Word Biblical Commentary: Ezekiel 1-19 Leslie C. Allen, 1994 **Word Biblical Commentary** William H. Brownlee, 1986 **Word Biblical Commentary**, 1982 **Word Biblical Commentary V.28 Ezekiel 1-19** William Hugh Brownlee, 1986 **Ezekiel 1-19, Volume 28** Leslie C. Allen, 2018-05-29

The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization

Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:

- Pericope Bibliography**: a helpful resource containing the most important works that pertain to each particular pericope.
- Translation**: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English.
- Notes**: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.
- Form/Structure**: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope.
- Rhetorical or compositional features**: important to understanding the passage are also introduced here.
- Comment**: verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.
- Explanation**: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels:
 1. within the context of the book itself
 2. its meaning in the OT or NT
 3. its place in the entire canon
 4. theological relevance to broader OT or NT issues

General Bibliography: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Translation Technique in the Peshitta to Ezekiel 1-24 Godwin Mushayabasa, 2014-10-09

The Peshitta Institute Leiden is fulfilling its aim of producing a critical edition of the Old Testament in Syriac according to the Peshitta version. As this critical edition becomes available, *Translation Technique in the Peshitta to Ezekiel 1-24* takes its role in providing perspectives on the value of the Peshitta to Ezekiel in Old Testament textual studies. Godwin Mushayabasa uses the cognitive linguistics approach of frame semantics to determine what techniques were used to translate Ezekiel 1-24 from Hebrew to Syriac. He observes that the Peshitta was translated at the level of semantic frames, producing a fairly literal translation. In achieving this, the author also invokes interdisciplinary dialogue between biblical textual studies and cognitive linguistics sciences.

[The Bible as Revelatory](#)

Word Robert Ignatius Letellier, 2016-08-17 Whether one approaches the Bible from a perspective of faith culture or literature the power of the writing the human situations language and genres that make up the Scriptures speak potently across the ages From whatever angle the texts have a revelatory power that shines a light on the human condition our sense of purpose place in the world and even our destiny Born out of the common reflection on the history of single nation with a sense of divine election the Bible has spoken and continues to speak to all people in various circumstances in words of such power that seem divinely inspired This volume provides an opportunity for studying those special areas of Scripture known as the Prophets and the Wisdom Books Isaiah Jeremiah Ezekiel and Daniel spoke to Ancient Israel from the situation of their national story shaped by the Covenant with God especially before during and after the sorrow of their Exile in Babylon 587 38 BC The Wisdom Books of the Bible reflect on the ontology of the human condition under any circumstance how to live wisely and sensibly by looking at the world of nature and the human heart to discern the purpose of life The approach adopted here building on a fundamental understanding of the Old Testament searches for deeper understanding of both approaches and genres This study enables a thematic overview of the subject a way into some of the critical issues endemic to grasping both traditions and by implication some of the fundamental approaches used in biblical scholarship This study encourages reading the texts themselves developing a sharper perception of language imagery genre and style The book thus provides an overall picture of the literary types employed locates the sacred books in a chronological and thematic context exploring the texts through the specific passages provided always looking to find the theological keys critical to understanding these particular books and their enduring message across the ages A particularly interesting aspect of this study is its collection of iconography offering a cross section of artistic responses to the power of the biblical discourse through the centuries While Gustave Doré's famous etchings form the axis of the centre folds many other painters are included from different periods

I Saw the Lord Abner Chou, 2013-11-11 The visions of Isaiah Ezekiel Daniel Paul and John have captivated the people of God Could it be that we are drawn to these spectacular passages because they are all different angles of the same eschatological event This study explores the visions of these writers as they relate to their individual theology in light of the possibility that these writers saw different facets of the climax of history when the Son receives all glory

