Exploring Public Relations, 2009

Communicating Corporate Social Responsibility Ralph Tench, William Sun, Brian Jones, 2014-02-07 This book offers a groundbreaking collection of themed chapters in the emerging

field of Corporate Social Responsibility CSR Communication Via an international approach these chapters explore the theory practice and issues involved in communicating CSR and make for fascinating reading **Public Relations, Activism, and Social Change** Kristin Demetrious, 2013 This book draws significant new meaning to the inter relationships of public relations and social change through a number of international case studies and rebuilds knowledge around alternative communicative practices that are ethical sustainable and effective Demetrious offers a critical description of the dominant model of public relations used in the twentieth century showing that PR was characterized as arrogant unethical and politically offensive in ways that have weakened its professional credibility She offers a principled approach that avoids the contradictions and flawed coherences of essentialist public relations and instead represents an important ethical reorientation in the communicative fields The Routledge Handbook of Magazine Research David Abrahamson, Marcia R. Prior-Miller, 2015-06-05 Scholarly engagement with the magazine form has in the last two decades produced a substantial amount of valuable research Authored by leading academic authorities in the study of magazines the chapters in The Routledge Handbook of Magazine Research not only create an architecture to organize and archive the developing field of magazine research but also suggest new avenues of future investigation Each of 33 chapters surveys the last 20 years of scholarship in its subject area identifying the major research themes theoretical developments and interpretive breakthroughs Exploration of the digital challenges and opportunities which currently face the magazine world are woven throughout offering readers a deeper understanding of the magazine form as well as of the sociocultural realities it both mirrors and influences The book includes six sections Methodologies and structures presents theories and models for magazine research in an evolving global context Magazine publishing the people and the work introduces the roles and practices of those involved in the editorial and business sides of magazine publishing Magazines as textual communication surveys the field of contemporary magazines across a range of theoretical perspectives subjects genre and format questions Magazines as visual communication explores cover design photography illustrations and interactivity Pedagogical and curricular perspectives offers insights on undergraduate and graduate teaching topics in magazine research The future of the magazine form speculates on the changing nature of magazine research via its environmental effects audience and transforming platforms *Dictionary of Media and Communication Studies* James Watson, Anne Hill, 2015-10-22 A comprehensive lexicon of all aspects of the study of interpersonal group mass communication and the world of internet communication *Exploring Public Relations* Ralph Tench, Liz Yeomans, 2014 Dancefloor-Driven Literature Simon A. Morrison, 2020-05-14 Almost as soon as club culture took hold during the UK's Second Summer of Love in 1988 its sociopolitical impact became clear with journalists filmmakers and authors all keen to use this cultural context as source material for their texts This book uses that electronic music subculture as a route into an analysis of these principally literary representations of a music culture why such secondary artefacts appear and what function they serve The book conceives of

a new literary genre to accommodate these stories born of the dancefloor dancefloor driven literature Using interviews with Irvine Welsh author of Trainspotting 1994 alongside other dancefloor driven authors Nicholas Blincoe and Jeff Noon as case studies the book analyzes three separate ways writers draw on electronic dance music in their fictions interrogating that very particular intermedial intersection between the sonic and the linguistic It explores how such authors write about something so subterranean as the nightclub scene and analyses what specific literary techniques they deploy to write lucidly and fluidly about the metronomic beat of electronic music and the chemical accelerant that further alters that relationship

Managing Art Peter Bendixen, 2010 Arts Management is anything but a mere amalgamation of the world of the arts and the world of business management it is the confrontation of two opposing methodologies one being a field of human creativity that produces something new that did not exist before the other one diving into the existing world of business practices in order to improve their efficiency Some references to cultural philosophy economic and arts history and other important subjects are indispensable or at least helpful in understanding the chances and risks of arts management practices This is the aim of this book which is based on more than twenty years of teaching researching and consulting in the field of cultural administration and arts management *The Handbook of Communication Engagement* Kim A.
