Completely His Shannon Ethridge, 2010-02-09 Let your soul be stirred by an extraordinary love. What would it be like to know without even a glimmer of doubt that you are loved truly, passionately, deeply, just as you are? Can you imagine your heart being completely entwined with one whose every word to you reveals tender affection? When an unimaginable accident forced then sixteen-year-old Shannon Ethridge to consider if such an intimate, meaningful soul connection was even possible, she discovered this incredible truth: The Creator of the universe woos and pursues you with unimaginable passion. He longs for you to be completely His. As she reveals for the first time ever in print the details of her dramatic face-to-face encounter with the Lover of her soul, Shannon points the way toward a satisfying, vibrant relationship with Jesus. *Completely His* and the companion devotionals in the *Loving Jesus Without Limits* series combine practical insights with powerful personal stories from women just like you to help you embrace your true worth and lead you into a life of greater joy and purpose than you've ever thought possible. As you catch a glimpse of Christ's unfathomable love, your own spiritual passion will be awakened, and you'll be inspired to embrace your role as His bride fully and completely His without limits. Why settle for less than the lavish love relationship you're designed to enjoy?

Who Are You? Kevin McKinney D.Min, 2019-08-09 Identity is an issue for both Christian and non-Christians alike in that they look virtually the same. Our societies imply that if you have or possess a certain item, so you are able to do what you need to do, all so you can possibly be who you are. This is not the biblical example of Jesus and God's original intention. Part of the issue is that some churches, evangelists, and Bible teachers are singularly focused upon the broken image of Adam and Eve. They rush to the story of the fall of humanity to prove the point that we are fatally broken, flawed, and are in need of a savior. There we stay, presented with a corrupted, broken, and distorted image of what humanity is. Without knowing who we were supposed to be, we will have no idea of what we are aiming for. How then can we carry out the commands of Jesus (Matthew 10:7-8, 28:19-20; Luke 16:15) or the proclamations of Luke 4:18-19 or Isaiah 61:1-2 without knowing who we are? The purpose of this book is to help you begin to see what it was and who it is that you are.