The Disarmament of God Paul Fitzpatrick SM, 2023-09-29

The Physically Disabled in Ancient Israel According to the Old Testament and Ancient Near Eastern Sources Michael D Fiorello, 2014-09-01 In a unique way this study probes the linguistic sociological religious and theological issues associated with being physically disabled in the ancient Near East By examining the law collections societal conventions and religious obligations towards individuals who were physically disabled Fiorello gives us an understanding of the world a disabled person would enter He explores the connection between the literal use of disability language and the metaphorical use of this language made in biblical prophetic literature as a prophetic critique of Israel's dysfunctional relationship with God

COMMENDATIONS In this well researched

volume Michael Fiorello has made a significant contribution to the study of disability in the Bible in the context of its ancient Near Eastern world Fiorello's work needs to be taken seriously in the church the academy and the world Richard E Averbeck Trinity Evangelical Divinity School USA *The Jubilee from Leviticus to Qumran* John Sietze Bergsma, 2007 Beginning with the historical origins of the jubilee in ancient Israel this book traces the reinterpretation of the jubilee through the Old Testament Second Temple literature and Qumran documents demonstrating a tendency toward eschatological readings with the passage of time *The Spirit and the Lake of Fire* Rustin Umstattd, 2017-06-28 The Holy Spirit and the Lake of Fire What does the Spirit have to do with God's final judgment The Holy Spirit and God's judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit they need to be It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity In *The Spirit and the Lake of Fire* Rustin Umstattd establishes the Spirit's role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God's breath and God's arm Furthermore by examining Augustine's position that the Spirit is the mutual love of the Father and the Son and Luther's position that God's wrath is the underside of his love Umstattd demonstrates how one comes to the conclusion that the Spirit is operative in God's judgment upon sin **Lucifer, Leviathan, Lilith, and other Mysterious Creatures of the Bible** Joel R. Soza, 2017-03-16 The bible is indeed a world of the strange and mysterious when it comes to the variety of creatures that are presented in its texts These often times serve as images of good versus evil or order versus chaos Flat and narrowly myopic literal readings of the bible that at times lacks for imagination and creative insight to the bible's occasional and amazingly metaphorical maze fall far short of what is needed to appreciate the full depth of the biblical world's imagery Therefore this work explores the meaning of the bible's mysterious creatures with an emphasis on three creatures that all appear in the book of the prophet Isaiah Lucifer Isa 14 12 Leviathan Isa 27 1 and Lilith Isa 34 14 These mysterious creatures of the bible live on and can both inspire and cause fear It is a marvelous mixed world of biblical metaphor and realism to be found in the likes of Lucifer Leviathan Lilith and the rest of the mysterious creatures that make a biblical appearance **Reformed theology today: Biblical and systematic-theological perspectives** Nico Vorster, Herculaas F. (Herrie) van Rooy, Hendrik (Hennie) de Goede, Francois P. Viljoen, H.J.M. (Hans) van Deventer, C.F.C. (Callie) Coetzee, Benno Zuiddam, Petrus Paulus Kruger, Conrad Wethmar, 2017-11-23 This book contributes to an extensive number of scholarly works produced in 2017 which commemorate the scientific revolution and paradigm shift that occurred in 1517 The year 2017 marks the 500th celebration of the Reformation actuated by Martin Luther when he published what later became known as the Ninety Five Theses on indulgences The Reformation was a religious social cultural and political event that reshaped the landscape of modern Europe and has had an influence on parts of the world far beyond This includes the far South such as South Africa where the legacy of the Reformers has moulded institutional and individual lives across boundaries of ethnicity and beliefs Worldwide

