Anthology of Mandolin Music Bud Orr,2010-10-07 A master collection of mandolin music in notation and tablature Contains classical early country bluegrass fiddle tunes blues gospel and ragtime music A great source book for mandolin repertoire

Mandolin for Violinists Andrew Driscoll,2015-10-06 Learning the mandolin should be required for every violinist it has the same tuning and is a chordal instrument This book provides violinists with the skills and knowledge needed to master the mandolin it also teaches ways in which mandolin concepts can open up one s violin playing the book offers key insights into the similarities and differences between the two instruments so that violinists can quickly learn to play the mandolin the book and companion CD cover basic fingering and picking techniques and then move through exercises and pieces drawn from the classical swing and folk genres

Play the Mandolin Robert Anthony,2021-08-19 I had been looking for something that was not just another method book to help my aspiring music students to be able to add the mandolin to their skill set but what I was looking for did not exist so I created it This book is broken down into eight sections Section One briefly goes over some of the basics of music how the mandolin is tuned a brief explanation of tablature and standard notation Section Two starts with really simple warm up type pieces designed to help an absolute beginner make sense out of the tablature After a few of these warm ups you ll find familiar tunes like Jingle Bells Ode to Joy and many more to help you to know you are on the right track Section Three focuses on music from the Classical repertoire and is included to be more challenging and to expose ukulele students to some of the great melodies left behind by the likes of J S Bach Beethoven Grieg W A Mozart and a few more Section Four is about learning chords and how to strum and arpeggiate them This section puts chords together into common progressions groups of chords that work well in many songs of many styles including pop rock folk country blues and jazz Section Five is all about scales and scale fingerings as well as exercises to develop speed and precision Section Six contains several exercises to develop basic techniques followed by passages from Classical music that are arranged in progressive order Passages from W A Mozart L Mozart Burgm ller Haydn Beethoven Czerny J S Bach C P E Bach and Chopin are shown using open strings and again in closed position Most of the passages also include variations Section Seven is comprised of more music from the Classical Music repertoire except this time the arrangements are quite a bit more complex Two arrangements are included for each of these pieces the first has just the single note melody while the second is a full chord melody arrangement that is significantly more challenging Section Eight the final section of the book is for those who wish to learn to read standard notation for mandolin It includes a tab to notation section some music notation basics a handful of scales and 64 sight reading exercises in the keys of C G and F Major While I recommend that beginning students start at the beginning of this book with the guidance of a professional instructor experienced players or perhaps

those who already play other instruments can start wherever they feel comfortable and get out of it what they need in order to achieve their goals
