Hong Kong and New Zealand This is key reading for researchers and recommended for advanced students of workplace and intercultural communication sociolinguistics and discourse studies **Care Communication** Peter Backhaus, 2017-03-27 This book studies communication in institutional eldercare It is based on audio recorded interactions between residents and staff in a Japanese care facility The focus is on the morning care routines which include getting the residents out of bed and ready for the day Combining quantitative and qualitative methods the analysis explores the characteristics of care communication as they become manifest in the interactional small print Topics include the use of terms of address and formal speech the basic organisation of openings and closings the difficulties of talking while working and at times working while talking and tempo differences between residents and staff as they move along between bed and breakfast The research findings are contextualised with results from previous studies tracing significant features and explanation for deviant cases The author is a trained linguist and certified nursing assistant with first hand working experience in institutional eldercare **The Social Life of the Japanese Language** Shigeko Okamoto, Janet S. Shibamoto-Smith, 2016-08-04 This book focuses on the historical construction of language norms and its relationship to actual language use in contemporary Japan Leadership, Discourse, and Ethnicity Janet Holmes, Meredith Marra, Bernadette Vine, 2011-12-05 This is the first book in the field of workplace discourse to examine the relationships among leadership ethnicity and language use Taking a social constructionist approach to the ways in which leadership is enacted through discourse Leadership Discourse and Ethnicity problematizes the concept of ethnicity and demonstrates the importance of context particularly the community of practice in determining what counts as relevant in the analysis of ethnicity The authors analyse everyday workplace interactions supplemented by interview data to examine the ways in which workplace leaders use language to achieve their transactional and relational goals in contrasting ethnicized contexts two of which are Maori and two European Pakeha Their analysis pays special attention to the roles of ethnic values beliefs and orientations in talk Pragmatic Competence Naoko Taguchi, 2009-09-04 In the disciplines

of applied linguistics and second language acquisition SLA the study of pragmatic competence has been driven by several fundamental questions What does it mean to become pragmatically competent in a second language L2 How can we examine pragmatic competence to make inference of its development among L2 learners In what ways do research findings inform teaching and assessment of pragmatic competence This book explores these key issues in Japanese as a second foreign language The book has three sections The first section offers a general overview and historical sketch of the study of Japanese pragmatics and its influence on Japanese pedagogy and curriculum The overview chapter is followed by eight empirical findings each dealing with phenomena that are significant in Japanese pragmatics They target selected features of Japanese pragmatics and investigate the learners use of them as an indicator of their pragmatic competence The target pragmatic features are wide ranging among them honorifics speech style sentence final particles speech acts of various types and indirect expressions Each study explicitly prompts the connection between pragmalinguistics linguistic forms available to perform language functions and sociopragmatics norms that determine appropriate use of the forms in Japanese By documenting the understanding and use of them among learners of Japanese spanning multiple levels and time durations this book offers insight about the nature and development of pragmatic competence as well as implications for the learning and teaching of Japanese pragmatics The last section presents a critical reflection on the eight empirical papers and prompts a discussion of the practice of Japanese pragmatics research Bridging the Humor Barrier Anne Pomerantz, 2020-02-18

Humor competence in the target language is an overlooked tool for English language learners to communicate confidently and proficiently in English In this innovative edited collection language teachers and researchers from around the globe share their latest research on helping learners to overcome the humor barrier **Learner Narratives of Translingual Identities** Patrick Kiernan, 2018-08-16 This book addresses translingual identities through an innovative multimodal analysis of the language learning histories of a class of advanced learners of English in Japan who grew up between two or more languages The author explores both the translingual experiences of those in the classroom and how they use language and gesture when describing their experiences to each other This approach uses three perspectives it looks at the worlds and identities the interviewees construct for themselves at their interpersonal communication and at the way they frame their experience Finally it offers some lessons based on the observations of the class which reveal the values they share and the key to their success as language learners It will appeal to applied linguistic and educational researchers particularly those with an interest in narrative approaches to exploring educational contexts as well as language educators and policy makers interested in gaining a learner perspective on language learning **Studies in Comparative Pragmatics** Juhani Härmä, Hartmut E. H. Lenk, Begoña Sanromán, 2019-10-24 In the current discourse in pragmatics multi perspective methods are seen as the best way to understand language use in context Within this discussion the volume adopts diverse approaches to pragmatics and focuses on comparing a wide selection of languages including English Estonian Finnish French German

Japanese Polish and Swedish The contributions deal with grammatical expressions prosody textual genres and speech acts which occur in different social interactions and in multicultural environments including foreign language learning and lingua franca situations Each topic is analysed by comparing its usage in at least two different languages or by contrasting the linguistic behaviour of different groups of language users **Mock Politeness in English and Italian** Charlotte

Taylor,2016-10-06 This volume presents an in depth analysis of mock politeness bringing together research from different academic fields and investigating a range of first order metapragmatic labels for mock politeness in British English and Italian It is the first book length theorisation and detailed description of mock politeness and as such contributes to the growing field of impoliteness The approach taken is methodologically innovative because it takes a first order metalanguage approach basing the analysis on behaviours which participants themselves have identified as impolite Furthermore it exploits the affordances of corpus pragmatics a rapidly developing field Mock Politeness in English and Italian A corpus assisted metalanguage analysis will be of interest to scholars and postgraduate students researching im politeness and verbal aggression in particular those interested in im politeness implicatures and non conventional meanings Discursive

Approaches to Politeness Linguistic Politeness Research Group,2011-06-30 This collection of essays by the Linguistic Politeness Research Group represents the results of over a decade of the group s research discussions seminars and conferences on the subject of linguistic politeness The volume brings together cutting edge essays reflecting the range of discursive approaches to the analysis of politeness and impoliteness **Learning and Using Conversational Humor in a Second Language During Study Abroad** Rachel Shively,2018-06-11 This book examines the use of conversational humor in a second language in the context of study abroad Using a longitudinal design naturalistic interactions and a language socialization framework the study investigates the ways in which study abroad students develop in their production of humor in second language Spanish and discusses how those developments are the result of language learning processes grounded in social interaction
