A Human-Shaped God Charles Halton,2021-10-26 A Human Shaped God approaches the humanlike accounts of God in the Old Testament as the starting places for theology and uses them to build a picture of the divine This understanding of God is then brought into conversation with traditional conceptions that depict God as a being who knows everything that happens is at every place at the same time is constant and unchanging and does not ultimately have material form But instead of pitting the Old Testament s humanlike view of God against traditional theology and assuming that only one of these understandings is correct A Human Shaped God posits that theologians should embrace both of these constructions simultaneously This is a new way of theological inquiry

that embraces both the humanlike characteristics of God and the transcendence of God in traditional theology By seeing and understanding the humanlike depictions of God in the Old Testament and by using the rich language of traditional theology together in tandem the reader acquires a much deeper and meaningful understanding of God Hebraic Insights - Messages Exploring the Hebrew Roots of Christian Faith Yosef Brusherd,2015-03-13 Yosef wants everyone to grow in understanding what our Loving Father God intended for His children Jew and Gentile These 95 insights will encourage understanding of the richness of the Old Testament the Torah the culture and customs of the people and God wants for His children The Insights reveal the Hebraic Roots of Christian faith by addressing these topics Scripture as Heard by the Chosen People And Treasures Lost in Translation Laws Commandments Mitzvot For Our Benefit from a Loving Father God Hebraic Customs of Biblical Times Encouraging Us to Honor God Continuously Holidays and Everlasting Feast Days So can Draw Closer to God Marriage God s Plan from the Beginning For Us and For His Son Theology Sin and Salvation Deepening Our Understanding Deceptions and Trojan Horses How To Avoid Being Deceived **Hebrew Harbingers** Janelle Wiseman Brown,2014-08-15 **Rediscovering Philo of Alexandria** Michael Leo Samuel,2016-09-15 Philo of Alexandria 20 BCE 50 CE stood at the crossroads of ancient history Philo was the first pioneer to integrate Judaic thought with the Stoic Platonic and Pythagorean philosophical traditions This Alexandrian Jewish philosopher assembled the very first philosophical ethical psychological exegetical and theological commentary on the Torah As his community s most prestigious Jewish leader he defended Alexandrian Jews from the attacks of anti Semites and met with the capricious Roman Emperor Caligula calling upon him to respect the ethical monotheistic beliefs of the Jewish people As with Josephus Philo bears witness to the world s first protomodern and intellectual Jewish community of Alexandria the cultural center of Late Antiquity Reclaiming Philo as a Jewish exegete puts him in company with other great luminaries of Jewish history Rabbi Michael Leo Samuel has meticulously culled from all of Philo s exegetical remarks arranging them according to the biblical verses He provides extensive parallels from the corpus of rabbinical literature Greek philosophy and Christian theology in presenting how Philo impacted the great minds of Late Antiquity and beyond I do see the value of having Philo s comments on the Pentateuch accessible in this form all this is done to make Philo speak to a contemporary reading audience Torrey Seland Ph D Review of Biblical Literature Rabbi Samuel has done an outstanding service to Philo and to modern readers In Rediscovering Philo of Alexandria A First Century Jewish Commentator Philo s ancient Torah commentary becomes readable and meaningful exciting and contemporary Rabbi Ari Kahn Bar Ilan University Author of Echoes of Eden Philo of Alexandria was the most prolific writer of Hellenistic Judaism in the early first century Yet his works have often remained unknown unread inaccessible or obscure to many Jewish and Christian readers Rabbi Samuel s new series Philo of Alexandria A First Century Jewish Commentator cuts to the chase by conveying the thinking of Philo in a relevant down to earth manner that both scholar and layperson can easily grasp and appreciate Enhanced by an abundance of cross references and scholarly notes

this commentary provides new insight and angles of a theological conversation useful to anyone intrigued by this first century Jewish thinker and exegete Dr Marvin Wilson Gordon College Author of Exploring Our Hebraic Heritage A Christian Theology of Roots and Renewal This is an excellent introduction into the thinking of a significant philosopher Rabbi Samuel offers readers a biography of Philo and explains with notes what Philo is saying thereby making his book not only very informative but very readable Rabbi Israel Drazin Author of Onkelos on the Torah Understanding the Biblical Text
