The Plum Trees Victoria Shorr,2025-04-25 A poignant tale about one woman s quest to recover her family s history and a story of loss and survival during the Holocaust Consie is home for a funeral when she stumbles upon a family letter sent from Germany in 1945 which contains staggering news Consie s great uncle Hermann who was transported to Auschwitz with his wife and three daughters might have escaped This seems improbable to Consie Did people escape from Auschwitz Could her great uncle have been among them What happened to Hermann Did anyone know These questions are at the root of Consie s excavation of her family s history as she seeks seventy years after the liberation of Auschwitz to discover what happened to Hermann The Plum Trees follows Consie as she draws on oral testimonies historical records and more to construct a visceral account of the lives of Hermann his wife and their daughters from the happy days in prewar Czechoslovakia through their internment in Auschwitz and the end of World War II The Plum Trees is a powerful intimate reckoning with the past

Taylor Chapter topics include Hollywood and history Michael Bellesiles controversial history of gun rights in the USA Philippa Gregory's historical novels historians and the David Irving trial and Terry Deary's Horrible Histories Raising serious questions about the nature study and communication of history Presenting History is an essential text for historians and history students as well as anyone involved in listening to reading or watching presenters of the past *Giorgio Agamben* Leland de la Durantaye, 2009-05-21 A critical introduction to the work of the Italian philosopher Giorgio Agamben Writing in Witness Eric J. Sundquist, 2018-06-25 A comprehensive survey of the most important writing to come out of the Holocaust Writing in Witness is a broad survey of the most important writing about the Holocaust produced by eyewitnesses at the time and soon after Whether they intended to spark resistance and undermine Nazi authority to comfort family and community to beseech God or to leave a memorial record for posterity the writers reflect on the power and limitations of the written word in the face of events often thought to be beyond representation The diaries journals letters poems and other works were created across a geography reaching from the Baltics to the Balkans from the Atlantic coast to the heart of the Soviet Union and in a wide array of original languages Along with the readings Eric J. Sundquist's introductions provide a comprehensive account of the Holocaust as a historical event Including works by prominent authors such as Primo Levi and Elie Wiesel as well as those little known or anonymous Writing in Witness provides in vital and memorable examples a wide ranging account of the Holocaust by those who felt the imperative to give written testimony Written in every European language in every conceivable manner and from every point on the Holocaust compass prisons ghettos transports concentration and labor camps killing fields bunkers makeshift shelters camps for displaced persons these diary entries letters testimonies eyewitness accounts poems stories sermons and inscriptions demand that they be heard Written by Jewish men women and children by Christian bystanders and yes even by two German perpetrators they depict the living nightmare as it unfolds Six nightmare years and their aftermath are rendered in a language that defies the limits of language an inescapable present that eclipses the past and cries out to an unattainable
