Exposing the Effectis of Spiritual Abuse in the Church Agnes M. Lover,2017 Strengthening Families and Ending Abuse

Nancy Nason-Clark,Barbara Fisher-Townsend,Victoria Fahlberg,2013-06-04 Strengthening families of different varieties and ending abuse in the myriad of forms through which it surfaces is God s way of bringing peace and safety to Christian homes across the world We challenge congregations their leaders and the men women and youth who faithfully support them to consider their personal role in bringing this vision inspired by the Scriptures into reality Together our voices can be strong We are united in our belief that every home should be a safe home every home a shelter from the storms of life every home a place where we are supported treated with respect and dignity and every home a place where men and women are encouraged to be all they can be It is a tall order It is a dream to guide our personal conduct and to measure our congregational and community life We are far from reaching this goal but toward it we strive **Deliverance From the**

Vicious Cycle of Abuse Roxanne " ZaMiya" Pugh,2020-08-26 Deliverance from the Vicious Cycle of Abuse is a personal guide down the path of self awareness and reflection This book will help you understand that you hold the power and control over your own life therefore you determine how others treat you in most case even in situations of forced violations how you respond determines how you overcome The way you process how others treat you is ultimately a reflection of how you see yourself and the value that you hold for yourself This book opens your awareness to various forms of abuse that we don t hear much about such as verbal emotional mental spiritual and financial in addition to physical and sexual misconduct The one eye opener moment anyone reading this book will realize is that at some point in life we have all participated in inflicting abuse upon someone else or we have endured abuse at the discretion of others in some cases we have been on both sides The good news is no matter where you find yourself there is a plan for you to face that darkness and move beyond it by making course corrections that will allow you to find your authentic self in order to live your best life You are not a victim It s time to regain your power by finding your voice **The Elephant in the Room** Deborah G Hunter,2019-03-05 Abuse by those in spiritual leadership has gone unchecked and unpunished for far too long Millions of believers all over the world have been subjected

to gross verbal emotional mental psychological financial and sexual abuse for Millenia The time has come for justice and judgment to begin in the Church The time is NOW

Bully Pulpit Michael J Kruger, 2022-11-08 Are churches looking for the wrong kind of leaders The last decade has witnessed a rising number of churches wrecked by spiritual abuse harsh heavy handed domineering behavior from those in a position of spiritual authority And high profile cases are only a small portion of this widespread problem Behind the scenes are many more cases of spiritual abuse that we will never hear about Victims suffer in silence not knowing where to turn Of course most pastors and leaders are godly wonderful people who don't abuse their sheep They shepherd their flocks gently and patiently But we can't ignore the growing number who do not We have tolerated and even celebrated the kind of leaders Jesus warned us against We need gentle shepherds now more than ever and in Bully Pulpit seminary president and biblical scholar Michael J Kruger offers a unique perspective for both church leaders and church members on the problem of spiritual abuse how to spot it and how to handle it in the church Every Christian from pulpit to pew needs to read this wise and timely work Karen Swallow Prior Both urgent and timely Sam Storms Thoughtful wise and biblical Mark Vroegop

Understanding The Fivefold Ministry Matthew D Green, 2015-01-26 The ministry gifts are alive and well today When Jesus ascended to heaven He left gifts behind apostles prophets evangelists pastors and teachers But their operation has often been surrounded by neglect confusion and outright controversy Jack Hayford Cindy Jacobs Reinhard Bonnke C Peter Wagner Fuchsia Pickett Tommy Barnett and many others combine decades of experience reflection and biblical study to uncover the true purpose for the fivefold ministry Find answers to these questions regarding the release and shepherding of the fivefold ministry Who are the modern day apostles and why does the church still need them What are the marks of an authentic prophet and how should we judge prophecy How do you know if you're called to be an evangelist and what's the most effective method for leading an unbeliever to Christ Why are teachers so influential and how do we discern false doctrine What is the role of the pastor in the twenty first century and how is it changing How do the five ministry gifts cooperate in the local church and who's in charge when all five are active God is building His body around the world in the most unexpected ways through the most unexpected people Take a self test to find out where your gifts lie and what area of ministry God may have custom designed you for

Jezebel's Puppets Jennifer LeClaire, 2016 Many charismatic Christians are familiar with the biblical character of Jezebel yet they do not know the demonic spirit by that name that still wreaks havoc today The Jezebel spirit characterizes anyone who acts in the same manner as Jezebel did engaging in immorality idolatry false teaching and unrepentant sin Its manifestations are conniving and destructive dwelling in she who desires to have her way no matter who is destroyed in the process You can't defeat what you can't see While most people are hyper focused on Jezebel and are basing their warfare on a misunderstanding of what Jezebel really is fewer understand the workings of Jezebel's demonic partners in crime The spirit of Jezebel couldn't execute all its wicked plots without the spirits of Ahab the false prophets and the eunuchs This book will fully expose this destructive team's plan teaching readers how to discern each spirit and defeat them

Trauma-Informed Evangelism Charles Kiser, Elaine Heath, 2023-04-11 We are at the forefront of a new reformation So declares Elaine Heath in Trauma Informed Evangelism aiming to recover the God of love from the structures of hate that pervade Christian communities in America today In their new guide she and Charles Kiser work toward bringing this reformation to fruition through ministering specifically to the spiritually traumatized Over the course of their study Kiser and Heath amplify the voices of those who suffered misogynistic racist or homophobic abuse at the hands of the church While carefully listening to these stories Kiser and Heath bring them into conversation with the passion and resurrection of Jesus Engaging with womanist and liberation theology they see in the crucifixion a God who does not valorize suffering but shares the experience of the traumatized Ultimately this theodicy leads them to propose a new evangelism one based not on fear and coercion but on witnessing the unconditional love of God Timely theologically informed and eminently practical Trauma Informed Evangelism will serve as a formative guide for church leaders and students seeking to aid trauma survivors in their communities Discussion questions conclude each chapter

