**Exposition of The Whole Bible** G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas a Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic The Great Physician and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled But One Thing Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say Ne Plus Ultra nothing more beyond but Plus Ultra more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan [An Exposition of the Whole Bible](#) George Campbell Morgan, 1959 **An Exposition of the Whole Bible** George Campbell Morgan, 1992 A chapter by chapter commentary on the whole Bible explaining even the most difficult passages and how the Bible forms a unified whole First published in 1959 this book is intended to be both a useful family reference book and helpful for individual Bible study and compiling sermon notes **An Exposition of the Whole Bible, Etc** George Campbell Morgan, 1959 **Commentary on the Whole Bible Volume I (Genesis to Deuteronomy) ,**

**Daniel In God I Trust** Practical Christianity Foundation, 2020-08-08 In God I trust The prophet Daniel was a man both tested and exalted His commitment to the Lord God Almighty never fluctuated He relied upon God for both life saving

miracles and the smallest of provisions In this intriguing book we will examine this one man s unwavering faith in his God beginning from the time that he arrived in Babylon as a young Jew and continuing throughout his years of service under the authority of several kings and kingdoms There is perhaps no better example of godly faith dependency trust and worship than in the character of the prophet Daniel He was faithful to God and commendable before men This chapter by chapter and verse by verse exegesis of the wonderful prophetic work of Daniel in itself one of the most readable books of the Bible is a triumph This major collaborative undertaking provides a format for devotional study that challenges any other work of its kind For any reader with a thirst for irrefutable Bible knowledge this scholarly but practical approach to the study of Daniel is enthusiastically recommended The Late Dr James Kennedy Ph D Senior Minister Coral Ridge Presbyterian Church *Thy Kingdom Come* Jerry Huerta,Marsue Huerta,2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as compared with the traditionalist s view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3 *Commentary on the Whole Bible Volume V (Matthew to John)* ,

**NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **The making of the sermon** Thomas Harwood Pattison,1898 **The Sacrifice of the Eucharist, and Other Doctrines of the Catholic Church, Explained and Vindicated** Charles Brierley Garside,1875 *London Quarterly Review* ,1884 **Matthew Henry: The Bible,**

**Prayer, and Piety** Paul Middleton, Matthew A. Collins, 2019-05-30 Three hundred years after his death Matthew Henry 1662 1714 remains arguably the best known expositor of the Bible in English due largely to his massive six volume Exposition of the Old and New Testaments However Henry's famous commentary is by no means the only expression of his engagement with the Scriptures His many sermons and works on Christian piety including the still popular Method for Prayer are saturated with his peculiarly practical approach to the Bible To mark the tercentenary of Henry's death Matthew A Collins and Paul Middleton have brought together notable historians theologians and biblical scholars to celebrate his life and legacy Representing the first serious examination of Henry's body of work and approach to the Bible Matthew Henry The Bible Prayer and Piety opens a scholarly conversation about the place of Matthew Henry in the eighteenth century nonconformist movement his contribution to the interpretation of the Bible and his continued legacy in evangelical piety

**The Doctrines of Grace from the Lips of Our Lord** J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God's part and man's part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God's sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord

**The Pentecostal Commentary** Billy M. Prewitt, A Trinitarian Exposition of the New Testament This series is designed with the serious Trinitarian Pentecostal student in mind With a foundational commitment to the inspiration and infallibility of Scripture each passage is explained in terms of its theological and practical significance In addition The distinctive Pentecostal pneumatology is sustained Key doctrines are identified and expounded Important cross references within Scripture are noted Historical connections in Church history are mentioned Erroneous teachings are scrutinized Comments are based on the King James Version The KJV text is printed in the body of the commentary With a modern style of readability this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students Author's Foreward As a Pentecostal

student attending a Pentecostal Bible college I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non Pentecostals. Even though my classes required commentaries from various publishers none of the publishers were Pentecostal. I often wondered why a Pentecostal Bible school would use non Pentecostal commentaries for class. What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals. Since then there have been a few Pentecostals who have written on individual books but there are significant portions of even the New Testament that have had little or no Pentecostal voice. As a result serious Pentecostal students have no other choice but to learn at the feet of non Pentecostals. I am not opposed to non Pentecostal commentaries. Indeed I have gained considerable insights from reading such but there are two points of theology that I must consciously filter out every time I read them. The most important concern to a Pentecostal is that the pneumatology, the study of the Holy Spirit presented by non Pentecostals is very different than that of a Pentecostal. The second point is the emphasis on Calvinistic doctrines especially eternal security with which most Pentecostals do not agree. In addition there are other theological differences and substantially different hermeneutical principles that can dramatically alter the interpretation of texts in non Pentecostal ways. In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one. From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air.

Series Preface

While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal. As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument. In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology. The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration, inerrancy and infallibility and also excludes modern liberal arguments of authorship, date, purpose and so on. Traditional viewpoints on these subjects will be discussed without confusing the issue. In addition 19th century criticism methods and concerns over source documents will not often be discussed. In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed.
