Exploring Psychology In Modules 9th Edition:

Exploring Psychology in Modules with DSM5 Updates David G. Myers, 2014-02-12 This module-based version of Myers Exploring Psychology breaks down the book's 15 chapters into 43 short modules. Myers was inspired to create this text by the memory research in chunking showing that shorter reading assignments are more effectively absorbed than longer ones as well as by numerous students and instructors who expressed a strong preference for textbooks with more shorter chapters. Each self-standing module can be read in a single sitting and instructors can assign any combination of modules in any order they want. DSM 5 Updates Available for Fall 2014 classes: this update version features new content from David Myers in response to the release of the DSM 5. This new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by the David Myers is available for Fall 2013 and Spring and Summer 2014 courses.

Exploring Psychology (Loose Leaf) David G. Myers, 2012-11-02 The new ninth edition merges the rigor of science with a broad human perspective to provide a state-of-the-art introduction to psychology. From vivid presentation and intense attention to detail to research-based study aids and media learning tools, the inviting authorial voice of David Myers speaks to the life experiences of all students.

Exploring Psychology, Sixth Edition in Modules (Spiral) David G. Myers, 2004-12-20 *Exploring Psychology, Eighth Edition, In Modules* David G. Myers, 2010-07-08 Exploring Psychology Eighth Edition in Modules is the modular version of the 1 bestselling brief introduction to psychology. David Myers's Exploring Psychology. All the Myers hallmarks are here: the captivating writing, coverage based on the latest research, helpful pedagogical support in a format that delivers the utmost in student accessibility and teaching flexibility.

Psychology In Modules David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility. The smaller chunks allow students to better grasp and explore psychological concepts. The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations.

Psychology in Modules David G. Myers, C. Nathan DeWall, 2015-01-12 In this version of Psychology Twelfth Edition, David Myers and Nathan DeWall break down the new edition's 16 chapters into 53 modules assignable in any sequence and brief enough to be read in one sitting. It's a format favored by a wide range of students and instructors, one that's supported by substantial research showing that students working with shorter reading assignments develop a deeper understanding of the material. The new edition of Modules includes the same new features and content of Psychology Twelfth Edition, including hundreds of new citations and new infographics. And like Psychology Twelfth Edition, it is more than ever a fully integrated text/media learning package with the modular edition's LaunchPad now featuring dozens of new Concept Practice activities.

Exploring Psychology in Modules David G. Myers, C. Nathan DeWall, 2018-10-12 Do you want your students to engage with and retain psychology's key principles and to work toward becoming better students and better people in the process? happen The new edition of Exploring Psychology in Modules offers outstanding currency on the research practice and teaching of psychology Myers and DeWall inspire students with fascinating findings and applications effective new study tools and technologies and a compassionate and compelling storytelling voice Their presentation is based on the same guiding principles that made David Myers the world's bestselling introductory psychology author Facilitate learning by teaching critical thinking and helping students at every step Present psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts Make sure students come away with an appreciation of psychology's big ideas and with a deeper respect for humanity what drives us distinguishes us unifies us *Awakened Leadership* Behnam Bakhshandeh, Foojan Zeine, 2025-05-13 Individuals and organizations seek new growth and development options in a world of constant change and rapid speed *Awakened Leadership* Uniting Organization Development and Awareness Integration Theory is a pioneering study of organization development and human consciousness that advocates a holistic approach to progress This book written by visionary leaders in organization development and awareness integration therapy changes how we see and manage the evolution of individuals teams and organizations It questions the belief that human growth and organizational transformation are separate and asserts that genuine advancement requires a combined and purposeful effort The book begins with Organization Development OD its intervention levels and the basics of intervention coaching Next the book discusses how Awareness Integration Theory AIT may help people evolve AIT uses psychological concepts and mindfulness to help people explore their consciousness unlocking latent potential and increasing self awareness The book's heart is in the following pages where the writers blend OD and AIT effectively They demonstrate the link between personal and professional growth by comparing the development of individuals teams and organizations Through incisive analysis and examples the authors show how a conscious integrated strategy may alter individuals teams and organizations Readers are encouraged to discover a new frontier where an organization's collective awareness drives good transformation The book presents actionable frameworks for leaders managers HR professionals and individuals to use conscious evolution techniques and access their *Awakened Leadership* in their everyday lives and workplaces From developing a culture of mindfulness in the business to merging personal development goals with professional ones the book outlines a future where growth is a deliberate purposeful process *Awakened Leadership* guides people seeking harmonious and purpose driven personal and professional progress It encourages us to break down conventional barriers and embrace a new era when corporate performance depends on individual growth This book shows how organizational growth and consciousness integration may lead to a more conscious and enlightened future *Psychology, Seventh Edition, in Modules* David G. Myers, 2004-06

Psychology In Modules (Spiral) David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all

each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact.

Why Modules This module-based version of Myers' best-selling full-length text *Psychology* breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom. It comes from Myers' experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format. Modular organization presents material in smaller segments. Students can easily read any module in a single sitting. Self-standing modules. Instructors can assign modules in their own preferred order. The modules make no assumptions about what students have previously read. Illustrations and key terms are repeated as needed. This modular organization of short stand-alone text units enhances teacher flexibility. Instead of assigning the entire Sensation and Perception chapter, instructors can assign the module on vision, the module on hearing, and/or the module on the other senses in whatever order they choose. Psychology, Ninth Edition, In Modules (Loose Leaf) David G. Myers, 2009-09-28

EdPsych Modules Cheryl Cisero Durwin, Marla Reese-Weber, 2024-12-12

EdPsych Modules by Cheryl Cisero Durwin and Marla Reese Weber uses an innovative modular approach integrating case studies drawn from real-life classroom situations to address the challenge of effectively connecting theory and research to practice. The text features succinct stand-alone modules organized into themed units offering the flexibility to tailor content to the specific needs of a course. Each unit opens with case studies written for early childhood, elementary, middle, and secondary classrooms showing students the dynamics influencing the future students they plan to teach. All 25 modules highlight diversity, emphasizing how psychological factors adapt and change based on external influences such as sex, gender, race, language, disability status, and socioeconomic background. The Fifth Edition includes over seven hundred new references across all 25 modules with thorough coverage of the latest developments in education such as artificial intelligence, virtual reality, the latest neuroscience research, and updated coverage of disabilities.
