 This book a collection of reminiscences with fifty five fine art dealers works to correct misconceptions and shed light on the dealer s intricate fascinating and difficult profession **Reaffirming the Importance of Beauty** Sonja Zuba, 2023-08-03
 This book argues that beauty challenges us to find meaning in its object to make critical comparisons and to examine our own lives and emotions in the light of what we find The book examines the importance of beauty not only in terms of art and aesthetics but also within the context of the current post religious age It engages with the philosophical works of Roger Scruton and William Desmond and endorses and addresses many important discussions surrounding art and beauty found in the works of Plato Kant Hegel Schopenhauer Nietzsche and Heidegger It also takes seriously the role of poetry and painting to explore the theme that runs through this research the idea that beauty is rationally found Meditations on the art of Manet Van Gogh Delacroix Rembrandt and other artists together with the voices of several poets show us that beauty cannot be reduced to aesthetics only Irreducible to philosophy religion or aesthetics the notion of beauty is deeply examined in all its forms and spiritual meaning □□□□ John Albert Walker, 2005 *Visual Resources Association Bulletin* , 2000
