Nate Carter left Australia's elite SASR unit after a tragic accident. Shattered by the experience, he thought taking a job in the States might be a good way to start over. His father's former employer, McKay Taggart, has a position for him in the bodyguard unit. He never imagined himself risking his life for celebrities and the wealthy, but it will do for now. It will also give him a chance to reconnect with old friends, including the girl who'd been like a little sis to him ten years before. These days, however, his feelings for Daisy O'Donnell are anything but brotherly. The Bombshell Daisy O'Donnell is a girl on a mission, and it does not include falling for one of her brother's best friends. She has plans, and while chaos always seems to follow her, she's determined to see this through. Daisy finds herself in need of a bodyguard when a job goes terribly wrong. She's sure her dad will find someone suitable, but she didn't expect a big, gloriously masculine Aussie to show up ready to take a bullet for her. Maybe spending some time with Nate Carter won't be so bad after all. An explosive match. Thrown together by danger, Nate and Daisy can't resist the insane chemistry between them. But when his past and her present collide, they must decide if they can hold it together or go their separate ways forever.

Treasured: A Masters and Mercenaries Novella Lexi Blake, 2021-09-20. From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series. David Hawthorne has a great life. His job as a professor at a prestigious Dallas college is everything he hoped for. Now that his brother is back from the Navy, life seems to be settling down. All he needs to do is finish the book he's working on, and his tenure will be assured. When he gets invited to interview a reclusive expert, he knows he's gotten lucky. But being the stepson of Sean Taggart comes with its drawbacks, including an overprotective mom who sends a security detail to keep him safe. He doesn't need a bodyguard, but when Tessa Santiago shows up on his doorstep, the idea of her giving him close cover doesn't seem so bad. Tessa has always excelled at most anything she tried, except romance. The whole relationship thing just didn't work out for her. She's not looking for love, and she's certainly not looking for it with an academic who happens to be connected to her boss's family. The last thing she wants is to escort an overly pampered, pretentious man-child around South America to ensure he doesn't get into trouble. Still, there's something about David that calls to her. In addition to watching his back, she will have to avoid falling into the trap of soulful eyes and a deep voice that gets her heart racing. But when the

seemingly simple mission turns into a treacherous race for a hidden artifact David and Tess know this assignment could cost them far more than their jobs If they can overcome the odds the lost treasure might not be their most valuable reward Every 1001 Dark Nights novella is a standalone story For new readers it s an introduction to an author s world And for fans it s a bonus book in the author s series We hope you ll enjoy each one as much as we do Reviews for Treasured A fun read with great banter and fantastic characters awlovestoread Readers are treated both to an expansion of the couple s hotter than Hades chemistry as well as lots of mystery and suspense The combination of the two made this a five star read cheryl33610 All the ingredients necessary for heart pounding action high heat romance and naturally a HEA A Wonderful World of Words Treasured is a quick fun and steamy read Becky on Books *Tempted: A Masters and Mercenaries Novella* Lexi Blake,2023-09-25 From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series When West Rycroft left his family s ranch to work in the big city he never dreamed he would find himself surrounded by celebrities and politicians Working at McKay Taggart as a bodyguard and security expert quickly taught him how to navigate the sometimes shark infested waters of the elite While some would come to love that world West has seen enough to know it s not for him preferring to keep his distance from his clients until the day he meets Ally Pearson Growing up in the entertainment world Ally was always in the shadow of others but now she has broken out from behind the scenes for her own day in the spotlight The paparazzi isn t fun but she knows all too well that it s part of the gig She has a good life and lots of fans but someone has been getting too close for comfort and making threats To be safe she hires her own personal knight in shining armor a cowboy hottie by the name of West They clash in the beginning but the minute they fall into bed together something magical happens Just as everything seems too good to be true they are both reminded that there was a reason Ally needed a bodyguard Her problems have found her again and this time West will have to put his life on the line or lose everything they ve found Every 1001 Dark Nights novella is a standalone story For new readers it s an introduction to an author s world And for fans it s a bonus book in the author s series We hope you ll enjoy each one as much as we do Reviews for Tempted Witty banter plenty of action and tons of steam has made this series an all time favorite of mine Saucy Southern Readers West s story is a wonderful addition to the series and a quick and easy read that thoroughly entertains its readers ksroma16 Delicious so many lovely vignettes and poignant moments Thank you Lexi Blake for another great installment Ruthie Wicked Reads This was such a fun read with a little suspense mystery and spice cysnational_reads If you like bodyguard romances and want something fast to read or even get a taste of Lexi s writing you should give this book a try Read What I Like [Masters and Mercenaries Bundle: The Early Ops \(Books 1-5\)](#) Lexi Blake,2017-12-15 *Delighted: A Masters and Mercenaries Novella* Lexi Blake,2022-09-05 From New York Times and USA Today bestselling author Lexi Blake comes a new story in her Masters and Mercenaries series Brian Boomer Ward believes in sheltering strays After all the men and women of McKay Taggart made him family when he had none So when the kid next door needs help one night he thinks
