figures out what to do with his life When he takes a temporary job at a summer camp for disadvantaged kids Brandon begins a turbulent relationship with a biracial adolescent named Caedmon Somewhere in the midst of the chaos caused by Caedmon's disappearance just before a hurricane is predicted to hit Seaport and by a group of racists who will not stop at arson or murder Brandon begins to see that the pieces of his life are not by chance If he has discovered his life's purpose can he live it Life is pointless And if there's a God He's asleep on the job Brandon Jones didn't know what he expected from the homeless man he met on the way out of town Certainly not the angry words that haunted him But then nothing happened the way he expected Not his promising career not his engagement to the perfect woman All his certainty that God had plans for him that he was meant to do something important something significant had amounted to a big fat zero And now here he was thirty years old no job no fiancée Living with his parents Maybe the homeless guy was right Then again maybe not Maybe Brandon has returned to Seaport for a reason To face down a brewing disaster steeped in hate crimes and danger To survive against all odds To learn once and for all that many are the plans in a man's heart but it is the Lord's purpose that prevails Story Behind the Book I am continually blessed by how many readers express their appreciation for the God-given talent that enables me to write novels but I'm more amazed that so many of them feel as though they haven't been gifted with anything My goal in writing Not By Chance was to show that God's purpose for every life is in place before we are born Based on Proverbs 19:21 Many are the plans in a man's heart but it is the Lord's purpose that prevails I sought to create unforgettable characters who challenge each reader's understanding of their purpose in life Ultimately I want to point them to the Creator with the Master plan Kathy Herman [All Things Hidden](#) Kathy Herman, 2010-04-28 The Past Is Back Ellen Jones's hands are full after she begrudgingly brings her aging father to Seaport Lawrence's memory is failing though he can't seem to forget what he's been holding against Ellen for the past forty years But when he's diagnosed with Alzheimer's Ellen realizes she never released her resentment and it's too late for reconciliation Then suddenly literally overnight her son Owen comes face to face with the consequences of his wilder days gone by No one is prepared for the changes he and the entire family will have to make as a result The past weighing heavily in the present a clean start is out of the question for both Ellen and Owen How can God heal their deepest wounds Enter the least expected person of the bunch Can secrets kill Ellen Jones gets a disturbing call from her elderly father's neighbor and must face the fact that her father Lawrence is no longer safe living alone Ellen resents that he forgets the simplest of details and yet remembers the one thing he's held against her for the past forty years Her being his caregiver is out of the question Ellen and her husband Guy pair up their fathers to share an apartment in a nearby retirement community The setup seems ideal until Lawrence wanders off right past the scene of a murder Did he see something He can't quite remember but the killer doesn't know that Just when Lawrence is diagnosed with Alzheimer's and Ellen realizes there's no chance they'll ever be reconciled a shocking secret surfaces from her son Owen's past that drops her to her knees Ellen is desperate for a miracle Will God intervene and erase the consequences of

past mistakes or does He have an even better plan Story Behind the Book I was twenty seven when I gave my heart to Jesus And twenty nine years later I m still realizing the long term consequences of some of the choices I made during the years I was enslaved to sin The words of Galatians 6 7 Do not be deceived God cannot be mocked A man reaps what he sows are as true today as when the apostle Paul wrote them In the writing of All Things Hidden my goal was to create unforgettable characters caught in the throes of overwhelming consequences and enable us to watch the response of a merciful God not to remove their struggle but to walk with them through the pain and redeem it for His glory Kathy Herman
