Posner, 2018-10-02 Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times bestselling author Case Closed A Pulitzer Prize finalist and New York Times bestseller Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy Drawing from official sources and dozens of interviews filled with powerful historical detail and including an updated comment for the fiftieth anniversary Posner's utterly convincing book lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured what really happened in Dealey Plaza on November 22, 1963 Chicago Tribune By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review Killing the Dream On April 4, 1968 Martin Luther King Jr. was killed in Memphis Tennessee by a single assassin's bullet James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot An international manhunt ended two months later with Ray's capture Though Ray initially pled guilty he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy In Killing the Dream expert investigative reporter Gerald Posner cuts through phony witnesses false claims and a web of misinformation to put Ray's conspiracy theory to rest and disclose what really happened the day King was murdered A superb book a model of investigation meticulous in its discovery and presentation of evidence unbiased in its exploration of every claim And it is a wonderfully readable book as gripping as a first class detective story The New York Times The Kennedy Family S. J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wannabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching **Case Closed** Gerald Posner, 2013-10-01 Pulitzer Prize Finalist By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review The Kennedy assassination has reverberated for five decades with tales of secret plots multiple killers and government cabals often overshadowing the event itself As Gerald Posner writes Fifty years after the assassination the biggest casualty has been the truth In this first ever digital edition of his classic work updated with a special comment for the fiftieth anniversary Posner lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963 Drawing from official sources and dozens of interviews and filled with powerful historical detail Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the

assassination of John F Kennedy Now updated for the first time in twenty years with an epilogue from the author containing new information **Behind the Scenes** Darwin Payne,2023-10-15 On November 22 1963 the author of Behind the Scenes was a young Dallas Times Herald reporter who sprinted from his newspaper desk to Dealey Plaza minutes after shots were fired at President John F Kennedy Thus began Darwin Payne s close involvement in covering one shocking event after another on this history making weekend Eyewitnesses he found at Dealey Plaza included Abraham Zapruder who insisted from the first moments that the president could not have survived the serious wounds he had seen so clearly through his camera viewfinder Payne interviewed detectives outside the School Book Depository that early afternoon as they brought down evidence of the shooter s location as well as his rifle and he was among several journalists taken to the assassin s sixth floor window from where fatal shots had been fired Before the day ended Payne was in the Oak Cliff rooming house where the suspect had been living briefly apart from his Russian wife Marina Payne learned that the alleged assassin now in police custody after being charged with the murder of officer J D Tippit was known as O H Lee instead of Lee Harvey Oswald On Payne s regular Saturday night police beat duty he was among the growing number of assertive journalists from throughout the nation who saw and heard Oswald being led to and from his jail cell to the homicide office for interrogation As detectives pushed their way with him through the crowd of reporters he responded to their questions with defiant claims of innocence The mind boggling weekend was still not over for the next morning nightclub owner Jack Ruby shot and killed Oswald

Reclaiming History: The Assassination of President John F. Kennedy Vincent Bugliosi,2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling Outrage Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on

the subject It adds resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense Some images in this ebook are not displayed due to permissions issues

JFK, Oswald and Ruby Burt W. Griffin, Warren Commission Assistant Counsel, 2023-06-09 In this book former Warren Commission lawyer Burt Griffin examines anew the Kennedy assassination its various investigations its effects on the Cold War and the civil rights movement and the motives of Lee Harvey Oswald and Jack Ruby Griffin begins with his own skeptical reaction to the assassination proceeds to the Dallas police investigation and continues with the efforts of himself and his colleagues to sift truth from those who concealed withheld or exaggerated evidence After nearly six decades of study Judge Griffin is satisfied that Oswald acted alone He concludes that violence in the Cold War and civil rights movement caused Oswald to believe that blame for Kennedy s death might be placed on followers of rightwing activist and former U S Army general Edwin Walker Walker was an outspoken enemy of Oswald s idol Cuban president Fidel Castro and a firm opponent of racial integration and Oswald had already attempted to murder Walker in April 1963 The author gives the Walker movement a more prominent place in the assassination story and traces the conflicting ambitions of Walker Oswald Kennedy and Ruby as they collided in October and November 1963 This book will help serious readers separate truth from fiction and to become examiners of how insignificant unsuspected powerless people driven by very personal needs and fears can with the help of a firearm alter the course of history

