**Eyewitness in the Crimea** Michael Hargreave Mawson, 2015-09-30 George Frederick Fred Dallas wrote 137 letters to his family and friends while on active service in the Crimea A company commander in the 46th Foot his first letters reflect a soldier's enthusiasm for the brilliant affair that awaits the British Army overseas Within weeks of arriving excitement turns to disbelief at the continual misjudgement of his leaders Poor preparation and divided command exposed the troops to surprise attacks from The Russe and to the appalling conditions of the Crimean winter By contrast Dallas reports on the casual bravery of his comrades recognise the true heroes of a mismanaged campaign Through these letters we relive the terrible perils of combat and siege warfare the author's almost miraculous escape from serious injury whilst continually witnessing his comrades slaughter the monotony of being entrenched in Sebastopol the utter confusion surrounding instructions to attack the mistakes at Inkermann and the Redan the wearying cold We also get an insight into the quieter moments in camp and the friendships forged between the men Supplemented by the editor's excellent footnotes and detailed biographical index this is a revealing and intimate history of all those involved in the Crimean War Publisher description

**The Thin Red Line** Julian Spilsbury, 2005 Home in time for the pheasant season was the cheerful assumption of most British officers when the Army was shipped off to fight the Russians in 1854 But it was not to be After landing in the Crimea and beating the Russians in open battle the redcoats found themselves laying siege to the great naval base of Sebastopol There they endured a bitter winter in improvised positions desperately short of supplies and with next to no medical care Published to mark the 150th anniversary of the Crimean War Julian Spilsbury's narrative is drawn from the diaries and letters of soldiers of this most famous Victorian army From the initial landings in an exotic land to the battles the long months of siege and the final victorious assault the story unfolds through the words of the men and women who were there We follow a cast of extraordinary characters who one after another fall some to bounce back with almost superhuman resilience others to die at the incompetent hands of the Army's surgeons The Army's leading personalities are a collection of eccentrics some were short sighted some downright criminal But not one of them doubted the British would win no matter how dire the odds and this is why they ultimately prevailed
