**Looking into the Revelation** Dr. Boyd O. Gray, 2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God's Word is the truth a message he hopes will motivate sinners to heed the Lord's gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ

*Dismantling Doctrines of Demons: Disclosing the Darkness (Volume One)* Rick M. Smith, Selected for the Christlit Book Award 2025 A mysterious prophecy was given to a prisoner awaiting certain execution in a dark dungeon beneath the streets of ancient Rome in A D 62 showing convincing evidence of being fulfilled in our contemporary American culture society This prophecy reveals its divine source and the season of human history in which it will come to pass It will involve a shocking separation of cultural and religious beliefs practices Supernatural surrogates

will promote their diabolical standard so that nations governments economies and world leaders will ultimately bow in allegiance to their tenets The system that drives this elaborate network has a defined set of strategies schemes employed to assure it does not fail to implement its sinister plan of dominance deception deviation division and death Despite its best efforts failure will be its ultimate fate Confronting a force more powerful than itself accompanied by an army too massive to calculate wielding an arsenal of weapons too destructive to intercept it will fall in every attempt to prevail Pastor author speaker Rick Smith unravels the divine mystery of the Apostle Paul s insightful revelation from the Biblical text in I Timothy 4 1 But the Spirit explicitly says that in the later times some will fall away from the faith paying attention to deceitful spirits and doctrines of demons Having been a student of Scripture for more than 50 years Rick applies Biblical interpretation application to help you see the covert progress these demonic operatives are making to position our world for the most diabolical season of human history soon to be revealed *NEW TESTAMENT CONTEXTUAL COMMENTARY* Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One Agents of the Apocalypse David Jeremiah,2014-10-07 Who Will Usher in Earth s Final Days Are we living in the end times Is it possible that the players depicted in the book of Revelation could be out in force today And if they are would you know how to recognize them In Agents of the Apocalypse noted prophecy expert Dr David Jeremiah does what no prophecy expert has done before He explores the book of Revelation through the lens of its major players the exiled the martyrs the elders the victor the king the judge the 144 000 the witnesses the false prophet and the beast One by one Dr Jeremiah delves into their individual personalities and motives and the role that each plays in biblical prophecy Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today The stage is set and the curtain is about to rise on Earth s final act Will you be ready **Matthew 16-28** Dr. Matthew N. O. Sadiku,2016-04-26 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand the book of Matthew in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries

are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The Gospel of Matthew is placed first in the New Testament It is a teaching gospel It is the natural gateway to the New Testament with a strong connection to the Old Testament

**St. Paul the Apostle** Irving Brittle Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In St Paul the Apostle author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ St Paul the Apostle also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today
