This is the book you need to master the Spanish language in the comfort of your surroundings. The time you will spend will be on learning to speak the language and will be beneficial from the moment you begin. The test is easy to follow and the format will provide you with the information needed to learn and grow your vocabulary right from the start. This book is not just about vocabulary; it is about language skills. Begin your adventure into the language by learning how easy it is to pick up a few sentences at first, then building upon them until you have a robust and full arsenal of words and phrases. Does this book include dialogues? Yes. Simple dialogues that ask questions that can be easily asked/answered but that's not all. Learn the tenses that will have you speaking Spanish like a native speaker. This book doesn't stop at the present tense. It doesn't stop with the past tense. It provides all the tenses that are used in conversations all over the world. Don't limit yourself to easy phrases that only get you around a city or village with instructions on how to take a taxi. Learn how to converse and learn about people and how to tell about yourself. The tools are here to convey details about yourself and learn about the people and places around you. This book is about the opportunity. This is the chance to learn enough Spanish to capitalize on the depth of information around you so that you can move beyond being a tourist and immerse yourself in the culture of Spanish-speaking people. The vocabulary is inside this book. These are words, nouns, adjectives, and adverbs that can be used to build adult sentences with descriptions and details that make for interesting conversation. You will be able to speak the language and understand it as well. That's the beauty of this book; it has information on how other people speak so you know what to listen for and become accustomed to the words people use. Yes, this book has a lot of information. By owning it, you will have the opportunity to listen to the lessons as many times as you like. By listening, you will begin to remember how to build your vocabulary and form questions and sentences that use the correct verb tenses and create clear and accurate speech patterns that are understood by the people speaking Spanish. The book takes the fear out of practicing and reduces the fear of speaking in front of others. You will have confidence as you realize that you have learned what you need to meet your goals. The ability to expand your mind is inside this book. Learn a new skill by learning a new language. There are many reasons to learn Spanish. Each person has their own set of goals in mind. Whether you plan to travel or beef up your resume, this book will work for you. Don't miss out on a chance to start speaking Spanish today. The tools are here for you. Don't wait another minute to capitalize on what's inside.
