Where to, Guv? Danny Roth,2015-08-03 Whether living in an urban sprawl a sunny suburb or rolling countryside the taxi is a mode of transport that no doubt every resident of the UK will use in their lives So prevalent is it in British society that the black cab has become one of the most iconic symbols of the country and its capital Here Danny Roth presents the most comprehensive history of the taxi service of Britain complete with in depth appendices and a wide ranging fascinating collection of 250 taxi images Beginning from the birth of the taxi four millennia before Christ through Victorian times to the present day with views on the future no stone is left unturned in this history of British taxi service Accessibly written and filled with technical detail this is a volume no car or taxi enthusiast can do without      History of Romanian Technology and Industry Dorel Banabic,2023-09-21 This volume showcases the valuable achievements of the Romanian technology and industry worldwide It started from the premise that the history of Romanian technique is scarcely known outside the borders of Romania The main Romanian contributions to the world s technological heritage are missing except for a few names in the field of aviation from the great encyclopedias and dictionaries published worldwide This is due among other reasons to the insufficient promotion in widely spoken languages of the history of Romanian technology The multidisciplinary approach of the volumes means that the field of technology had to be split into several branches The present volume includes the following industries electrical engineering energy technology biomedicine maritime and rail transport automotive industry aviation The history of engineering societies of engineering education of intellectual property and of inventions as well as a synopsis of the personalities of Romanian engineering have been tackled in separate chapters For each field are engaged the collaboration of authors who have already published a history of their field Certain chapters were drafted with the aid of specialists who have played the part of policy makers in the elaboration of development strategies for Romania and who are familiar not only with the facts and the history of their field but also with the philosophy behind its development      *Annual Index/abstracts of SAE Technical Papers 2004* ,2005      *Advanced Materials & Processes* ,2002      *Quality Today* ,2001