Pulpit Peddlers or Godly Preachers Warren E. Anderson Sr., Jonathan M. Anderson, Sr., 2021-03-16 We are sure that from the outset the title of this book has raised eyebrows It has been the topic of many heated conversations and perhaps most of all it has probably caused a lot of consternation among our fellow ministers of the Gospel This book is not designed to bash any preacher However this book does have a twofold purpose First it is to expose and mitigate the negative impact that those individuals who are peddlers of the Word of God as identified by the Apostle Paul in 2 Corinthians 2:17 are having on the church and especially on those in the church who are still babes in Christ and vulnerable to this brand of corrupt pulpit rhetoric Further this book is designed to also hopefully open the eyes of all believers old and new veterans or rookies who are also listening and taking heed to the pulpit peddlers' pimpish rhetoric and missing the true intent and nature of the saving Gospel of Jesus Christ Second and equally if not more importantly this

book sets the record straight and resolves the controversy surrounding the preaching of prosperity from the pulpit This book engages both the topic and the reader from what is written in God s Word We avoid popular opinions as well as our own wisdom Instead this book resolves the prosperity controversy based on what God has said about it in His inspired Word By the time you get to the end of this book you will be certain that it is God s will to bless you based on His riches in glory However you will also be certain that God does so according to His individual will for each of us and that He is able to exceedingly and abundantly give above all we can think or ask *The Subtle Power of Spiritual Abuse* David W.

Johnson,Jeffrey VanVonderen,1991 Written for both those who feel abused and those who may be causing it *The Subtle Power of Spiritual Abuse* shows how people get hooked into abusive systems the impact of controlling leadership on a congregation and how the abused believer can find rest and recovery Provided by publisher *Trauma and the 12 Steps, Revised and Expanded* Jamie Marich, PHD,2020-07-07 An inclusive research based guide to working the 12 steps a trauma informed approach for clinicians sponsors and those in recovery Step 1 You admit that you re powerless over your addiction Now what 12 step programs like Alcoholics Anonymous AA and Narcotics Anonymous NA have helped countless people on the path to recovery But many still feel that 12 step programs aren t for them that the spiritual emphasis is too narrow the modality too old school the setting too triggering or the space too exclusive Some struggle with an addict label that can eclipse the histories traumas and experiences that feed into addiction or dismisses the effects of adverse experiences like trauma in the first place Advances in addiction medicine trauma neuropsychiatry social theory and overall strides in inclusivity need to be integrated into modern day 12 step programs to reflect the latest research and what it means to live with an addiction today Dr Jamie Marich an addiction and trauma clinician in recovery herself builds necessary bridges between the 12 step s core foundations and up to date developments in trauma informed care Foregrounding the intersections of addiction trauma identity and systems of oppression Marich s approach treats the whole person not just the addiction to foster healing transformation and growth Written for clinicians therapists sponsors and those in recovery Marich provides an extensive toolkit of trauma informed skills that Explains how trauma impacts addiction recovery and relapse Celebrates communities who may feel excluded from the program like atheists agnostics and LGBTQ folks Welcomes outside help from the fields of trauma dissociation mindfulness and addiction research Explains the differences between being trauma informed and trauma sensitive and Discusses spiritual abuse as a legitimate form of trauma that can profoundly impede spirituality based approaches to healing *The Judas Effect* Amy Hawk,2024-06-20 In 2016 Amy Hawk was a hyper patriotic Jesus loving white evangelical church attending and ministry leading wife and mom living in a small town in the Pacific Northwest She came into the election determined to vote Republican but when she saw the video of Donald Trump mocking a disabled journalist she hurled herself off the Trump train and never looked back Shunned by some in her conservative evangelical community her world was shattered and her faith tested as she was forced to reevaluate the

Christian institutions she devoted her life to Disoriented and confused by the church's embrace of a man who is the antithesis of Jesus Hawk turned to the Scriptures for answers Part Bible study and part personal faith journey The Judas Effect is about the selling out of Christian values for political gain It's about how buoyed by Trumpism the message ringing from church bells across America has morphed from goodwill toward men to it's us against them By sharing her own faith crisis Hawk casts a vision for the evangelical church that steers us away from Judas's power lust toward a Christ-centered mission of servitude humility compassion and kindness

Die Before You Die Anab Whitehouse, 2018-11-06 This book explores the significance of a saying of the Prophet Muhammad namely Die before you die from the perspective of an individual who has been journeying along a path of discovery for more than 50 years The contents of this book might be one of the most unique intriguing and challenging accounts of Islam and the Sufi path that has been published in North America Just a little over a year ago the author of this book died several times in the emergency room of a local hospital This book starts with those events and then expands outward to talk about an array of experiences including spiritual abuse that has shaped his understanding of Islam the Sufi path life and himself In addition the book critically reflects on a series of issues that have relevance in today's world These ideas range from Sam Harris to topics such as Education religion mysticism science and shari'ah While each of the book's four sections has something to offer readers with respect to assisting a person to work toward developing a deeper understanding of Islam and its mystical dimension as well as a number of other topics the book's section on shari'ah might prove to be the most illuminating and thought-provoking facet of the book More specifically Dr Whitehouse introduces readers to a way of engaging the topic of shari'ah that is quite different from what is normally thought of in conjunction with that term and if God wishes could serve as a way of helping to bring the Muslim world and the West closer together in a variety of constructive and harmonious ways
