Dump Dinners Cookbook 35 Quick Easy Dump Dinner Recipes on a Budget The problem with today's society is that most people are just too busy. You have to work, take care of errands, take care of kids, and maybe take care of a spouse. You have just too many things to do in any given day to spend a lot of time in the kitchen, and no one wants to spend a lot of money on going out to eat all the time. So what are you going to do to fix the problem? It's simple: Dump dinners. Dump dinners are easy because all you have to do is throw all the ingredients together and you're ready to go. Your family is going to love it because they are going to taste awesome. At the same time, you're going to be spending your time and energy doing the things that are actually important to you rather than spending it in a kitchen. Whether you really want to spend time on that next big work project, helping your kids with their homework, or just sitting down to relax on your own, you will be able to do it with dump dinners. So let's get started with these dinners so you can have more time on your own.
