Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God's specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God's will yet many are still unsure whether they've found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God's will was biblically deficient Maybe there was a better way to understand HOW God guides **Women in the Church** Lesly F. Massey, 2002 The status of women in the church is one of the most hotly debated issues of our time Some Protestant churches have either abandoned or radically modified their interpretations of Biblical passages to allow women to take leadership roles and to accommodate social change for others the Old and New Testament passages forbid women to take leadership roles even though equality between the sexes was taught by Jesus Christ and demonstrated in the early Christian community The current fervor concerning women in the church is examined in this book which also traces the status of women through 2 000 years of church history Chapters are devoted to women in the life and

ministry of Jesus women in the earliest Christian community solutions to transitional problems the church's reversion to patriarchal models Alexander Campbell and the American Restoration Movement in the 19th century the antislavery movement and modern feminism and the differing stances taken by churches concerning women in leadership roles

Moyers, 2016-03-28 Reading Responsibly A Guide to Biblical Interpretation focuses on two key areas methods and ethics of interpretation The book introduces explains and guides students in the understanding and application of particular methods commonly used by biblical scholars in the study of the Bible The methods discussed focus on historical literary and reader oriented aspects of biblical interpretation The attention to ethics occurs mainly in the last chapter Because the Bible is an extremely influential book it often motivates people to act in beneficial or harmful ways The focus on love for others motivates charitable giving or actions designed to help others Emphasis on God's wrath may lead to exclusivism and even violence Readings leading to disrespect and mental or physical abuse stem from an irresponsible use of the Bible Responsible readings give full consideration to the text in its proper context and never call for action that is inconsistent with love and justice **The Art of New Creation** Jeremy Begbie, Daniel Train, W. David O. Taylor, 2022-03-29 Creation and the new creation are inextricably bound for the God who created the world is the same God who promises a new heaven and a new earth Bringing together theologians biblical scholars and artists this volume based on the DITA10 conference at Duke Divinity School explores how the relation between creation and the new creation is informed by and reflected in the arts Glory in Romans and the Unified Purpose of God in Redemptive History Donald L. Berry, 2016-02-19 Eschatological glory is a significant motif in Romans that has failed to garner the attention it deserves Donald Berry argues that glory lies at the heart of Paul's redemptive historical framework and is an integral part of the gospel Paul proclaims in Romans For Paul eschatological glory is the realization of God's purpose for Adam and for Israel to see and to show forth the glory of God This divine purpose finds

fulfillment in Christ and in the new humanity he creates those who now have hope of the glory of God Rom 5 2 Paul's letter to the Romans provides stunning glimpses into the nature of this eschatological glory and the hope that believers have in Christ Through careful and compelling exegesis Berry brings to light Paul's conception of glory and its place at the center of God's purposes in redemptive history While providing crucial insights into Romans this study also contributes more broadly to Pauline theology and to the field of biblical theology It highlights Paul's understanding of a unified divine purpose that runs through creation and redemption God's desire to display his nature and character in all of creation through image bearers who share in and reflect his glory

That God May Be All in All Ryan L. Rippee, 2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father's person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a Trinitarian shaped life of worship that worships our Triune God
