18 I have been out among my flowers all the morning digging weeding and transplanting and then stopping a little to rest
Such perfect successes as my roses are this year while my white lilies are the wonder of the town and yet my heart was not
with them to day and it was nothing to me that those fine people staying at the Towers came into the grounds while I was at
work just to see and admire they said adding that there was no place like Elmwood in all the town of Cuylerville I know that
and Guy and I have been so happy here and I loved him so much and never dreamed what was in store for me until it came so
suddenly and seemed like a heavy blow *The Favorite of the Harem* Anna Leonowens, Romance of a Harem ,1909

The Romance of the Harem Anna Harriette Leonowens,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1873 edition Excerpt CHAPTER XV THE FAVORITE OF THE HAREM THE morning on which his Majesty set out on his annual visit to Pitchaburee was one of those which occur in the climate of Siam at almost any season of the year but are seen in their perfection only in October The earth air and sky seemed to bask in a glory of sunlight and beauty and everything that had life gave signs of perfect and tranquil enjoyment Not a sound broke the stillness and there seemed nothing to do but to sit and watch the long shadows sleeping on the distant hills and on the warm golden fields of waving corn Reluctantly quitting my window I turned my steps toward the palace leaving all this beauty behind me in a kind of despair not that my temple school room was not in itself a delicious retreat but that it always impressed me with a feeling I could never analyze when there it seemed as if I were removed to some awful distance from the world I had known and were yet more remotely excluded from any participation in its real life Taking out my book I sat down to await the coming of such of my pupils as might not have accompanied the king on his visit In the course of an hour only one presented herself she was a young woman called Choy a fair and very handsome girl of about twenty summers or perhaps not so many with regular features a very rare thing in a Siamese woman but the great beauty of her face was in her large lustrous eyes which were very eloquent even in their seeming indifference Her hair which was so long that when unbound it covered her whole person even to her feet was tied in a large knot behind and ornamented with the jessamine and Indian myrtle She had a careless and I might almost say even a wicked expression in her face which