The Faces of Lee Harvey Oswald Scott P. Johnson, 2013-10-29 The Kennedy assassination has produced a number of conspiracy theories based largely upon intriguing questions speculation and inference Thousands of books and articles have been written about the assassination with a large majority of the published material arguing for a conspiracy of one kind or another However a relatively small volume of literature has been written from a scholarly and academic perspective The Faces of Lee Harvey Oswald provides the first comprehensive scholarly analysis of Lee Harvey s Oswald s role in the JFK assassination Scott P Johnson objectively examines the various narratives of Lee Harvey Oswald created by researchers and authors over the last fifty years He finds that at first glance any theory related to Oswald s role appears as convincing as the next particularly when researchers carefully select information that only advances their preferred theory In reality however Oswald s role in the assassination offers little certainty when one looks at the mystery surrounding Oswald s life and death as well as the complexity and ambiguity surrounding the murder of President Kennedy Rather than putting forth a single theory Johnson lays out the known facts against each theory and allows the readers to make their own decision

JFK Assassination Aftermath Diane Cheney, 2024-05-30 This book follows the lives of Jacqueline John Jr Caroline Robert Ted and Joseph Kennedy up to the present time It includes relationships with Marilyn Monroe Carly Simon Aristotle Onassis Richard

Nixon and others The interactions of each Kennedy after John Kennedy was assassinated are shocking poignant and heart rending **Honest Answers about the Murder of President John F. Kennedy** Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject Mine Eyes Have Seen Richard Goldstein,1997-06-24 From the days of the thirteen colonies to the age of the computer this history of America by the people encompasses a wide ranging collection of excerpts from diaries memoirs trial testimony public documents news reports and interviews and other eye witness accounts that sheds light on every corner of American life

With Malice Dale K. Myers,2013-11-12 DIVDIVThe definitive work on the murder of Dallas patrolman J D Tippit killed forty five minutes after President Kennedy and its far reaching implications for the JFK assassination and aftermath divDIV Although considered the Rosetta stone of the case against Lee Harvey Oswald the murder of Dallas police officer J D Tippit killed less than an hour after the assassination of President Kennedy has proven to be one of the most misunderstood largely ignored and often twisted aspects of the Kennedy assassination For five decades a community of doubters has contorted official accounts of the shooting to exonerate Oswald There have been many questions raised about Tippit s death over the past fifty years but few real attempts to find the answers divDIV divDIVDid Oswald murder Tippit Was Tippit a part of the plot to murder President Kennedy What really happened on Tenth Street divDIV divDIVIn With Malice Dale K Myers brings thirty five years of research to this second by second account of the murder of Officer Tippit and the frantic manhunt that ended in the arrest of Lee Harvey Oswald Filling a major void in Kennedy assassination literature it weaves firsthand accounts newly released documents and previously unpublished photographs into a detailed tapestry of facts that lifts the veil on the mystery surrounding this pivotal moment in American history div div Four Days in November: The Assassination of President John F. Kennedy Vincent Bugliosi,2008-05-17 A book for the ages Los Angeles Times Book Review Four Days in November is an extraordinarily exciting precise and definitive narrative of the assassination of President John F Kennedy on November 22 1963 by Lee Harvey Oswald It is drawn from Reclaiming History The Assassination of President John F Kennedy a monumental and historic account of the event and all the conspiracy theories it spawned by Vincent Bugliosi legendary prosecutor of Charles Manson and author of Helter Skelter For general readers the carefully documented account presented in Four Days is utterly persuasive Oswald did it and he acted alone A Cruel and Shocking Act Philip

The Kennedy Assassinations Mel Ayton, 2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers Indeed a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders Was a shot fired from Dealey Plaza s grassy knoll Why did Jack Ruby shoot Oswald Was it the CIA the Soviets Cuban nationalists or the Mafia that arranged John Kennedy s assassination Was Robert Kennedy shot from in front and behind and who had the most to gain from his death These are just a few of the questions that have been put forward by a myriad of conspiracy theorists and it is those people and their ideas that Mel Ayton has tackled head on Over many years Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements he has demolished each one In each case Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories These have now been brought together to provide a comprehensive analysis of all the main theories as to who how and why the two Kennedy brothers met their deaths in such unusual circumstances Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window where he crouched or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy s assassination the harsh reality is that the Kennedy brothers were each killed by lone gunmen This is an absorbing read brought up to date with the addition of new material as it has been uncovered Maybe just maybe this book will persuade people that the official accounts of both murders although flawed are not cover ups but simply statements of fact
