*Be Prepared* Dr. Ed Fleming, 2025-03-07 An important principle in the business world is to be prepared When it comes to suffering in the Christian life being prepared is eminently more important Why In Luke 14 Jesus gives two easily understood scenarios to emphasize this point going out to battle and building a tower Unpreparedness in either realm can prove disastrous To be unprepared in a business deal may cost the loss of a sale or revenue But to be unprepared in the Christian life has eternal consequences This book *Be Prepared* Developing and Implementing a Theology of Suffering is a call to all believers to not be caught off guard as it relates to suffering Despite what many preachers are saying suffering is not the abnormal experience of a child of God Suffering is a normal part of the Christian life Jesus Paul James and Peter all make this abundantly clear As you read this book may the Lord equip you to develop and maintain this reality in your own life Philippians 1:29 tells us that a precious gift from our Savior is both to believe in His name and to suffer for His sake It's a package deal Let's be careful how we use His gift

**Heart of the Living God** Michael G. Maness, 2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I

want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at [www.PreciousHeart.net](http://www.PreciousHeart.net) Jose Vargas,2010-02

**Runaway Emotions** Jeff Schreve,2013-07-09 If we pay attention to the alarms in our lives they could save us Worry Anger Loneliness Negative emotions are uncomfortable by design Like any good fire alarm they alert us to a greater danger But they won t help us if we try to cover them up hide them behind excuses or assume they will always plague us The only healthy way to manage negative emotions is to find their source and address the problem that set them off As pastor Jeff Schreve says A specific and compelling message can be found in each of your negative painful emotions God Himself is trying to speak to you through those emotions right now So what is God saying How can we understand our emotions even change them Schreve shows how the truth of the Bible can make sense of our confusion The power of the Holy Spirit can lead us to freedom and Jesus Christ can give us true peace in the midst of any crisis You don t have to let your emotions run away with you your family or your future **Bank on It** Susan Henderson,2002-12 [Ready to Give an Answer](#) Rick

Deighton,2007-04 Deighton challenges readers to expand their knowledge deepen their faith and apply prayer to their daily life Christian **Restoring Your Shield of Faith** Chuck D. Pierce,Robert Heidler,2003-12-08 This message from Chuck Pierce and Robert Heidler likens our spiritual defense to that of the children of Israel while in battle Within the ranks there were those who carried huge shields to protect the bulk of the army And just as we fight spiritual battles today there is a mighty shield we can carry to protect us This shield of faith is one of the main ways we can resist our enemy s attacks We are fully capable of resisting the enemy s attacks but we must first be able to recognize how Satan fights His main weapons are to create fear and doubt in us and to tempt us to become complainers and murmurers If we succumb our faith is weakened The keys to increasing our faith are found in knowing the Word of God which engenders praise thankfulness trust and obedience **Awaken** Terry Nance,2015-12-10 We live in a time when the church is failing to live up to its own standards It has tragically been losing the respect of those it tries to win to Christ because it has succumbed to sin pride and corruption In the past a lost world looked to the church as the example of hope and integrity today many people laugh or roll their eyes when the church is mentioned It has largely lost its relevance in the world In Awaken best selling author Terry Nance has composed a series of letters to younger and newer believers aiming to help them avoid many of the sins and mistakes of their

spiritual fathers as they hold high the standard of the kingdom of God with which they have been entrusted We the church must realize that we are called to be kingdom leaders for Jesus Christ not empire builders for ourselves We must awaken to the understanding that we carry Jesus to this world and His spirit within us must be reflected in everything we do Nance s challenge is clear Set a standard of holiness in your own life endure affliction as a good soldier of Christ run your race with patience and persevere until you come to the finish line As you do you will leave behind an army of leaders in the next generation who can take up your banner for Jesus and carry it forward with honor **Move Out** Ron Luce,2007 **Move Out** Warriors on a Mission is a curriculum that over the course of an intense weekend retreat or spread out over several weeks prepares teens for the mission field A New Vision, a New Heart, a Renewed Call David Claydon,2005 **Your Kingdom Come Your Will Be Done** Beth Dees,2025-03-03 God s will There will be a kingdom where there will be no pain no sickness and no tears Evil and hatred and darkness will be gone forever Death will be swallowed up God s will There will be a kingdom where heaven is on earth and earth is in heaven joined as one eternally The immeasurable light and love flowing from the throne of God in that kingdom will fill the land with a glory and a beauty indescribable The redeemed from all tribes and tongues people and nations will be united as one in the love But the days on this earth before the Kingdom s fruition are drawing to a close Satan with his power of darkness will have a short rally before the earth is cleansed and all is made new This too is God s will In the spiritual world of light the scroll is in the hands of the Lamb being opened The trumpets will sound and the bowls will be emptied in God s judgment on this earth Many see it Many more do not God s will He wants all of mankind to see in the here and now the Lamb who was slain who is Jesus Christ their Savior He wants His creation to believe and confess that truth so they may be resurrected to share in the glorious kingdom in the day of Christ s return The story is narrated in first person where fiction history and biblical prophecy meet to tell God s perfect will for His perfect kingdom

*Crosswind* John Rajanayakam,2022-03-02 John Rajanayakam looks back on a spiritual journey that led him to understand weighty spiritual issues and seeks to transfer his knowledge to his only daughter Nandita in *Crosswind* The author provides a practical resource that his daughter and her husband and any parent family member or friend of a child can look to when faced with challenges As a runbook the author shares what happened in his home church in Columbus Indiana in 2012 The church s members embarked on a forty day journey of focused prayer for children inside and outside the church The process was simple A wall of prayer was created near the altar and the names of children were written on it Volunteers took turns praying at the wall guided by the six Cs that were determined to be the most important principles commitment choices challenges sufferings companions character and calling As a church body the members prayed for more than 350 children and God performed amazing miracles Children experienced healing restored relationships and other significant blessings Steeped in Scripture this book will serve the author s daughter and son in law well as well as any parent family member teacher or mentor who wants to raise children strong in faith *Baptism* Jesse Clarence Ford,2014-02-28 This book was

perhaps more than forty years in writing and it has been brought forward with deep conviction I consider it a must It was prepared to give mankind a living hope and it is in obedience to His command It is my deep conviction that pastors evangelists and teachers shall give an account to God for what failures have been present in teaching a faith built on false premise It was prepared to provide peace of mind and heart with authentic and verified facts which include admissions from Catholic authorities including The Catholic Encyclopedia and Protestant reformers in undeniable acknowledgements All is a factual record of history There is no Biblical basis for sprinkling as I have shown and explained It appears to me to be a stunning neglect of facts that has built a totally false premise which has deceived millions and corrupted Christianity which every person is responsible to embrace and build their faith upon Small wonder that well over half of pastors have serious doubts about the Bible The Word of an infinite eternal almighty righteous thrice holy God is to be upheld and proclaimed to every man and every member of the human race is accountable to be obedient
