Bound Together Chris Brauns,2013-03-05 We are not just isolated individuals Instead our lives are woven together with others We have solidarity with other people the choices one person makes affects the lives of others for good and for bad Because much of the pain we endure in life is in the context of relationships this truth often strikes us as unfair Why should a child suffer because of the choices of his parents And on a grander scale why do we all suffer the curse of Adam s sin Why should anyone be judged for someone else s sin In Bound Together Chris Brauns unpacks the truth that we are bound to one another and to the whole of creation He calls this the principle of the rope Grasping this foundational principle sheds new light on marriage the dynamics of family relationships and the reason why everyone lives with the consequences of the sins that others commit Brauns shows how the principle of the rope is both bad news and good news revealing a depth to the message of the gospel that many of us have never seen before

Drawn by Beauty Matthew Z. Capps,2025-03-01 Wonder and awe of the beautiful is essential to the human experience Our souls are often shaped and formed by the aesthetic experiences provided by the Creator When we neglect this aspect of our lives we fail to realize how God has created us uniquely to not only enjoy beauty but to also create the beautiful A distinctly Christian vision of these realities opens our eyes to see how God has enchanted our world to draw us toward Him the source and substance of beauty for a deeper experience of the Christian life In Drawn by Beauty Awe and Wonder in the Christian Life pastor and theologian Matthew Z Capps points to the reality that our spirits are formed by God through the beautiful experiences that he offers This book is a call to not only acknowledge the effect that beauty has on the human spirit but it is an appreciation of the obviously divine presence in the things of this world that are truly awe inspiring

World Christianity and the Unfinished Task F. Lionel Young, III,2021-03-15 This book is a short introduction to one of the most remarkable transformations in the modern world that many people still do not know about In 1900 more than 80 percent of the world s

Christians lived in Europe and North America and nearly all of the world's missionaries were sent out from the West to the rest. In a dramatic turn of events, Christianity experienced a decidedly Southern shift during the twentieth century. Today, nearly 70 percent of the world's 2.5 billion Christians live in Africa, Asia, and Latin America, while nearly half of all missionaries are being sent out into all the world from places like Brazil, Ethiopia, and South Korea. This book is intended to change the way readers think about the church and challenge the way the Western Christians engage in contemporary missions.

60 Days of Happiness Randy Alcorn, 2017-01-04 Would you like to experience true happiness? When it comes to happiness, most of us have the same questions: Why can't I be consistently happy? Is it wrong to be happy when there's so much pain and suffering in the world? And perhaps the biggest one: How can I be happier? Some Christians make an artificial contrast between joy and happiness, while others claim God wants us to be holy but not happy. In fact, he wants us to be both, and the two go hand in hand. In *60 Days of Happiness*, noted theologian and New York Times bestselling author Randy Alcorn shares sixty timeless devotions demonstrating that God not only wants us to be happy in him and enjoy his gifts, he commands and empowers us to do so.

Purposeful Sexuality Ed Shaw, 2021-01-21 If God means for us to save sex for marriage, why doesn't he just zap us with sexuality on our wedding night? Why do most of us experience sexual feelings throughout our adult lives, not just in the safe confines of marriage? Is limiting marriage to the union of a man and a woman anything but outdated prejudice? What is our sexuality actually for? Today's culture overwhelmingly tells us that sex is essential for human flourishing. Far too often, the church perpetuates the same message as long as you are married. But far from being liberating, this idolizing of sex leaves us even more sexually broken than before. With refreshing honesty and clarity, Ed Shaw calls on the church to rediscover its confidence in the Bible's teaching about our ability to experience or express sexual feelings. He points us to how God's word reveals that sexuality's ultimate purpose is to help us better know God and the full power of his passionate love. He shows us how this is surprisingly good news for all our joys and struggles with sexuality.

Happiness Randy Alcorn, 2015-09-17 Do you ever wonder whether God even cares if we're happy? This world can be so hard, and we aren't promised an easy road. But that's not the whole story. The Bible is filled with verses that prove that ours is a God who not only loves celebrations but also desperately wants his children to experience happiness. Why else would he go to the lengths he did to ensure our eternal happiness in his presence? We know that we will experience unimaginable joy and happiness in heaven, but that doesn't mean we can't also experience joy and happiness here on earth. In *Happiness*, noted theologian Randy Alcorn, bestselling author of *Heaven*, dispels centuries of misconceptions about happiness, including downright harmful ideas like the prosperity gospel, and provides indisputable proof that God not only wants us to be happy, he commands it. Randy covers questions like: How can I cultivate happiness in my life? What's the difference between joy and happiness? Can good things become idols that steal our happiness? Is seeking happiness selfish? How can I achieve happiness through gratitude? What does it look like to receive God's grace? The most definitive study on the subject of happiness to date, this book is a

paradigm shifting wake up call for the church and Christians everywhere *Overeating* Michael R. Emlet,2019-09-09 If we re honest most of us can remember eating more than we need More often than we might care to admit we finish a meal knowing we ve had too much Why do we push the limits of our food consumption Does God have anything to say about this struggle Physician and counselor Michael R Emlet walks us through the many reasons we may **Touched by God** Albert Schueller,2022-05-23 The power of prayer is demonstrated in one man s journey who receives as an answer to prayer the diagnosis of terminal glioblastoma multiforme GBM brain cancer These are God s insights given to him through prayer

God First Everything Else Second Juan Diaz,2016-05-18 In this book I write about how God Himself spoke to me and also how being saved and born again changed my life I also write about all the things that I am now doing from being saved I just talk about how incredible and gracious God is and I was a nonbeliever my whole entire life That all changed when I started to feel the best I have ever felt in my life while here on this earth and I am forty four years old I talk about the way people would know if and when they are saved and what they would feel and act like all from my experience of course **Does God Want Us to Be Happy?** Randy Alcorn,2019 Noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides wisdom insight and scriptural proof that God not only wants us to be happy He commands it