celebrations of this quinqucentenary anniversary provide scholars with an opportunity to reflect anew on the consequences and lasting import of the Reformation This book provides one such a platform by discussing the scientific relevance of Reformed theology specifically with regard to biblical historical and systematic theological themes Comprising a collection of essays by scholars belonging to the Reformed tradition it aims at examining the historical heritage of the Reformation the current state of discourse in Reformed theology as well as the contemporary relevance of a Reformed approach to theology It contains biblical historical theological and systematic theological perspectives and addresses a variety of issues such as biblical interpretation text criticism translation constructive impulses emanating from classical Reformed thought Christian freedom anthropology and dialogue with non Reformed traditions Although the approaches followed are by no means exhaustive they do provide the reader with some indication of approaches followed in Reformed discourse Chapters 1 4 pertain to biblical interpretation A variety of methods are discussed and employed namely the grammatical historical text immanent socio historical redactional historical diachronic and synchronic approaches These analyses confirm that biblical interpretation requires a multi faceted approach to biblical texts Chapters 5 9 conversely discuss various historical and systematic theological themes Classical texts from the Reformation specifically works by Calvin and Luther are examined and contemporary theological literature are analysed compared and evaluated while innovative new ideas are proposed This book is written in the reformed spirit of *semper Reformanda* While it enters into dialogue with other traditions such as Pentecostal Neo Pentecostal Roman Catholic and Lutheran theology it also exhibits an attitude of self reflection and self correction This contribution does not only affirm the Reformed heritage as a living tradition but it also attempts to invigorate the tradition with innovating new ideas by drawing on classical and recent theological literature The target audience is mainly Reformed theologians but non Reformed scholars who are interested in engaging with the Reformed tradition would find this book informative

Seeing the unseen Florian Forg, 2020-01-01 Vision reports occupy large space in the Book of Ezekiel and the texts put special emphasis on the details of receiving a vision In Thailand Buddhist monks or Hindu priests also have seen visions Mediums travel to distant places in visions and meet with spirits Christian churches set goals for the future and call them visions This study takes a closer look at visions both in the Book of Ezekiel and in the Thai context by focusing on the Thai translation of Hebrew terms for visions Besides that it compares the Hebrew concepts behind visions

with the Thai understanding **Adoption in the Hebrew Bible** Ekaterina Kozlova, Cat Quine, 2024-11-14 To remedy a scholarly lacuna on the study of adoption in the Hebrew Bible chapters in this volume examine this topic from a variety of perspectives including trauma transfers of children motives for adoption the performance of parenthood and studies of metaphor and practice Divided into three sections part one highlights the absence of specific adoption terminology and demonstrates the need for deeper considerations of methodological approaches and the categories we as modern readers bring to the texts Part two considers the practices and language that we do see around ancient adoptions and focuses on the actions and implications of transferring children or parentage Finally part three focuses on divine adoption and metaphors and motifs that speak to the dual themes of loss and gain that are entwined in adoption As a whole Adoption in the Hebrew Bible highlights the prevalence of adoptive practices and draws attention to the fluidity underlying constructions of family in the Hebrew Bible and also the wider ancient Near East The theme of adoption centres both parents and children thereby complicating scholarly constructions of families in ancient societies and reminding readers of the fragility strength and importance of belonging in a family **The Understanding of Adultery in the Hebrew Bible** Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples **Women's Divination in Biblical Literature** Esther J. Hamori, 2015-01-01 Divination the use of special talents and techniques to gain divine knowledge was practiced in many different forms in ancient Israel and throughout the ancient world The Hebrew Bible reveals a variety of traditions of women associated with divination This sensitive and incisive book by respected scholar Esther J Hamori examines the wide scope of women's divinatory activities as portrayed in the Hebrew texts offering readers a new appreciation of the surprising breadth of women's arts of knowledge in biblical times Unlike earlier approaches to the subject that have viewed prophecy separately from other forms of divination Hamori's study encompasses the full range of divinatory practices and the personages who performed them from the female prophets and the medium of En-dor to the matriarch who interprets a birth omen and the wise women of Tekoa and Abel and more In doing so the author brings into clearer focus the complex rich and diverse world of ancient Israelite divination **Christ as Creator** Sean M.

McDonough,2009-11-26 This book examines the New Testament teaching that Christ was the one through whom God made the world The study provides exegesis of the relevant New Testament texts in the context of related texts in Judaism and Greco Roman philosophy and reflects on the contributions of six major theologians writing on this doctrine through to the present day
