having a human experience This book is co authored by her subparts which have full reign to write and comment on subject matter of their interest The techniques sprinkled throughout this book promote mind body healing through integration of the mind body spirit     **The Discovery of Spiritual Chivalry** Todd Greene,2019-11-29 Higher forms of chivalry are waiting to be born in persons of all faiths ages genders ethnicities and social backgrounds Blending theological and social scientific perspectives Dr Todd Greene offers the compelling argument that the human spirit is inherently chivalrous Dr Greene believes persons need to journey courageously however for their chivalrous spiritual qualities to develop In this book he has assembled a field guide for such journeys Dr Greene addresses spirit soul and ego differences healing and transcendence of traumas transformations of shadows true selves vs false selves and pitfalls common to modern societies Trails blazed by this book can be of immense assistance to those wishing to heal recover change or grow towards noble spiritedness     The Face of the Iguana Patrick J. McKallick,2018-05-28 In The Face of the Iguana Patrick McKallick tells the dramatic stories of how fear based beliefs both cultish and religious affected his life emotionally physically and mentally and his eventual healing This book is not just for all those abused by toxic belief systems but also those recovering from addictions The author relates touching stories of his painful abandonment by his troubled parents and his final internment in an orphanage He tells dramatic and amusing anecdotes that preserved his sanity and the utter desperation of his cunning and miraculous escape from a toxic doomsday cult We are taken on a journey of events as varied as hiding under the bed from his raging alcoholic father to descending into the depths of a 16th century churchs crypt where he gazed upon piles of human bones the shock of which catapulted him unconsciously into a dark and ominous pit We faithfully follow him as he describes the conclusion of the war in El Salvador and the mass fear and terror of the citizens of that country to the comical circling of a vintage ocean liner in a beat up fishing boat with an old lady a fisherman and two young kids This is not just a compilation of interesting stories but clear guidance for anyone recovering from addictions including to fear based belief systems and the ensuing guilt and anxiety The author expertly provides revelations and insights into why we seek out toxic beliefs Mr McKallick reveals how his investigation of a surprising and astonishing field led to his incredible healing and liberation from the effects of PTSD The author learnedly introduces evidential research that mitigated his anxiety due to abusive belief systems and the fear of death He describes the ensuing collapse of this fear and the promise of an astonishingly beautiful after life     *Giving Christianity Back to Agape Love* Matthew Carriker,2022-05-09 How could a church that has been plagued by anti Semitism the killing of the Crusades and the violence of the Inquisition to name a few be redeemed of these evils Quite simply it has always returned to Jesus When you return to Jesus you return to the heart of his message agape Agape is a Greek word in the New Testament referring to a love that is without limits and beyond conditions Agape is the love that God has for us and that we are called to have towards one another This book centers around this one assumption God loves us unconditionally Our task individually and as communities is to be instruments of that love This book reenvisions traditional Christian beliefs

including sin the Bible salvation homosexuality pluralism Jesus and atonement theology through the lens of agape love What would the Christian life look like if we embodied the good news in community as contemplatives in action In a time when churches are dying and failing giving Christianity back to agape love has the power to bring life into a religion that feels old worn out and over institutionalized To return Christianity to Jesus is to give the church universal back to a love that is boundless free and unconditional to a love that finds its heart in service peacemaking and radical transformation to a love that will set the world on fire
