Dumfries Through Time Allan Devlin, Mary Smith, 2015-08-15 This fascinating selection of photographs traces some of the many ways in which Dumfries has changed and developed over the last century *Castle Douglas Through Time* Mary Smith, Allan Devlin, 2017-03-15 This fascinating selection of photographs shows how Castle Douglas has changed and developed over the last century **The History of the Suffering of the Church of Scotland from the Restoration to the Revolution** Robert Wodrow, 1832 *The History of the Sufferings of the Church of Scotland from the Restoration to the Revolution* Robert Wodrow, 1830 A Slice Through Time M.G.L. Baillie, 2012-10-12 The dramatic development of European oak chronologies over the last ten years parallels and supplements the bristlecone pine chronology in the United States Dendrochronologists can now provide a wood sample a time capsule of biological material for any calendar date over the last seven millennia from two continents For archaeologists resigned to the imprecision of radiocarbon dating the implications are profound For the first time it is possible to establish precise dates for prehistoric events Similarly we have an independent and scientifically objective way of testing historical accounts such as the traditional Egyptian chronology Equally fundamental are the insights provided by the related disciplines of dendroecology and dendroclimatology The Bronze Age eruption of Santorini and the AD 540 event are explored as fascinating case studies Drawing on a further decade of research by himself and others Mike Baillie not only brings the pre 1980 story up to date but demonstrates the wide and exciting applications of this comparatively new science *The History of Witchcraft in Europe Throughout the Ages* John Ashton, William Godwin, Howard Williams, Frederick George Lee, Walter Scott, Jules Michelet, M. The lives of Scottish farmers Jim and Joey Rutherford spanned most of the twentieth century and encompassed great social and economic change. In this memoir their daughter and author Anne Ewing provides a testament to her parents' steadfastness to each other and to their family and friends. With humorous anecdotes, rich details, and images, *Leaving the Land* shares the heritage of the Rutherfords who were born during the First World War and married during the Second. From a very modest start, they built up their farming business over thirty-five years, always with an adventurous and enterprising approach. Their personalities combined the thrift and work ethic typical of their generation with an openness of mind, generosity of spirit, and sense of humour not always associated with the Scottish character. Not only does *Leaving the Land* communicate one family's legacy but also provides insight into Scottish history and gives commentary on signs of the times, such as the socioeconomic trends, the shift from rural to urban living, and the effects of two world wars and the Great Depression. It also serves as a remembrance of lives well lived in a time and place that will soon exist in memory only. Official Catalogue of the Scottish History and Archaeology Section, 1901.
