## **Exposition Of The New Testament:**

*The Branch Exposition of the Bible, Volume 1* Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap *The Branch Exposition of the Bible* is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

**New Testament Exposition** Walter L. Liefeld, 1989-06-13 Expository preaching is an elusive ideal Many preachers aspire to it few are acknowledged masters For most a gap exists between the sermon that addresses the needs of the hearers and one that methodically plumbs the depths of Scripture *New Testament Exposition* is written to bridge this gap and bring together the disciplines of preaching and exegesis In this book Liefeld addresses the three main concerns of expository preaching What is the text saying How can its message be communicated in ways that are appropriate to the passage the seeing and the goals of the sermon How can the message meet the real needs of the congregation in a way that is consistent with the purpose and function of the text This book demonstrates how these concerns can be brought together in a sermon and it is this thoughtful practical approach that makes the book so valuable to preachers and seminarians The book is divided into three parts Part I explores the characteristics of expository preaching Part II deals with preparing the text and addresses such areas as practical exegesis exegetical outlines narratives and compositional patterns semantic patterns and underlying assumptions of the text Part III discusses application of the text by asking What is the function of the text What are the needs of the congregation How can

one preach to inner heart needs as well as to the external circumstances facing the congregation New Testament Exposition is not vague theory nor is it esoteric study beyond the grasp and time of the busy pastor Throughout the book Dr Liefeld reflects his experience in the classroom and pulpit and his concerns as scholar and pastor are clearly seen in the final chapters of this volume Chapter 9 examines preaching from difficult texts How might one handle parables miracle stories obscure passages culturally related texts The final chapter provides a demonstration of all that is discussed throughout the book by walking the road through the actual preparation for a sermon

**NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda, 2024-10-25

Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God
