and I hate to read 70 80 pages of a book and get no where fast Like I said there are no fillers everything has a point to it and get s somewhere that s why it s shorter than most books but I hope you enjoy AttitudeAutobiography by Adam Lang **Déjà Vu** Angela Grey,2021-04-24 D j vu during a manic episode is a much better explanation than our daughter has bipolar disorder Think about the stigma she ll have to endure when everyone has an adrenaline rush from time to time or gets depressed is grief stricken or is down in the dumps Don t classify our daughter as one of them She s not she different Finn Lancaster says to his wife about their daughter Ivy Eighteen year old recent high school graduate Ivy Lancaster now has some negatives to add to her blonde suede blue eyes alabaster skin and svelte body She s recently started rapid cycling through manic and depressive episodes that leave her with guilt embarrassment and shame Ivy now wakes up looks around and doesn t recognize evidence of what she s been up to for the last twenty four hours Add to that the fact that she s obsessed with a recent local murder of one of her classmates When Ivy s not scrolling online message boards about suicide then she s combing the internet for all that there is about the murdered high school senior and the suspected serial killer But Ivy knows more than everybody else she s awesome about tracking down the details and has her aim pointed in the right direction Will she save everyone from another possible murder Or will she push an innocent man too far and end up the next tragedy in town **Beyond the Tears and Laughter** David M. Delo,Kingfisher Books,2003-11 This emotionally painful yet thoughtful and absorbing book reveals in the first person the way manic depression works on the mind how it can alter one s life path and what the illness may cost the manic depressive An end section describes the disease diagnosis and treatment and the relationship between manic depression and creativity **Pillow book of a Manic Depressive** Anthony Peck,2011-06-01 Description Pillow book of a Manic Depressive follows the style of medieval Japanese writers who would keep a record of courtly life through their daily impressions which they would then keep under their pillows Taking a modern approach the Pillow book follows the impressions of the author in the year following an extreme manic episode which saw him leap four floors and only barely survive While his body repaired he was forced to slow down take in all that was immediately around him and come to a place of peace and gratitude Unknowingly using the technique of Mindfulness he was able to reflect on all the many facets of his life and life in general Written in a very simple way each impression invites the reader to slow down and examine his or her own thoughts While as a whole the collection is a story of survival and recovery as the author s momentum towards good health becomes increasingly if subtly apparent From the stain left on a page by a bookmark to the author s catastrophic manic leap to an old radio the breadth of recollection is vast And time to time sprinkled throughout the book are lists of things you can break things you can t hide things that you do but don t know if they work which pause to make you think what you as a reader might add or subtract And to capture some of the deepest emotions poetry is used There is also humour and lots of it Life is many things and to someone suffering a mental illness the comfort of laughter is one of the richest This is not slapstick but the warm recognition of truth and the joy of a new

perspective on old troubles Ultimately Pillow book of a Manic Depressive is a window into one person s recovery and mind But it also attempts to open hope to all through its portrayal of the human spirit About the Author Anthony Peck is a lifelong sufferer of Manic Depression which wasn t diagnosed until an extreme manic episode led to him leaping four floors from a building at the age of forty five Prior to that he had a very successful Advertising career which saw him working in eight cities across four continents creating work for some of the world s most famous brands He is a published poet and short story writer And continues to take an interest in the Advertising world Born in 1962 Anthony s passions are writing presenting and surfing Since his diagnosis and its subsequent treatment he has taken a deep interest in all aspects of mental health from different types of therapy to the mental health service itself As a patient he brings a unique perspective and voice to the ongoing issues that face those with mental illness And he looks forward to the time when all sufferers receive the treatment that will serve them best From Sick to Ill: Mind of a Manic Donovan Gardner, See inside the mind of a manic and become captivated by this thrilling book Page 4 of cover **The Flying Blue Meanies** Ilan Chaim, 2020-08-06 The Flying Blue Meanies tells how 18 year old bipolar protagonist Michael Spikov survives the manic depressive Sixties from 1967 1975 an era that included his struggles with the Vietnam War Martin Luther King and Bobby Kennedy s assassinations Black liberation Women s liberation the movement to free Russian Jewry the Yom Kippur War and moving to Israel And of course sex drugs and the best rock n roll
