Red Is Not the Only Color Patricia Sieber, 2001-09-05 The first English language anthology of its kind Red Is Not the Only Color offers a window into the uncharted terrain of intimate relations between Chinese women As urban China has undergone rapid transformation same sex relations have emerged as a significant if previously neglected touchstone for the exploration of the meaning of social change The short fiction in this volume highlights tensions between tradition and modernization family and state art and commerce love and sex These stories introduce an emerging generation of acclaimed and at times controversial women writers including Chen Ran Bikwan Wong and Chen Xue By presenting fiction from the PRC Hong Kong and Taiwan the collection deliberately maps the literary contours of same sex intimacy in broadly cultural rather than purely political terms The perceptive and informative introduction surveys the social evolution of female same sex intimacy in twentieth century China examines how each author engages with her Chinese context and discusses how the stories compare with earlier representations of Chinese same sex intimacy in the United States Compelling for its literary quality the anthology will also spur reflection among scholars of modern Chinese literature as well as readers interested in questions of gender sexuality and cross cultural representation

Handbook of Research on Teachers of Color and Indigenous Teachers Conra D. Gist, Travis J. Bristol, 2022-10-15

Teachers of Color and Indigenous Teachers are underrepresented in public schools across the United States of America with Black Indigenous and People of Color making up roughly 37% of the adult population and 50% of children but just 19% of the teaching force Yet research over decades has indicated their positive impact on student learning and social and emotional development particularly for Students of Color and Indigenous Students A first of its kind the Handbook of Research on Teachers of Color and Indigenous Teachers addresses key issues and obstacles to ethnoracial diversity across the life course of teachers careers such as recruitment and retention professional development and the role of minority serving institutions Including chapters from leading researchers and policy makers the Handbook is designed to be an important resource to help bridge the gap between scholars practitioners and policy makers In doing so this research will serve as a launching pad for discussion and change at this critical moment in our country s history The volume s goal is to drive conversations around the issue of ethnoracial teacher diversity and to provide concrete practices for policy makers and practitioners to enable them to make evidence based decisions for supporting an ethnoracially diverse educator workforce now and in the future
