Brake Repair: How to Diagnose, Fix, or Replace Your Car's Brakes: Step-By-Step Steven Cartwright, 2020-02-15
Save time and hundreds of dollars by learning how to repair and overhaul your car's brakes. There are many automotive tasks that are best left to qualified and certified professionals when considering repairing your automobile. There are also many tasks that can be tackled by the weekend do it yourselfer with a decent level of instruction. While just about any system repair or overhaul on more modern cars has gotten more complex over time, brake diagnosis and repair is still well within reach for the home mechanic with a reasonable set of hand tools. In *Brake Repair: How to Diagnose, Fix or Replace Your Car's Brakes Step By Step*, ASE technician and professional instructor Steven Cartwright takes you through the entire process of servicing your car's brakes to like new condition. Ten informative chapters cover everything you will need to know, including chapters on brake history, an overview of function, types of brakes, power assist, troubleshooting, electronic controls such as ABS, and finally a complete chapter showing you how to do an entire brake job, in step by step, color photos. With traditional dealership labor rates hovering around 125 per hour these days, it is easy for a standard four-wheel disc brake job to cost close to 1,000 when all is said and done. With the help of this book, you will be able to competently and confidently complete the task in similar fashion for less than half the cost, paying for this book many times over the very first time you use it. Add this valuable tool to your library today.

Many people panic or hope that if they ignore it, it will go away. But angina must be taken seriously, and in addition to taking medical advice, it's important to find out what you can do about it and what you can do to help yourself reduce the risk of a heart attack. This book answers key questions for anyone worried about angina: What is it and why is it happening? Does it mean I'm going to have a heart attack? What should I do when I have chest pain? How do I tell if it's serious? Living with Angina is also packed with useful advice about what you can do to deal with high cholesterol or high blood pressure, develop a sensible exercise program, and make crucial lifestyle changes that will help you live life to the full.
